Enclosures:

No. 182/SBC. dated 16th Febr. 1945.

Sir,

Sub: Sri M. Krishnaswamy, Computer - Service extension for one year - Requested.

I have the honour to state that as the continuance of services of Sri M. Krishnaswamy Mudaliar, a Computer of this office who is to retire from service on superannuation from 14-3-1945 is found to be essential in the interests of public service his case is put up for extension of service for one year from the date of retirement.

2. The Computing section, owing to abnormal increase of work already reported to Government on many occasions needs very essentially at this time of stress of work experienced technical men like this employee whose services I could not spare in the interests of service even for small periods and his application dated 28-10-44 for leave on average pay for four months had to be refused by me on this account. He was recruited

to the present post from the cadre of compositors and with his practical experience he is found to be very useful in computing outturn and cost recoverable valuation sheets, estimating jobs especially connected with war work etc. The employee though 55 is yet strong for active service.

3. Under these circumstances, I request that Government may be pleased to accord sanction for his retention in service for one year with effect from 14-3-1945. The leave applied for by this employee but refused by me in public interests may be granted to him either during the period of extension or after it as it may be found convenient.

Computer, Extension of service for one year.

Ref: Education and Public Health Memorandum No.7017
F.1 Edn., dated 5th March 1945.

I have the honour to state that the extension of service
of Sri M. Krishnaswamy Mudaliar was applied for in the interests
of public service as there is a paucity of experienced computers
to take up his work. I have however no objection to follow the

normal

normal practice of retiring and re-employing him after his retirement on a pay which with pension will not exceed the pay last drawn by him.

{ re-employment of persons physically fit for one year at a
