Sir,

I am directed to forward herewith in original, a letter dated the 9th June 1943 received from one Mr. B.K. Murt[illegible]kkur and Co., Bangalore, together with its enclosures. The Government of India understand that the Royal University of America is a private institution claiming to be registered at Calcutta under the Indian Registration Act XVI of 1908 and bearing the Registration Document No. 563 of 1942. The said University is understood to grant degrees, diplomas, licences, titles etc. stating or implying qualifications in literature, Art, Science, teaching, agriculture, commerce, medicine and other subjects. Efforts are being made by the Government of India to secure copies of the memoranda of association aims and objects, rules and regulations of the said University to determine its bona fides; in the meantime, they will be grateful if the Provincial Government could also institute such enquiries as they may consider necessary and intimate to the Government of India the result of their findings regarding the activities of the said University in the Province of Madras. In conclusion, I am to add that the Government of India are having under consideration the question of discouraging the activities of bogus educational organizations purveying more or less worthless degrees or at least warning the general public against the activities of such institutions and any information that the Provincial Government can give about the Royal University of America will help in arriving at a decision regarding the action to be taken.

I am to request that the enclosures to this letter

may be returned to this Department as soon as they are done with.

My dear Subramanian,

Please see your D.O.No.30662-C.1 dated the 30th of September. I have never heard of the Royal University of America functioning in any manner in this Province though, from time to time, in the past so many years, there have been persons selling bogus -- degrees of the so-called American Universities. Some years ago, one man underwent imprisonment in this Province in this connection. If we could see the enclosures to the letter of Mr. B.K. Murthy, we might be in a

With reference to your confidential D.O. Ref. No. 64982-Mis/43 dated 26-10-43 I visited No. 327, Thambu Chetty Street yesterday evening. The building is next to a hotel and consists of a ground-floor and two stories. The ground-floor and first floor were locked up. There is no board exhibited out-side or any where indicating that it is the residence of the Registrar of the Royal University of America. I interviewed the resident of the top-floor who is an Anglo-Indian and he informs me that he has been resident in that place for the last 3 months during which period he had not seen anybody occupying the first-floor and the ground-floor and that the place is not being used as a School or Office. This is all the information that I am able to give on the matter referred to me ~~my~~ by you.

P22 ante

My dear Subramanian,

Please see your D.O.No.30662-C-3 dated the 18th November regarding the Royal University of America. I only received the enclosures and details from the Surgeon-General on the 16th instant and after that I had to begin a detailed enquiry.

The so-called "Royal University of America" and "The Madras Medical and Technical College" consist of an office-room in a part of No.289, Thambu Chetty Street, George Town, Madras, to which address it seems to have been shifted from No.327 in the same street. The P.O.Box No. is the same as that referred to in the files, viz., No.160. Of the several offices, mostly commercial, in the building, this is one. It seems to have a residence attached behind it. There is a small verandah in front of the office where shelves of bottles of medicines are kept. The chief man is one who calls himself Kavi-bhooshanam Dr. P.K. Venkatesan (no degrees) and he has a clerk. There appears to be no class-room or lecture hall.

The Kavibhooshanam claims to be a practising physician and to be in charge of these institutions--one for academic degrees and the other for medical degrees. He says that there are branches at Pudukotah, Tanjore and a few other places under branch managers. The tuition is said to be postal or personal.

Vide/ 22-35 n.p.

The Kavibhooshanam was interviewed by one of my officers without his knowing that he was a member of my department. My officer posed as a prospective client. The Kavibhooshanam is selling prospectuses at 4 annas a copy.

I think there can be little doubt that the whole thing is irregular and bogus, particularly in view of the nature of the degrees to be conferred or sold as revealed in the documents accompanying your letter to the Surgeon-General.

pp 2-14 ante

In my opinion, the papers should be placed in the hands of the Police.

I am returning the enclosures for your reference.

Yours sincerely,

சில ஆண்டுகளுக்குமுன் ஐக்கிய மாகாண சட்டசபையில் நடந்த விவாதத்தின்போது இந்திய வைத்திய முறையையும் அதற்காக செலவழிக்கப்படும் பணம் நல்வழியிலேயே உபயோகப்படுத்தப்படுகின்றதென்பதையும் எவ்வளவு தீவிரமாக ஸ்ரீமதி விஜயலெக்ஷ்மி பண்டிட் ஆதரித்துப் பேசியிருக்கிறார் என்பதை நீங்கள் படித்திருப்பீர்கள், பீஹாரிலும் ஆயுர்வேதத்துக்காக எவ்வளவோ செய்யப்பட்டிருக்கிறது; மேலும் செய்யப்படுகிறது. 12 வருஷ காலமாக சர்க்கார் ஆயுர்வேத பள்ளிக்கூடமென்றும், சர்க்கார் டிப்பியா பள்ளிக்கூடம் என்றும் இரு இந்திய வைத்ய முறைப் பள்ளிக்கூடங்கள் நடந்து வருகின்றன. இதுபோலவே இச்சங்கத் தலைவரான கவி பூஷணம் டாக்டர். P. K. வெங்கடேசம் அவர்கள் பல இடங்களிலும் இவ்வூரிலும் இந்திய வைத்திய அபிவிருத்திக்காக மெட்ராஸ் மெடிகல் அண்டு டெக்னிகல் காலேஜ் என்னும் கல்லூரியை ஏற்படுத்தி நடத்தி வருகிறார்கள்.

இப்பக்கங்களில் இருந்துவரும் ஒரு தப்பான அபிப்பிராயத்தைப்பற்றி ஒரு வார்த்தை நான் சொல்ல விரும்புகிறேன். சித்த வைத்தியர்களுக்கும் ஆயுர்வேதிகளுக்கும் தனிப்பட்ட கோரிக்கைகளிருப்பதாகவும் ஒரு வித்தியாசம் இருப்பதாகத் தெரிகிறது. இந்த பிளவுக்கு ஆதாரமேயில்லை யென்று நான் கருதுகிறேன். ஆயுர்வேதத்தின் உதவியின்றியே சித்த வைத்தியர்கள் தங்கள் வைத்திய முறையை எவ்வளவோ வளர்த்து விட்டார்களென்பது வாஸ்தவம், ஆனால் இதனால் அம்முறை ஆயுர்வேதத்துக்கு எதிரிடையானது என்று அர்த்தமல்ல. ஏனென்றால் சித்தவைத்தியத்தின் வளர்ச்சிக்குக் காரணமாயுள்ள தாதுப்பொருள்களின் வர்க்கம் ஆயுர்வேதத்துக்குப் புறம்பானதல்ல. மருந்துகள் செய்து அருந்த தாதுவர்க்கம், தாவர வர்க்கம், பிராணி வர்க்கத்தைப்பற்றியும் சரகர் ஆராய்ந்து கூறியிருக்கின்றார். ஆயுர்வேத முன்னேற்றத்துக்காக பல திட்டங்கள் பிரசுரிக்கப்பட்டு அவ்வவற்றின் மேன்மைகளை அத்திட்டங்களின் கர்த்தாக்கள் விளக்கியிருக்கின்றனர். சிலர் போதுமான ஆயுர்வேத பாடசாலைகளில்லையென்று கூறுகின்றனர்; சிலர் அதன் வளர்ச்சிக்கு போதிய அளவு இடமில்லை என்று கருதுகின்றனர். உண்மையில் பார்க்கப்போனால் இந்த மாகாணத்துக்கே ஒரே ஒரு ஆயுர்வேத ஆஸ்பத்திரியும், சில மருந்துசாலைகளுமே இருக்கின்றதென்று சொல்லவேண்டும். இதற்காகத்தான் இக்கல்லூரியும் இவ்விடத்தில் (தஞ்சையில்) ஏற்படுத்தப்பட்டிருக்கிறது. என்னுடைய அபிப்பிராயத்தில் வியாதியஸ்தர்களை ஆஸ்பத்திரியில் வைத்துக்கொண்டு சிகிச்சை செய்யக்கூடிய ஆயுர்வேத ஆஸ்பத்திரிகளும், ஆயுர்வேத பாடசாலைகளும் மிகவும் குறைவாயிருக்கின்றனவென்று சொல்வேன். எனவே, ஆரம்பத்தில் சிலவு அதிகமாகத் தோன்றினாலும் நாளாவட்டத்தில் நல்லபலனை அளிக்கக்கூடிய ஒரு திட்டத்தை அனுஷ்டிக்கவேண்டுமென்று நான் விரும்புகிறேன். பாஷாவாரியாக வைத்திய பள்ளிக்கூடங்கள் நிறுவப்படவேண்டும். நம் மாகாணத்தில் தமிழ், தெலுங்கு, மலையாளம், கன்னடம் இவைகள் வழங்கப்பட்டு வருவதால் அந்தந்த பிரதேசத்தின் முக்கிய இடங்களில் வைத்திய பள்ளிக்கூடங்கள் வைக்கவேண்டும். இப்பள்ளிக்கூடங்களை ஒட்டி ஆஸ்பத்திரிகளும் கட்டாயம் நடத்தப்படவேண்டும். சென்னை மாகாணத்தின் தலைநகரமாக விளங்கும் மதராஸில் சகல தேவைகளையும் பூரணமாய் கொண்டிருக்கும் ஆயுர்வேத கல்லூரிக்கு இந்த பள்ளிக்கூடங்கள் ஆதரவும் மாணவர்களையும் அளிக்கக்கூடியனவாயிருக்கவேண்டும்.

மாகாணத்தில் பலபாகங்களிலும் இருக்கின்ற ஔஷதங்களின் எண்ணிக்கை பரவாயில்லையென்றாலும் கிராமத்திலுள்ள வியாதியஸ்தர்களின் உபகாரத்தை முன்னிட்டு அவைகளின் எண்ணிக்கையை அதிகமாக்கலாம். இவ்விஷயத்தில் முயற்சியெடுத்துக்கொள்ளவேண்டியது சர்க்காரும், முனிசிபாலிடிகளுமே. இப்பொழுது இருந்துவரும், ஔஷதசாலைகளும் பல வருடங்களாய் நிவர்த்திக்கப்படாத ஒரு பெருங்குறையால் கஷ்டப்பட்டு வருகின்றன. கவர்ன்மெண்ட் மெடிகல் ஸ்டோர்ஸ டிபார்ட்மெண்டைப் போன்ற மத்திய இந்திய வைத்திய ஸ்டோர்ஸ் ஒன்று இல்லையென்பது சென்ற பல வருடங்களாக எடுத்துக்காட்டப்படும் குறைகளில் ஒன்று.

இன்னொரு முக்கிய யோசனையை நான் சொல்ல விரும்புகிறேன். மாகாண சட்டசபையில் இந்திய வைத்தியத்துக்கு சரியான பிரதிநிதித்துவம் அளிக்கப்படவேண்டும். இப்பிரச்சினையின் அற்ப அம்சத்தையே முதல் உஸ்மான் கமிட்டி தீர்த்து வைத்திருக்கிறது. ஆனால் இத்துடன் மாகாண சட்டசபைகளிலும் ஆயுர்வேத வைத்தியத் தொழிலுக்குப் போதிய பிரதிநிதித்துவம் இருக்கும்படி செய்யவேண்டும். இந்த பிரதிநிதித்துவமில்லாதபடியால் நாம் முன்னேற்றத்துக்காக கரடியாக கத்தினாலும் அது செவிடன் காதில் ஊதிய சங்கு போலவே ஆகும். நமக்கு பிரதிநிதித்துவம் சரியாக இருந்தால் நாம் சட்டரீதியாகப் போராடலாம்.

நான் என் பிரசங்கத்தை முடிக்கும் முன் இப்பொழுது தேசிய வைத்தியத்திற்கு ஏற்பட்டியிருக்கும் ஒரு பெரிய ஆபத்தைபற்றியும் அதற்கு நாம் செய்யவேண்டிய பரிகாரத்தையும் கூற விரும்புகிறேன். ஜில்லாக்களில் உள்ள நம்முடைய சுதேச வைத்தியத்தை ஒன்றுமே அறியாத, ஆங்கில வைத்திய சங்கங்கள் நம் சுதேச வைத்தியத்தின் வளர்ச்சியின்பேரில் பொறாமைகொண்டு இதற்கு ஆதாரமாயிருக்கும் சென்னையிலுள்ள இந்திய வைத்திய கல்லூரியையும் சுதேசவைத்தியர்களின் ரிஜிஸ்ட்ரேஷனையும் ஒழித்துவிடவேண்டுமென்று தீர்மானங்கள் செய்து அதை அரசாங்கத்திற்கு அனுப்பிக்கொண்டு வருகிறார்கள். இம்மாதிரியான விஷமப் பிரசாரத்திற்கு அரசாங்கம் செவி கொடுக்காமலிருப்பதற்காக நாம் பொது மக்களிடம் இந்த விஷயங்களை எல்லாம் தெரிவித்து ஷை தீர்மானங்களுக்கு பொது ஜனங்களின் ஆதரவு இல்லை என்பதை எடுத்துக்காட்டவேண்டும். இதற்காக நாம், ஜனப்பிரதிநிதிகள் அடங்கிய நகர சபைகளிலும் ஜில்லா சபைகளிலும் நம் சுதேச வைத்தியத்திற்கு இருக்கும் ஆதரவையும் அதற்கு தீங்கு நேரிடுமாயின் பொது ஜனங்களுக்குள் உண்டாகும் வெறுப்பையும் மன வருத்தத்தையும் காண்பிக்கும் தீர்மானங்களை நிறைவேற்ற செய்யவேண்டும். பொறுமையுடன் என் பிரசங்கத்தைக் கேட்டுக்கொண்டிருந்ததற்காக மறுபடியும் என் வந்தனத்தைத் தெரிவித்துக்கொள்ளுகிறேன்.

ASST. SECRETARY TO GOVERNMENT
7 - DEC 1943
EDUCATION AND PUBLIC HEALTH DEPT.

GOVERNMENT OF INDIA.

DEPARTMENT OF EDUCATION, HEALTH AND LANDS.

Simla, the 1st December 1943.

PRESS COMMUNIQUE.

The Government of India receive frequent enquiries as to the value and validity of certain degrees and diplomas purporting to be issued through agencies in India by the International University of Delaware (America) the Chartered University of Huron (America), the National University of Calorade, and the Charitable University of Delaware (America)..

Inquiries are being made in the U.S .A. regarding the standing of these institutions. Information has so far been received to the effect that the National University of Calorado is not listed in the official directory of Colleges, Universities, and professional schools published by the U.S. Office of Education, nor does it appear in any list of recognised institutions with which that office is acquainted.

With regard to the "Chartered University of Huron (America)", also known as the "Chartered University of America", the "National University Incorporated" and perhaps other names, the Government of India have been informed that the Federal Trade Commission, Washington, has negotiated a stipulation with this organization to cease and desist from

(a) the use of the words "University" "Medical Council" or "Board of Examinations" and such other words which may tend to create the impression that it is an institution for the promotion of learning in the U.S.A.; and

(b) representing through the issue of diplomas, degrees, or certificate or other documents that the business of the institution is that of conducting an accredited Educational Institution and that they are recognised or accepted by any reputable College or University.

Complete copies of the stipulation are obtainable on application to the Government of India in the Department of Education, Health and Lands and if since the 9th March 1943, this institution has violated any of the provisions contained therein evidence of the fact should be brought to the notice of the Government of India for such further action as may be appropriate.

Investigation is still in progress with regard to the "International University of Delaware (America)". It appears that there is a record of

.. incorporation

incorporation in the state of Delaware of an "International University Corporation of America". It has been ascertained that activities of the International University Corporation of America are being directed from India.

With regard to the legal standing of such Institutions it appears that in a few States in the U.S.A. legal provisions for chartering educational institutions do not preclude correspondence schools from granting degrees, and that the liberal chartering laws of some States permit the existence of correspondence schools whose practices virtually amount to the sale of diplomas and degrees. Nevertheless, degrees granted for work done wholly by correspondence are seldom if ever recognised by accredited Colleges or Universities or by Examining Boards of the different professions in the several States.

The Government of India wish to make it clear that they do not recognise the degrees and diplomas and other certificates or titles granted by the organizations mentioned above for any purpose whatsoever. In view of the fact that large numbers of people in India are likely to be interested in obtaining qualifications from the U.S.A., that will be generally recognised, Government feel it their duty to give the public the above information.

Certain so-called educational concerns are registered in India under the Registration of Societies Act, 1860 (XXI of 1860) and thereby it appears they tend to create the impression that they are authorized to confer educational and professional degrees or diplomas which will be generally recognised. It is therefore stated for the information of the public that the mere fact that an institution is registered in India does not imply any guarantee on the part of the Government that such concerns are so authorised.

My dear Subramaniam, 11678

Ref:- Your D.O. to Hamilton No.30662-C-5-Edn.
dated 26.1.'44.

Preliminary enquiries made by the Crime Branch of the City Police shows that P.K. Venkatesan is a young man of 30 years of age, a native of Pudukkotah State now residing at No.289 Thambu Chetti St., Madras. He is reported to have studied up to the S.S.L.C. class but ~~clai~~ claims to have obtained diplomas (1) in Homeopathy from a Homeopathic Training College, Lucknow (2) in Ayurveda from an Institute in Sialkot (3) in Bio-Chemistry from an Institute in Calcutta and (4) a Ph.D. Degree of the Lahore University. The genuineness of these claims have to be examined.

The sign boards exhibited at his residence read as follows:-

1. Siddha Ayurvedic Pharmacy.
2. Uranian Scientific Astro Palmistry Syndicate.
3. -- Board of Commerce.
4. The Royal University of America.
5. Madras Medical and Technical College.

It is also learnt that Venkatesan is connected with another concern "The United India Benefit Society" which has been registered in November 1943 by the -- Registrar of Joint Stock Companies, Madras. This concern does not appear to have started functioning.

Enquiries show that all these concerns are bogus ones and that Venkatesan has been systematically attempting to cheat the public by false representations. I consider that there are sufficient grounds for registering a case under Sec.420 I.P.C. and investigating it with a view to prosecuting him and his associates.

Yours sincerely,

A case under Section 420 I.P.C was registered against Dr. Venkatesan. His office was searched and accounts relating to the Royal University of America, Madras Medical and Technical College copies of prospectus and correspondence files were seized. The correspondence with students of the Royal University of America was analysed and as most of the parties were in the mufassal they have been addressed. Similar verification has to be made with regard to the 400 ex-students of the Madras Medical and Technical College.

Enquiries have also to be made at Pudukkottah where the two institutions were started and functioned

Alleged Running of Bogus Institution

MADRAS, Sept. 8.—The Crime Branch of the City Police have filed an application before Mr. G. Venkateswaran, Chief Presidency Magistrate, Egmore, today against P. K. Venkatesan (30) of George Town, requesting the Magistrate to issue an order on him asking him to show cause as to why he should not be bound over for good behaviour for a period of two years.

Venkatesan was arrested on April 18 of this year and was released on bail.

It was alleged that between 1937 and 1942, Venkatesan assumed titles of Kavibushana, Doctor of Physiology, B.Sc.A., L.M.S., L.D.Sc., L.C., and other technical degree alleged to have been conferred on him by North Indian organisations, which appeared to be bogus.

In 1938-42, it was alleged, he conducted a bogus institution called the "Madras Medical and Technical College" at Pudukottah and he cheated about 494 persons all over India by obtaining fees and collecting about Rs. 11,000 from them. He is alleged to have imparted no real instruction but awarded diplomas and certificates like B.A., M.A., Kaviraj, etc.

In 1943, the State issued orders to the effect that only recognised institutions should be run there and that this was not one such.

Afterwards, Venkatesan is stated to have come to Madras and started the Royal University of America in Thambu Chetti Street and conferred degrees and represented that degrees and diplomas conferred by him were the equivalent of University degrees. Hence, the police case was that he was a habitual cheat.

All that the Government of India have requested is that inquiries should be instituted regarding the activities of the "Royal University of America" and the result communicated to them. The obvious thing to do is to ask the police to make discreet inquiries as to what this university is doing here. If anything is found out by the police, then the information may be communicated to the Government of India.

I do not think that there is ~~any~~ material on record on which any proceedings of a criminal nature can be taken against V. Sambasiva Iyer. The fact that he called himself "Kaviraj" is not an offence punishable under any law. If he has posed [illegible] as a qualified medical practitioner and thereby deceived or attempted to deceive somebody into seeking his professional help or into parting with money or other valuable property, then action would lie against him.

The 'circular' at pages 5-6 c.f. is not sufficient to sustain a prosecution for an attempt to cheat. The writer stated that he has recommended Venkaji Row (the addressee) for an honorary degree of the "Royal University of America" and that it would be conferred on him on a remittance of Rs.21/-. The writer also stated that he would explain further particulars in person if trainage for his journey to Bangalore were sent to him in advance. This circular is not enough to sustain a prosecution for cheating or an attempt to cheat, for there was no deceit practised or attempted on the person to whom it was addressed though the degree offered was quite worthless.

I suggest that the police may be asked to inquire into the activities of Sambasiva Iyer and of the Registrar of the "Royal University of America" whose address is given in the circular.
