4 I beg to submit that in G.O.No.1833 L.A., dated 8-6-1943 the Government sanctioned Rs.4814-13-0 as additional Toll compensation to this Municipality. As pointed out therein the additional toll compensation is primarily intended for expenditure on roads. In the case of municipal Councils, the Govt. have agreed to consider other proposals for exp. from these grants on their merits. If E & P H are satisfied that exp. from the add'l toll compensation grant is urgently necessary for pulling up school sheds in

question, finance need not object to the proposal of 2. A at K on p. 3 above.

The necessity for additional accommodation has
