Expenditure under "ordinary" is in excess of the sanctioned budget. Sanction of Govt. is necessary for the excess expenditure.

Copy of letter Rec.B-1.6275/44 dated 7th December 1944 from the
Commissioner, Municipal Council, Devakottai to the Director of
Public Instruction, Madras.

"SUB: Budget - Elementary Education Fund -1945-46 -
Forwarded.

I forward herewith in duplicate the Elementary
Education Fund Revised Estimate for 1944-45 and the Budget Estimate
for 1945-46 in the form prescribed as approved by the council at
its meeting on 30-11-1944.

Details of each item of expenditure (working sheet) are
also furnished herewith. Provisions are made in the budget
in regard to staff, equipment etc., and are based on the actual
requirements of each school. Provision has been made for repairs
to buildings owned by the municipality and there is no rent-free
building for this municipality. A sum of Rs.1000/- has been allotted
for capital expenditure for the purchase of furniture to the newly
opened 11 ward school, Muslim Girls' School and Municipal Higher
Elementary School. Marked variations are explained at the bottom
of the estimate. A schedule of establishment and a copy of the
resolution of the council passing the budget estimate is enclosed.

2. The Government while passing orders on the Budget
Estimate for 1944-45 have directed in their order No.Ms.404, Edn.,
dated 44-3-44 to obtain an advance of Rs.6000/- from Government
to make up the deficit balance of Rs.6000/- if no toll compensation
is received by the municipality. As only additional toll compensa-
tion Rs.25000/- has been sanctioned and as the same could not be
diverted for any other purposes other than roads, contribution
from General Account has been made in the Revised Estimate for
1944-45 for the deficit and hence no application is made to Govt.
for an advance.

3. The Govt. have sanctioned grants as compensation
for payment of dearness allowance to other municipalities in
G.O.No.1502, Edn. & P.H., dated 10-10-1944. Dearness allowance
at the existing rates of Rs.10/- and Rs.13/- is being paid to
teachers and menials of education and establishment and a sum
of Rs.3830/- has to be expended at the above rates. As the
finance of this municipality will not permit of paying the
dearness allowance at the above rates from its General Fund,
I request that the Government may be pleased to sanction a
grant to this municipality for 1944-45 and 1945-46 and is
being paid to other municipalities. I request you to recommend
to Government for the grant mentioned above."

ENCLOSURES

5
Copy of proceedings of the Municipal Council, Devakottai passed at its meeting held at the municipal office at 4 P.M. on Thursday the 30th November 1944.

373. Subject: Revised budget estimate of the Elementary Education Fund account for the year 1944-45 and the budget estimate for the year 1945-46.

Resolution: Revised estimate of elementary education account for the year 1944-45 is passed.

(S) p. 16 of 9

Since contribution to the Elementary education account from the general account to balance the budget is possible, the advance of Rs. 6000/- ordered to be applied for in G.O. No. Ms. 404 Edn. dated 14-3-1944 issued on the budget estimate for 1944-45 was not obtained from Government.

The budget estimate for 1945-46 is passed.

(I)

As no compensation for dearness allowance to teachers was sanctioned to this municipality in G.O. No. 1502 Edn. & P.H. dated 10-10-1944 and as a sum of Rs. 3830/- has to be expended therefor it is resolved to request Government to sanction at least half of the amount as contribution for 1944-45 and to sanction a contribution of at least half of the amount of dearness allowance during the year 1945-46 also.
