The letter has come from the

Personal Assistant to the Superintendent of the Museum who has been

placed in additional charge of the office of the Superintendent to attend to the current work

during the absence of the latter on deputation for training at Dacca.

The Superintendent expects to return to duty by 3.3.45. The certificate

appended to, marked 'A' on 2 c3 contains information

which is not ordinarily within the knowledge of the Personal Assistant.

As such it seems safer if the views of the Superintendent are obtained on the matter after his return. May be over
