Sir,

Clothing - ordinary - Belts for peons in the
High Court - Supply.

18 woollen cross belts and 18 waist belts are
urgently required for the peons in the High Court. The
Superintendent of the Central Jail, Coimbatore, who was
addressed in the matter, has reported that he has no
stock of these articles. The Superintendent of Station
who was subsequently addressed states (copy of his
letter is enclosed) that he is prepared to arrange

for the supply of the articles if specific sanction of Government is obtained. The last supply of belts to the High Court was, so far as can be ascertained, about ten years ago and the belts in use are quite worn out.

As the belts are required for peons attending personally on Hon'ble the Judges, I request that sanction of Government may be obtained at an early date for the supply of the belts by the Superintendent of Stationery.

This section is concerned with clause 117 of the Bill on page 166 ante. In the notes on page 166 ante, Education and Public Health were requested to furnish information on the following points:—

(1) Why is it proposed to invest members of the Public Health Establishment not below the rank of sanitary inspectors with police powers? and
(2) what is the exact scope of the police powers with which they are to be invested?

(1) above.—Education and Public Health say that the Director of Public Health apparently considers that it is necessary for enforcing the public health provisions of the Madras District Municipalities Act, the Town Nuisances Act, the Madras Local Boards Act and the Madras City Municipal Act.

(2) above.—Education and Public Health propose to introduce a new clause in the Bill numbered 116-A defining the powers of the police officers under the proposed Act. The proposed clause follows the provision in section 356 of the Madras District Municipalities Act and section 403 of the Madras City Municipal Act. The powers with which it is proposed to invest members of the Public Health Establishment not below the rank of sanitary inspectors are the powers which police officers can exercise under clause 116-A.

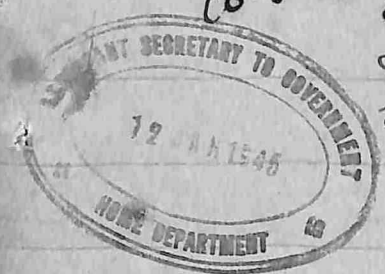

2. Reference is solicited to the Inspector-General's letter which contains the remarks offered by the Inspectors-General and the Commissioner of Police in connexion with the proposal recently made by the Education and Public Health Department to invest sanitary inspectors of the Madras Corporation with police powers. Cream coloured serge is not stocked and supplied by this Department for stitching either cross belts or cummerbands. As it has been found difficult to obtain woollen articles locally and from other Mills in India and in accordance with instructions contained in para.2 of Memo. No. 5303 II/40-2, dated 20-3-1940, my requirements of woollen articles are obtained from the Indian Stores Department, New Delhi. It is unlikely that cream coloured serge can be procured locally. In the circumstances, please state whether blue serge cross belts and blue serge cummerbands with red serge border, sanctioned in G.O., under reference may be supplied.

The Supt of staty was informed in Memo No. 11650 B/45-1 Edn d 28.3.45, that the sanction accorded for the supply of belts to the Pems in the High Court was only temporary for the duration of the war. Please see also for this marked 'A' on p 7 of (K). The intention was that the High Court should make its own arrangements to procure these woollen articles. Hence when the cream serge becomes available, when they become available, and hence the High Court may as well procure them from the ~~source of~~ Supt central Tail combatore as was done before. But if the Supt of staty is to supply the cream coloured serge cross belts also to the High Court when they become available, he may perhaps be consulted on the point before issuing orders.
