2. The variations in the Budget have been explained by the Commissioner in his covering letter.

3. The previous approval of the Director should be obtained for the amalgamation of the Pattalam Girls' School with the Thamaraparamba school.

4. The amounts shown as Collection charges on the receipt side both in the Revised Estimate for 1944-45 and Budget Estimate for 45-46 should be transferred to the expenditure side and shown under "Staff".

5. Revised Estimate 44-45. The credit taken for Government grant under the proviso to Sec.37 of the Act should be raised to Rs.4965/- with reference to G.O.Nos. 616 Edn. dated 21-4-44 and 674 Edn. dated 1-5-44.

6. Expenditure under "Ordinary" is in excess of the sanctioned budget. Sanction of Government should be obtained for the excess expenditure.

7. Budget Estimate for 45-46. The credit taken for Government grant under Section 37 of the Act is liable to revision with reference to the actual amount of education tax realised at the old rate and adjusted to the fund during 1944-45.

8. With reference to para 5 supra, the credit taken for Government grant under the proviso to Sec.37 of the Act may be raised to Rs.4965/-.

9. Pending sanction of Government credit is taken for Rs.738/- under "Government grant for payment of Dearness allowance."

10. Generally the expenditure incurred by local bodies on the provision of mid-day meals to poor pupils studying in elementary school is met from general funds of the local bodies concerned. The provision of Rs.5000/- made for the purpose under "contingencies - other items" may be reduced to Rs.1000/-. In that case the budget will close with a plus balance. Then the question of granting Government subsidy to wipe off the deficit will not arise.

11. Two boys schools are in need of better accommodation. The building of Pattalam Girls' School is unsuitable. Steps should be taken to provide these schools with better and suitable accommodation.

12. All the three girls' schools are in need of some additional equipment.

13. Times scales of pay are adopted. Leave salary and dearness allowance are paid.

Ref. Bl. 6847/44 dated 16th February 1945.

Sir,

BUDGET - COCHIN MUNICIPAL COUNCIL -
Elementary Education Fund - 1945 - 46 - Submitted.

The Revised Estimate for 1944 - 45 and the Budget Estimate for 1945 - 46 under Elementary Education account of this Council, is submitted herewith in duplicate together with the necessary enclosures. ~~Summary Establishment Statement.~~

2. The Revised Estimate for 1944 - 1945 opens with a balance of Rs. 4675/- and closes with a balance of Rs. 1437/-. The expenditure according to the Revised Estimate for 1944 - 45 has increased due to the bifurcation of certain classes in some schools, grant of Dearness Allowance to the employees at Government rates and the going on leave of some teachers necessitating appointment of substitutes.

Budget Estimate for 1945 - 46.

The Budget opens with Rs. 1437/- only. The receipt under ordinary is anticipated to be Rs. 46452/- including Government grants and the contribution of Rs. 10800/- from the general funds but excluding Rs. 4000/- transferred to capital. The main proposals for 1945 - 46 are as follows:-

a) closing down of the Pattalom Girls' school and amalgamating it with the Thamaraparamba school. The site of the Pattalom Girls' school is quite unsuited for the purpose due to its proximity to the slaughter house and markets and for want of space for providing an extension to the school or for providing a play ground or garden. The Educational Authorities have also condemned the site of this school. It is therefore proposed to close down this school and amalgamate it with the Thamaraparamba school. This measure is expected to bring in a saving of Rs. 1500/- a year as it is presumed that 4 posts of teachers can be abolished.

b) The amalgamation of this school with the Thamaraparamba school is bound to increase the strength in the latter school necessitating increased accommodation. A sum of Rs. 4000/- is therefore provided under capital expenditure for the construction of an additional wing to the Thamaraparamba school building.

c) Providing mid-day meals for the poor students. The children attending the Municipal schools are mostly very poor. Many of them are underfed and ill-nourished. It is therefore proposed to provide mid-day meals to very deserving children. A sum of Rs. 4000/- is provided in the Budget for this purpose. By providing this sum the budget closes with a deficit of Rs. 2131/- and the council has decided to approach the Government with a request to meet this deficit by way of grant. As the purpose is very noble I request the Government may be pleased to approve of the Council's proposal and kindly sanction the grant applied for. The Council has formed a Committee to formulate a scheme for the supply of mid-day meals to the students.

d) Provision of Rs. 400/- under House Rent. A downward trend

BUDGET - COCHIN MUNICIPAL COUNCIL - 1945 - 46 - Submitted.

The Revised Estimate for 1945 - 46 and the Budget Estimate for 1945 - 46 under elementary education account of this Council, is submitted herewith in duplicate together with the necessary enclosures Summary Statement.

2. The Revised Estimate for 1945 - 46 opens with a balance of Rs. 4875/- and closes with a balance of Rs. 1487/- The expenditure according to the Revised Estimate for 1945 - 46 has increased due to the provision of certain classes in some schools, grant of Dearness Allowance to the employees of Government rates and the going on leave of some teachers necessitating appointment of substitutes.

Budget Estimate for 1945 - 46.

The Budget opens with Rs. 1487/- only. The receipt under ordinary is anticipated to be Rs. 4000/- including Government Grants and the contribution of Rs. 1000/- from the general funds but excluding Rs. 4000/- transferred to capital. The main proposals for 1945 - 46 are as follows:-

(a) Closing down of the Pattanam Girls' school and amalgamating it with the Thamparapada school. The site of the Pattanam Girls' school is quite unsuitable for the purpose due to its proximity to the slaughter house and markets and not want of space for providing an extension to the school or for providing a play ground or garden. The Educational Authorities have also condemned the site of this school. It is therefore proposed to close down this school and amalgamate it with the Thamparapada school. This measure is expected to bring in a saving of Rs. 1500/- a year as it is presumed that 4 posts of teachers can be abolished.

(b) The amalgamation of this school with the Thamparapada school is bound to increase the strength in the latter school necessitating increased accommodation. A sum of Rs. 4000/- is therefore provided under capital expenditure for the construction of an additional wing to the Thamparapada school building.

(c) Providing mid-day meals for the poor students. The children attending the municipal schools are mostly very poor. Many of them are underfed and ill-nourished. It is therefore proposed to provide mid-day meals to very deserving children. A sum of Rs. 4000/- is provided in the Budget for this purpose. By providing this sum the budget closes with a deficit of Rs. 2131/- and the Council has decided to approach the Government with a request to meet this deficit by way of grant. As the purpose is very noble I request the Government may be pleased to approve of the Council's proposal and kindly sanction the grant applied for. The Council has formed a Committee to formulate a scheme for the supply of mid-day meals to the students.

(d) Provision of Rs. 400/- under House Rent. A downward trend

in the rent position in this town is being noticed. It is hoped that the rent for the buildings in which part of the Edward Memorial H. E. School is located may come to only about Rs. 400/- next year.

e) Contingencies - Other items. Out of Rs. 5000/- provided under this head Rs. 4000/- is for providing mid-day meals to children (vide para c above). The remaining Rs. 1000/- is for paying fixed contingency at as 6/- per mensem per class to the Head teachers, paying the rent of the sites of the Pathayathode and St. John Pattom schools for supplying free books and slates to poor children and also for meeting any other ~~unforeseen~~ petty items of contingent expenditure.

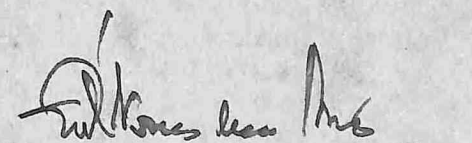

f) Equipments. Provision of Rs. 150/- has been made for the purchase of science apparatus for the Muslim Higher Elementary schools and Rs. 50/- for the purchase of maps and reference books.

3. The provision made in the Budget in regard to staff and equipment is based on the actual requirements of the schools and with reference to the recommendations of the Inspecting Officers.

4. The Educational Authorities had recommended the shifting of Pathayathode and St. John Pattom schools to better sites. Due to the non-availability of better sites and want of sufficient funds for acquiring better sites the Council has decided that the question may be postponed for the duration of the war.

5. Extracts from the proceedings of the Budget and Finance Committee and the copy of Council resolution passing the Budget are enclosed.

6. I submit that all the proposals in the budget may be approved and the Budget as passed by the Council sanctioned.

Proceedings of the Budget and Finance Committee passed at its meeting held on Thursday the 18th January 1945 at 10 A.M. in the Municipal Hall, Cochin. The proposal of the Commissioner for the year 1945-46 is commended by the Council. The very poor state of the Council is suggested by the Commissioner and to give Budget Estimate of the Council for 1945-46. The draft budget prepared by the Commissioner is approved.

The provision for the expenditure in respect of the following items should be given below:

1) Public Health. Because of the poor financial position of the Council, provision for the construction of only one new latrine at a cost of Rs. 2000/- need be made for the budget year 1945-46. The question of constructing another new latrine can be taken up in 1946-47. Provision of Rs. 1300/- suggested by the Commissioner for the purchase of scavenging carts etc approved. No new rubbish cart need be purchased as we have recently purchased 3 new carts. The carts in disrepair can be repaired and if all these will not suffice for the removal of the rubbish the municipal lorry can also be utilised for the purpose.

2) The necessity for constructing an additional wing to the Library is real. Provision of Rs. 2500/- may be made for this.

3) The shifting of the radio to a better site is also quite necessary. Provision of Rs. 400/- may be made for this.

4) Construction of an additional room in the Girls' Secondary school at a cost of Rs. 500/- approved.

5) The suggestion of the Commissioner to utilize the capital receipt of Rs. 12000/- for shelcreting roads is accepted. The Amarapathy road from Manthra bridge to the Aspinwall buildings may be shelcreted. The Commissioner states that about Rs. 30000/- may be required for the purpose. Over and above Rs. 12000/- referred to above another sum of Rs. 3000/- may be contributed from ordinary receipts (thus making a total of Rs. 15000/-) and as suggested the Government may be requested to give the balance of Rs. 15000 as grant.

Provision of Rs. 200/- for widening a footpath in Vypin approved. As the budget will close only with a balance of Rs. 2648/- and as the balance required is Rs. 6590/- the Government may be approached for permission to suspend the payment in 1945-46 of 2 of the usual contribution of Rs. 10000/- to the Water Supply and Drainage Account.

6) Elementary Education. Considered the proposal of the Educational Authorities to shift the Pathayathode and St. John Patton schools to better sites. Due to the non-availability of better sites and want of sufficient funds to acquire better sites etc the Committee suggests that this may be postponed for the duration of the war.

7) The Pattalom Girls' School may be abolished as its site is quite unsuited for a school. It may be amalgamated with the Thamaraparamba school. The supernumery posts of teachers may be abolished.

8) The strength in the Thamaraparamba school is bound to increase by the abolition of the Pattalom Girls' School and provision of Rs. 4000/- may be made for constructing an additional wing to that school building.

Proceedings of the Budget and Finance Committee passed at the meeting held on Thursday the 10th January 1945 at 10 A.M. in the Municipal Council Chamber.

9) The proposal of the Commissioner to provide mid-day meals to the very poor students of Municipal schools is commended to the Council. As suggested by the Commissioner Rs. 4000/- may be provided for this purpose and the Government requested to give as contribution the deficit of Rs. 2131/- caused in the Elementary Education Budget by making this provision.

10) From Calvetti Canal Fund Rs. 1000/- may be provided for the clearance of silt from the canal. The Government should be given Rs. 500/- for the same.

11) Provision for the Town Planning Staff should be made only for 6 months on the whole (1944-45 and 1945-46 together). The cost of Rs. 2000/- need be made for the budget year 1945-46. The Commissioner suggested that the provision of Rs. 1300/- suggested by the Commissioner for the purchase of scavenging carts etc. approved. No new rubbish cart need be purchased as we have recently purchased 3 new carts. The carts in the Municipal Corporation can also be utilised for the removal of rubbish from the Municipal Corporation for the purpose.

12) The necessity for an additional wing to the library is met. Provision of Rs. 2800/- may be made for this.

13) The provision of the radio to a better state is also a definite necessity. The provision of Rs. 400/- may be made for this.

14) The provision of an additional wing to the library is met. Provision of Rs. 2800/- may be made for this.

15) The suggestion of the Commissioner to utilize the capital receipt of Rs. 12000/- for sheltering roads is accepted. The Amrapali road from the bridge to the Aspinwall buildings may be sheltered. The Commissioner states that about Rs. 30000/- may be required for the purpose. Over and above Rs. 12000/- referred to above another sum of Rs. 3000/- may be contributed from ordinary receipts (this making a total of Rs. 15000/-) and as suggested the Government may be requested to give the balance of Rs. 15000 as grant.

16) Provision of Rs. 200/- for widening a footpath in Vypin approved. As the budget will close only with a balance of Rs. 2648/- and as the balance required is Rs. 6830/- the Government may be approached for permission to suspend the payment in 1945-46 of 2% of the usual contribution of Rs. 10000/- to the water supply and drainage account.

17) The suggestion of the Commissioner to shelter the road from the bridge to the Aspinwall buildings may be sheltered. The Commissioner states that about Rs. 30000/- may be required for the purpose. Over and above Rs. 12000/- referred to above another sum of Rs. 3000/- may be contributed from ordinary receipts (this making a total of Rs. 15000/-) and as suggested the Government may be requested to give the balance of Rs. 15000 as grant.

18) The suggestion of the Commissioner to shelter the road from the bridge to the Aspinwall buildings may be sheltered. The Commissioner states that about Rs. 30000/- may be required for the purpose. Over and above Rs. 12000/- referred to above another sum of Rs. 3000/- may be contributed from ordinary receipts (this making a total of Rs. 15000/-) and as suggested the Government may be requested to give the balance of Rs. 15000 as grant.

Cochin

Crn 8249/45. From the D.P.D. Ref. no 106 B3/44-45, 24-24

Asr

The credits taken for govt grants both in the R.E.
1944-45 and the B.E. for 1945-46 of the E.S. Fund
under the control of the Cochin M.C. require modifica-
as indicated in the draft order below.

2. The B.E. for 1945-46 as framed by the
Council is expected to close with a balance of Rs 1487
after providing for an expenditure of Rs 4,000 on
the provision of midday meals and for a capital
expenditure of Rs 4000 from ordinary receipts for
the construction of an additional building for the
Ithamparamba School. If the credits taken for govt
grants are altered, the budget will close with a
large deficit. In order to balance the budget, it

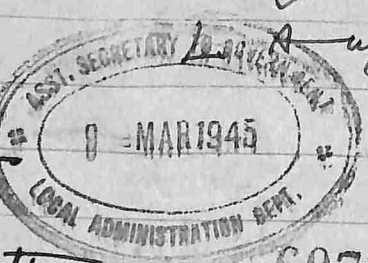

is necessary to omit the provision made for midday meals as suggested by the S.P.D. in para 10 of his Ltr on p. 14 and for capital expenditure from ordinary receipts as suggested by L.A. in their note on the R.E. for 1945-46. - Extracted at (K) General Account. Even after cutting down the expenditure as suggested, the budget will close with a deficit of Rs 545. The Council has already enhanced the rate of Son tax from 1-9-44 and the total rate of property tax inclusive of Son tax in 1945-46 will be the maximum for a mty of this type. The Council may therefore be directed to enhance the credit taken for contribution from the General Account by Rs 550. The Council can afford to do so - vide extract of L.A. note at (K). The draft order may be sent to L.A. for acceptance or remarks.

* The total rate of the property tax will be 15-1-46. The total rate of the property tax will be 15-1-46.

In para 2 (iii) of the draft order it is proposed to ask the Council to delete the credit taken ^{in the R.E. for 1944-45} for a subsidy of Rs 738 towards the payment of the dearness allowance to the E.S. staff. This will necessitate the refund of the subsidy drawn by the Council in 1944-45. The attention of the E.P. Dept may be drawn to the note of this Dept on the question of ^{recovering} the refund of the ^{for dearness allowance} subsidy drawn in 1944-45, sent to that Dept with this Dept no. 5774-1 Ltr of 7.3.45. If ~~the~~ ^{it} is decided not to recover the dearness allowance grants drawn by ml. cls. in 1944-45 in the file referred at '1' on p 3 ante it may not be necessary for the Hl. to enhance the contribution ~~to Rs 1135~~ in the B.E. for 1945-46 to Rs 11350 as proposed in the draft.

In the file referred to at Mon p 3 ante, it has been ^{Exp H(B)} ~~proposed~~ decided that the question of recovery of the subsidy paid in 1944-45 towards dearness allowance may be examined in 1945-46 after the actual closing balance for the current year is known. Should forward to the head of the department, intimating whether he wishes to reply thereto or not, and if he proposes to send a reply submitting a copy of the proposed reply—

(a) in case the proceedings threatened are civil proceedings, to the head of his department; and

(b) in case the proceedings threatened are criminal proceedings, to the head of his department if he is serving in Madras City, and to the District Magistrate if he is serving in the mufassal.

3. The head of the department or the District Magistrate, as the case may be, should examine the case and the draft reply, if one is proposed to be sent, and give the officer such directions and make such changes in the draft reply as he may consider necessary. In doubtful cases, a reference should be made to the Government. A reply should be sent in the form in which it is approved or required to be sent by the head of the department, District Magistrate or Government, as the case may be.

4. Any failure on the part of a public officer to comply with the provisions of rule 2 or of rule 3 will be viewed as a breach of discipline and will also render him ineligible for legal assistance from the Government if proceedings are actually instituted against him.

5. The question of defending at the public expense a public officer who has received a communication containing a threat of legal proceedings against him need not ordinarily be taken up until the proceedings have been actually instituted. If, however, the head of the department or the District Magistrate, as the case may be, considers that proceedings are likely to be instituted against the public officer, he may examine the question as soon as he receives a copy of the communication referred to in rule 2."

II. Rule 9 shall be omitted and rules 2 to 8 and rules 10 to 13 shall be re-numbered as rules 6 to 12 and rules 13 to 16, respectively.
