NOTE FOR THE BUDGET COMMITTEE.

The budget estimate of the Villupuram Municipality as revised by Government in G.O. No. Ms. 162 Dated 26-1-44 closes with a balance of Rs.2922.

The revised estimate as now prepared for 1944-45 is expected to clo with a balance of Rs.16023. The reason for the increase is due to the fac that the Government sanctioned Rs.5980 towards the payment of Dearness Allo ance and a further sum of Rs.1128 has also been sanctioned from the Additi Toll compensation for 1944-45 for the above purpose. A sum of Rs.2180 bei the undrawn balance amount of Toll compensation amount of 1943-44 has been ~~ofx1943x43~~ sanctioned for the utilisation towards the maintenance of Trunk Road during 1944-45. So also a sum of Rs.2510 being the remaining balance of the additional Tax Compensation amount of 1943-44 is taken credit under Secondary Education for the utilisation of the construction of 5 class room in the Municipal High School. The matter is under correspondence with the Director of Public Instruction and the Government. Further an increase of Rs.3000 is expected under Property Tax due to enhancement of property Ta and another Rs.3000 under Scavenging Tax.

A sum of Rs.4580 has been provided in the Revised Estimate for the construction of class rooms in the Municipal High school and for the supply of furniture. Rs.3300 has to be provided as contribution from general acco to B.Lighting Account as per the suggestions of the Deputy Inspector of Municipal Councils, as the anticipated income under the Account is only Rs. 308 for 1944-45 and Rs.3200 during 1945-46. The anticipated expenditure is Rs.6360 for 1944-45 and Rs.6350 in 1945-46. The expenditure is therefore twice the receipts under this head. The committee is therefore requested to raise the present rate of lighting tax from 1% to 2% per year to balance the budget under this head without going into General Account for contribution.

In the Budget Estimate for 1945-46, Rs.1000 has been taken credit over and above the revised estimate figure of 1944-45 as the quinquennial revis of property tax to take place this year and so also Rs. 400 in Scavenging Tax. As per the recommendations and suggestions of the Deputy Inspector of Municipal Councils, the Licence fees and the Animals and Vehicles Taxes have to be increased and credit also has been taken in the Budget as per his suggestions. The Committee is requested to go through the schedule of license fees and make arrangements to increase the rate considering the poor finances of the Municipality and the corresponding ~~revised~~ increased expenditure.

Under expenditure side provision has been made for an additional clerk for the office as the same is considered necessary in view of the increased work in all branches of the office. Provision has also been made for the appointment of one Physical Training Instructress in the Municipal High School as per the recommendations of the District Educationa Officer.

Under Public Health "Malaria" the posts of 2 maistries have to be abolished and in their place a post of Sanitary Inspector has to be created as per the recommendations of the Municipal Health Officer to carry on Anti-Mosquito scheme vigorously.

Private Scavenging: Provision for 4 additional thotties have be made under this item as per the recommendations of the Municipal Healt Officer in connection with the Kolianoor channel Scheme.

Land Development: Provision has been made for 2/3rd contribution for the appointment of one Town Surveyor and 2 Chain Men as it is a long pending item. The Council also deferred the same for 1945-46 Budget at the time of preparation of the Budget for 1944-45.

Town Planning: Provision of Rs.2470 has been made under this iten for the employment of Town Planning Staff as per the circular of the Ins pector of Municipal Councils, Madras.

Capital: Rs.500 has been provided under management for providin rooms in the office compound and keeping stores of the P.W.D. which a in Tate Park Buildings, as the same is going to be utilised for sion of 3 beds for maternity purposes. Rs.1500 is also provide is purpose for the construction of tiled verandah between the t gs and for the Rs.2000 has been provided tion of on separate Radio Room and a retiring room for girls as per the recommendation of the District Educational Officer. Rs.5500 has been provided under Preventive Medicine for the purchase of Conservancy Bulls Purchase of new Rubbish and and Night Soil carts and construction of bildings in Night soil Depot and other places. Rs. 2000 has been provided under markets for the construction of pucca building in the present market in the place of thatched sheds as per the inspection report of the Deputy Inspector of Local Boards. Rs.1000 under cart stands and Rs.1000 under slaughter houses have also been provided. Thus the total capital expenditure comes to Rs.~~500~~ 1450. The Budget for 1945-46 is expected to close with a minus balance of Rs.7727 in spite of small provision of Rs.5600 to Elementary Education Account which is expected to close with a minus balance of Rs.6760 as Dearness Allowance has been provided with the existing rates. The Government will have to be addressed to meet the entire Dearness Allowance of Elementary Education Staff from ~~General~~ Government Funds. The Government granted a contribution of Rs.4620 in the current year for this purpose and for the next year also theGovernment may be requested to meet the entire expenditure amounting to Rs.6580 including peons and conductresses whose pay is debtable to contingencies.

Under Secondary Education Rs.500/- is deleted as the construction of a radio room is proposed to be made in the newly proposed park.

12. Provision of Rs.1000/- made under slaughter house may be deleted

13. Rs.3200/- may be provided from general account to B.lighting account as contribution.

14. Rs.5600/- may be provided to the C.Elementary Education account from geneal account. As the Committee xx finds it difficult to provide more funds from general funds on account of the slender resources of the council and also to balance the budget, the entire amount towards the payment of dearness allowances for the Elementary staff may be borne by the Government.

As xxx suggested by the Commissioner to enhance the lighting tax by one more percent is not possible as the Government has enhanced the tax as per G. O.No. 696 L.A., dated 28th March 1944

The budget estimate for 1945-46 as revised by the committee is xxx expected to close with a balance of Rs.3343/-. The minimum working balance at 5% is necessary as per rules, there is a deficit of Rs.2318/-. Therefore the committee recommends that the Government may be addressed to bear the entire cost relating to the payment of D.A. at the existing rate to the employees xxx of this Municipality.

As regards the Elementary Education budget the committee is unable to provide more than 5600/- Rupees from its general funds as contribution considering the slender resources of the Municipality and the corresponding increase expenditure on all sides. This account is expected to close with a minimus balance of Rs.6760/-. The committee tried its best to balance the budget but could not do so inview of the fact that an xxxx enormous sum of Rs.7540/- has to be provided towards the payment of dearness allowance to its employees. The Government may be requested to bear the entire cost as no additional taxation can be thought of at this stage.

If the Government comes forward to meet the dearness allowance from provincial funds the council will be xxx in a position to spend that amount for the amenities to the public.

Sub: Budget Estimate-1945-46-Elementary Education Funds-Expenditure-Total Provision exceeding of - sanction solicited.

Ref: G. O. No. M.S. 558 Edn dated 12 --3-- 1946.

....

I submit herewith a statement showing the provisions in the approved Budget Estimate and Revised Estimate for 1945-46 and the amount actually spent under each head during 1945-46 with details of excess expenditure or savings as the case may be.

A sum of Rs.3265-11-0 has been spent in excess of Revised Estimate under 'Salaries and Allowences, contributions to Provident Fund., Capital expenditure etc.,' while there was a saving of Rs.1650-15-0 under other heads. The increase under salaries and allowences of masters arise out of the payment of arrear increment, arrear leave salary etc of the staff.

The provision under contributions to Provident Funds was by oversight omitted to be made in the Revised Estimate for 45-46 and Budget Estimate for 46-47.

Capital lands and buildings .

This was spent for the putting up of a new Elementary School Building at Poonthottam. Provisions to the extent of Rs.1,000/-was made under "Repairs to Buildings" in the Revised Estimate for 45-46 ~~andxBudgetxEsti-~~ ~~matexfor~~ as approved by the Government. In actual execution the building costs Rs.1901/-to the Council andhence the excess expenditure.

15 [illegible]

The Council in its resolution No.747 dated 23-8-46(copy enclosed) has sanctioned for the excess expenditure incurred.

In the circumstances, I request that the Government may be pleased to accord necessary sanction for the excess expenditure incurred over the revised Estimate provisions during 1945-46.

The Villupuram Ml. Cl. was given a Govt. susbidy of Rs.4,016 in the current year towards the payment of dearness allowance to its teachers on the assumption that the budget for the year would leave no surplus. It is now seen that the R.E. for 1944-45 will close with a balance of Rs.357. According to the practice adopted in similar cases, the Council will now have to be asked to refund a sum of Rs.357 out of the subsidy in question. If the refund is enforced, the budget for 1945-46 will close with a deficit of a similar amount which will have to be made good either by an additional contribution from the general municipal funds or by a fresh subsidy from Provincial funds in 1945-46. "K"(There is no scope for extra taxation in the municipality. The case may be sent to L.A. with refce. to the necessity for this further additional contribution and, should it be found that it would not be practicable to provide the contribution, to Finance also with refce. to "K" above.
