Elementary Education Fund - Budget Estimate for 1945-46 - Municipal council, Chidambaram. 59309

Submitted.

2. Revised Estimate for 1944-45:- It is not clear what the credit of Rs.34/- taken under "Capital - Government grant" represents. The Government subsidy paid for the construction of a school building at Malaikottai street was Rs.1,240/- vide G.O.No.Ms.834 Edn., dated 30th May 1944.

3. The expenditure under "Ordinary" is in excess of the sanctioned budget. The reasons for the excess are given by the Commissioner in his explanation for marked variations. Sanction of Government is necessary for the excess expenditure.

4. Budget Estimate for 1945-46:- The dearness allowance in respect of 6 Constructresses and 2 Ayahs is included in the provision made under "Salaries and allowances - Masters." It should be included under "Contingencies - Other items." So the provision made under "Masters" may be reduced by Rs.960/- and that of "Contingencies - Other items" may be raised by Rs.960/-.

5. The expenditure is in excess of the receipts and as such the budget closes with a minus balance.

6. The additional teachers proposed should be appointed in consultation with the Inspecting officers.

7. The accommodation provided for the Higher elementary school is inadequate. It is urgently in need of extension. Steps should be taken to rectify this defect without further delay.

8. The equipment supplied to the boys' schools needs improvement. All girls' schools are in need of maps for the teaching of Geography. Provision may be made under "Equipment."

9. Timescales of pay are adopted. Dearness allowance are paid.

Sir,

Sub:- BUDGET -Municipal Council-Chidambaram-Elementary Educa-
-tion fund-Accounts 1945-46- Submitted.

pps-bw I submit herewith in duplicate the Revised Budget Estimate for
1944-45 and the Budget Estimate for 1945-46 of the Elementary
Education fund accounts of the Chidambaram Municipality duly passed
by the Municipal Council Chidambaram in its resolution No.357 dated
24-11-1944 (copy enclosed)

The Budget for 1945-46 closes with a deficit of Rs 6640. As
the financial position under General fund is not also sound it is
not possible to contribute more to the Elementary Education fund.
Provisions for expenditures which are quite essential and urgent
alone have been made under Miscellaneous expenditure. I request
that the Government may be pleased to sanction a subsidy to cover
the deficit of Rs 6640/- in 1945-46.

There is deviation in the Budget sanctioned for 1944-45 and the
revised estimate now submitted. I am submitting herewith a state-
-ment showing the provisions made in the Budget Estimate and
Revised estimate separately. I request that the provisions made
in the revised estimate may also be kindly approved.

B.E. - 1945-46 - E.E. fund - M.C. Chidambaram.
A/44 From the D.P.I., R.O.P. No. 67. B3/44-45, 2/18.12.44.

The R.E. for 1944-45 and the B.E. for 45-46 of the E.E. fund of the M.C. Chidambaram call for the following remarks.

R.E. for 1944-45.

1/ Receipts - "Capital". Govt grant.

The subsidy paid by Govt for the construction of a school building at Malai-katti Street was Rs 1,240. But in the R.E., credit has been taken for a sum of Rs 34, under "Capital Receipts - Govt. grant" and for a sum of Rs 1,206 under "Receipts - Ordinary - Advances Recovered". This is presumably because a sum of Rs 1,206-4-0 was actually transferred from "Receipts - Ordinary" to "Receipts - Capital" to meet the capital expenditure in 1943-44.

Expenditure - Ordinary - Repairs to buildings. The provision under this head has been increased from Rs 500 to Rs 1,700. As it is stated that the school buildings require immediate repairs, the provision may be allowed to stand.

The total ordinary expenditure is Rs 29,050 as against Rs 25,826 in the sanctioned budget. The variation has been explained by the Council. The Council may be asked to obtain the sanction of Govt for the excess expenditure with reference to the actuals. may be sanctioned.

2/ B.E. for 1945-46.

(i) The suggestion of the D.P.I. in para 4 of his endorsement may be accepted.

(ii) A sum of Rs 2500 has been provided for repairs to buildings. As the school buildings are required to require immediate repairs, the provision may be allowed to stand.

The B.E. as framed by the Council is expected to close with a minus balance of Rs 6,640. The total cost of dearness allowances is Rs 7,210.

Education tax is being levied in (iii) The Council has provided for a contribution of Rs 9680/ against Rs 10,230/ approved in the sanctioned budget for 1942-43. The Council may be asked to

L.A. Department.

already
As/stated by this Department in several Budget

files, the additional grant under section 37 of the Madras Elementary Education Act, 1920 which local bodies will get in 1945-46 under the Part II Scheme for that year should be taken into account in calculating the additional contribution necessary from the General to the Elementary Education Fund in 1945-46 to avoid a deficit in the latter Fund. On this basis, the total contribution necessary from the General Fund of this Council in 1945-46 to avoid a deficit in its Elementary Education Fund is only Rs.12,600. This Department may accordingly agree to the Council being asked to make a contribution of Rs.12,600 to the E.E. Fund for 1945-46. No further contribution is necessary or can be agreed to. If the above contribution is paid, no grant will be necessary to this Council in 1945-46 towards payment of dearness allowance.

The contribution to this can not be budgeted for 1945-46 then close with a deficit of Rs 6090. Against this deficit it is to be noted that the Council has made provision for Rs 7210 for payment of dearness allowance to its staff. (10) Education tax is levied in a Municipality ~~at a rate of 1% p.a. on property rentals~~ with effect from 4.4.44 at 1% p.a. on property rentals. The total rate of taxation is 20% which is the maximum rate upto which the rate of tax can be raised in a Mpty of this type. There is therefore no scope for increasing the rate of Education tax.

The total rate that will be levied in 1945-46 will be 21%

(i) There is a proposal to allow the local bodies the benefit of Govt grant under section 37 of the E.E. Act up to a maximum of 1 1/2 %. It is coming forward as a Part II Scheme. If the proposal is approved, the Council will get an ^{equivalent of} contribution of Rs 3,720. However, no credit can be taken for any amount under this head until a final decision is reached on the proposal.

(ii) There is also a proposal to pay local bodies the arrears of toll compensation to meet the expenditure on payment of the dearness allowance. The contribution from General funds provided for in the B.E. for 45-46 ~~is only Rs 9,680~~ against the contribution of Rs. 10,540 (Rs 10,230 ordinary + Rs 340 Capital) is due to the provision for payment of dearness allowance at rates admissible to the staff. L.A. may be requested to state what additional amount can be contributed from the General funds from out of the arrears of toll compensation expected to meet the deficit in the E.E. fund budget. If the contribution from gl. funds proposed to be sanctioned will not be sufficient to meet the deficit, a grant from Provincial funds will have to be sanctioned to the extent necessary.

Please see E & P.H. Department's note on p. 3 above.

It is submitted that this Department has stated in the file relating to the E.E. Fund Budget of the Mannargudi Municipal Council, that provisional credit for the Government contribution provided for under the Part II scheme referred to at "X" on p.2 above cannot be allowed. (There seems to be no serious objection to an order being passed on the E.E. Fund Budget, even though there will be a deficit of Rs.3,720, as this deficit ~~as~~ will be wiped off with the aid of the Government contribution referred to above.)

1. The Council was granted a subsidy of Rs 1,805 towards the payment of dearness allowance in 44-45 on the presumption that the E.E. fund will close with a nil balance at the end of that year. As the R.E. for 44-45 is however expected to close with a balance of Rs. 580, the cl. may be asked to refund to Govt. this sum. If this is done ~~and if the suggestion of R.A. to restrict the contribution from gl funds to Rs 12,600 is accepted, the R.E. for 45-46 will close with a deficit of Rs 4,200. This deficit will be reduced by Rs. 580, if the proposal referred to in para 2 (v) on p 2 ante is finally approved. This deficit has to be made good by a further contribution of Rs 580 from gl funds. The cl. may be asked the contribution from gl funds to Rs 13,180, and orders passed on the budget leaving for the present a deficit of Rs 3,720.~~ ~~There will still be a deficit of Rs 580~~
