Sub: National War Front - Newspaper - 'New
Viduthalai' - Supply of packing paper.

12.12.44

The Provincial Organiser had an interview yesterday with the Superintendent of Stationery on the subject of supplies of various kinds of paper for Director of War Publicity and National War Front publicity. He was informed that the Superintendent of Stationery had some 6,000 reams of machine-finished printing 24 lbs. 17/27 which would be suitable for Supplement and photograph pages of the Madras War Review as also various illustrated or coloured leaflets, pamphlets etc. and was advised by the Superintendent of Stationery to ask Government to sanction the reservation of this paper for the use of this office.

2/ The satisfactory packing of Viduthalai newspaper has also been a matter of difficulty. At present we are using old copies of newspapers, but these are thoroughly unsatisfactory in the protective sense, and the use of newsprint for packing purposes is understood to be contrary to the Newsprint Control Order apart from giving advertisements to other newspapers simultaneously with the delivery of our own. The Superintendent of Stationery reports that he has a stock of Brown Craft packing paper

10/30 which he could supply to Viduthalai office. We shall require about 11 reams of this per mensem for the packing of 180 Military packages, 36 Agents' packages and about a thousand subscribers' packages and the sanction of Government for the Superintendent of Stationery to reserve this quantity for us is requested.
