Submitted.

2. The budget is explained by the Commissioner in his note to the Council and covering letter to the budget (copies enclosed).
3. Revised Estimate for 1944-45. The credit taken for Government grant under Section 37 of the Act should be raised to Rs.9711/- with reference to G.O.No.Ms.1708 Education dated 13-11-1944.

4. Credit is taken for a sum of Rs.2500/- under "Capital" and the same amount is provided under "Capital - expenditure on furniture and apparatus". Sanction of Government seems necessary for both the receipts and expenditure for this amount as this item was not approved in the original estimate.

5. Budget Estimate for 1945-46. The credit taken for Government grant under Section 37 of the Act is liable to revision with reference to the amount of education tax realised at the rate, which was in force before the amendment of the Elementary Education Act, and adjusted to the fund during 1944-45.

6. The expenditure is in excess of the receipts and so the budget closes with a deficit. The payment of a Government subsidy of Rs.1670/- to wipe out the deficit may favourably be considered by Government.

7. The ~~estimate~~ establishment schedule has not been sent.

8. The accommodation provided for 1 boys' school is inadequate and unsuitable and that of 4 girls' schools is inadequate. Steps should be taken to rectify these defects at an early date.

9. The proposed additional teachers should be appointed in consultation with the Inspecting officers. The Municipal Muslim boys' school is in need of an additional Secondary Grade teacher.

of Public Instruction, Madras.

I beg to submit herewith a statement in duplicate showing
the revised estimate for 1944-45, and the budget estimate for
1945-46 in regard to the Elementary Education Fund of this Muni-
cipality. I submit in duplicate herein a copy of my detailed
note dated 7-12-1944 placed before the Municipal Council,
explaining the general outlook of the financial position which
may be kindly read as a part of this letter.

2. A copy of the Council's resolution No.28 dated 14-12-1944
approving the budget as per proposal contained in my note referred
to in para 1 supra in respect of the working balance at the end
of the budget year is submitted herewith.

The statement containing particulars required under note
to appendix 12 of the Elementary Education Rules regarding the
number of schools, particulars of staff now employed and to

The marked variation between the Revised Estimate and the

G.O.No.179 L.A., dated 29-1-44 and at the enhanced rate i.e.
at Rs.13-0-0 and Rs.10-0-0 from 1-6-44 as sanctioned in Government
Memorandum No.9328-2-A L.A., dated 28-4-44 and G.O.No.1593 L.A.
dated 18-7-1944. The estimated cost of Dearness allowance in 1944-45
and 1945-46 will be Rs.11110 and 12000 respectively.

The details for the provision made in 1945-46 budget are

Note for the Council:-

Ref: Elementary Education Fund - Budget 1945-46 and Revised Estimate 1944-45.

The revised estimate for 1944-45 and the budget estimate for the next year 1945-46 are prepared and submitted to the Council for consideration and adoption.

Revised budget 1944-45.

(2) While preparing the budget for the current year 1944-45, the Council expected that the year would close with a deficit of Rs.8,056 mostly on account of the payment of dearness allowance. The aggregate amount that was debitable to the Elementary Education Account (both in 1943-44 Rs.7880 and in 1944-45 Rs.10,670) came to Rs.18,550 under this new head of expenditure (Dearness allowance)

(3) We therefore requested Government, while submitting the budget early in March, 1944- to sanction a compensation grant of Rs.12,000 with a view to enable the Municipal Council to meet the cost of this emergent liability for payment of Dearness allowance to the staff.

(4) But the Government while passing orders in G.O.No.481 Edn.(Mis) dated 29-3-44 had directed the Municipal Council to further raise the rate of Education tax i.e. from 2 to 3% on the annual value of properties from 1-4-44 and thus avert the deficit. It was recently so increased from 1 1/2 to 2% from 1942-43; and now, the tax was accordingly increased again to 3% from 1944-45. Thus in the course of 2 years' period the Education tax alone underwent enhancement twice first from 1 1/2 to 2% from 1942-43 and again from 2 to 3% from 1944-45.

(5) It may be noted that, by the order of Government involving a direction to raise the Education tax by 1% the deficit of Rs.8056 was converted into a surplus closing balance of Rs.29 on 31-3-45 as revised by them.

(6) But the year 1944-45 actually opened with a cash balance of Rs.7566 on 1-4-44 as against Rs.3,679 anticipated. The increase

in the opening balance by about Rs.4000 was due to the non-utilization in full of the allotments made in 1943-44 on the Expenditure side chiefly for furniture supply and repairs to buildings.

(7) The year 1944-45 as per Revised Estimate now prepared is expected to have a total receipt of Rs.55,208 as against Rs.51,570 according to the budget. The chief contributory factors for the rise in revenue are due to the transfer of a sum of Rs.2500 (General Fund against additional Toll compensation) to Elementary Education Capital Account for supply of furniture to Elementary Schools, and to the payment of a compensation grant of Rs.1384 sanctioned by Government for payment of Dearness allowance to staff.

The total receipts for 1944-45 including the opening balance of Rs.7,566 are estimated to reach Rs.62,774.

Against this amount, the expenditure both under ordinary and Capital accounts would come to Rs.56,640 as against Rs.55,220 in the budget leaving therefore a cash balance of Rs.6,134 on 31-3-45 compared with a sum of Rs.29/- as per budget sanctioned by Government.

Budget 1945-46.
(8) The budget is expected to open with a cash balance of Rs.6134. The Total ordinary receipts including a 3% education tax will come to Rs.50,086 as against Rs.52,208 in 1944-45. The fall in income is only apparent as it is proposed to transfer a sum of Rs.1500/- from the ordinary account to the capital for provision of latrines, urinals etc. to some of the schools.

The ordinary total expenditure in the budget year 1945-46 amounts to Rs.57,890 as against Rs.53,640 in 1944-45. The increase is mainly under "Staff"; which head alone accounts for an increased charge of over Rs.3000/-. Additional amount is provided under rent contingencies and equipment renewals in order to meet increased cost of things.

(9) The budget 1945-46 is therefore expected to close with p.t.o.

6
: 4 :

a deficit of Rs.1670 on 31-3-46. The Government may be requested to sanction a compensation grant for wiping off this deficit of Rs.1670 and for the maintenance of a working balance of Rs.2580 (total Rs.4250) at 5% of the normal ordinary receipts of Rs.51,586 for 1945-46.

The decision of the Council is solicited for adoption of the budget 1945-46.

the L.A. Dept. to pay local bodies arrears of toll compensation to enable them to pay dearness allowance to their staff. L.A. may be requested to say whether the Council may be asked to contribute an additional sum of Rs. 500, from out of the arrears of toll compensation expected, to enable it to ^{avoid} ~~pay~~ off the deficit in the budget. If this is done, it will not be necessary to comply with the request of the Council to sanction a subsidy towards the cost of dearness allowance ^{for Provincial Governments} on p. 4 of.

J.S. 1/5
2.3.45

The M.C., Sindigul was granted a subsidy of Rs. 1,384 towards the payment of dearness allowance in 44-45 on the presumption that the E.E. fund ^{will} close with a nil balance at the end of ^{the} year. As the R.E. for 44-45 is now expected to close with a balance of Rs. 6,186, the d. should be asked to refund the subsidy of Rs. 1,384 granted to it. ^{by the Council in this case} Consequently, the deficit B.E. for 45-46 will close with a deficit of Rs. 2,802. If however, the proposal to allow local bodies the benefit of equivalent contributions up to a maximum of 1 1/2 p.c. is approved, the deficit will be reduced to Rs. 2,150. L.A. may be requested to say whether the contribution from g. funds can be increased by Rs. 2,150 to avoid a deficit in the E.E. fund budget.
