Enclosures:

No. Est. 1/44-45 dated 31st January 1945.

2 Sir,

Sub:-Buildings-Construction of two radio cabins at the
Municipal College buildings, Salem and at Dadagapatty-
Tenders over estimate-rates-acceptance-requested.

Ref:-Government Memorandum No. 59913-2-B-Edn., dated 14-1-45
and the Chief Engineer's endorsement No. 8447-Wks/44-1
dated 23-12-44.

In pursuance of the above Government memorandum fresh
tenders were invited as the execution of the works by departmental
agency is found to be not possible on account of the fact that
the Engineering section is very much short-staffed. The
contractors viz., Sri S.R. Mariappa Pillai and Sri K. Sengoda
Gounder who tendered previously have submitted their tenders
as before i.e. 65% and 75% over the estimate rates for each
work respectively. The two tenders received are also sent
herewith for reference. The two radios allocated by the
Government of India are lying idle for want of a building.

In the above circumstances, I request that the Government
may be pleased to approve the only tender received for each
work and return the same to enable me to take further action.
