Sir,

Sub: Panel of Headmasters - High Schools under local bodies-
amendments to rules.

According to the first sentence of Rule 2 of G.O.Nos.953, Edn., dated 30-6-42, as amended by G.O.No.1236, Edn., dated 21-8-44, the list shall be prepared by the Divisional Inspector of Schools and the District Educational Officer sitting together, or the Inspector as the case may be, in April every year, and furnished confidentially to the President, District Board or the Executive authority of the Municipality before the 1st May. It may not be possible for the Divisional Inspectors of Schools to meet all the Districts Educational Officers in their Division in the month of April and draw up the list. Nor is it desirable to allow the Divisional Inspectors of Schools to hold a conference of all the District Educational Officers in his Division at his headquarters in April every year, as it will involve extra expenditure under Travelling Allowance. But I consider that it will be possible for the Divisional Inspectors to meet the District Educational Officers of the respective Districts in their division during their tours within the four months--January to April of every calendar year and settle the question with them, so as to enable the Divisional Inspectors to furnish the lists to the local body concerned before the 1st May.

I therefore suggest that Govt. may be pleased to issue the following amendment to the rules:-

"In rule 2 of the rules in Notifications I & II of G.O.No.953, Edn., dated 30-6-42, as amended by G.O.No.1236, Edn., dated 21-8-44, for the words "in April", substitute "Within the period of four months--January to April of every calendar year".

Rules - Local bodies - Headmasters and headmistresses of high schools. Appointment.
Procedure - Amendments to rules.

Under rule 2 of the rules relating to the appointment of headmasters of ~~and~~ headmistresses of high schools under local bodies, a list of candidates suitable for employment should be prepared by the ~~brd~~ ^{Trup} of schools and the D.E.O. sitting together in April every year and furnished to the executive authority of the local body concerned before the 1st of May. For the reasons stated in (5), the D.O.I. suggests that the rule may be amended by substituting for the words "in April every year" the words "within the period of four months - July to April of every calendar year". The idea in getting the list prepared in April was that appointments ~~might~~ ^{may} be made from it when the schools reopen in June when vacancies ~~may~~ ^{ordinarily} arise. In view however of the difficulties pointed out by the D.O.I.,

10.2.39

there ^{seems to} ~~may~~ be no objection to having
the list prepared any time between
January and April of every year.

2. A draft order is sent for approval.
It may be sent to Legal for scrutiny.

SO 2.2.45 8/4/45 PL. put up a copy of the rules
as corrected up to date.

A corrected copy of the rules is put
up at (N). Under the modified arrangement,
the idea of the Divisional Prop. & the D.E.O.
sitting together will still be preserved as the
meeting will take place ~~within~~ normally in
the D.E.O.'s jurisdiction. Drafts may be
