SUBMITTED.

2. The amount shown as collection charges on the receipt side, both in Revised Estimate for 1944-45 and Budget Estimate for 1945-46, should be transferred to the expenditure side and shown under "staff".

3. Revised estimate for 1944-45.
The credit taken for Rs. 2317/- under "compensation for loss of education tax" should be raised to Rs. 2317/- with reference to G.O. No. 1266, Local Administration, dated 7-5-1944.

4. It appears that the credit taken for Rs. 2934/- under "contributions represents the subsidy sanctioned to the council for the payment of dearness allowance in G.O. Nos. 692, Education, dated 3-5-44, and 1502, Education, dated 10-10-44. This should be shown under "Government grant for the payment of dearness allowance".

5. Though the total expenditure under "ordinary" is within the sanctioned budget, expenditure under the heads "contribution to Provident Fund", "Furniture and apparatus" and "repairs to buildings" is in excess of the sanctioned budget. Sanction for reappropriation of funds should be obtained as required in G.O. No. 139, Education, dated 29-1-1945.

6. Budget Estimate for 1945-46.
The usual summary has not been furnished.

7. As remarked in para. 4 supra, if the credit taken under "contributions" represents Government subsidy for the payment of dearness allowance then credit should be taken for Rs. 2934/- under the latter head, pending sanction of Government.

8. The credit taken for Government grant under Section 37 of the Madras Elementary Education Act is liable to revision with reference to the actual amount of education tax realised and ~~revised~~ adjusted to the fund during 1944-45.

9. With reference to the details furnished by the Commissioner the provision under staff may be reduced to Rs. 17790/- as detailed below:

Salary	...	Rs. 12,552 ✓
Leave salary	...	318 ✓
Dearness allowance	...	4,920 ✓
Total		Rs. 17,790 ✓

10. The accommodation provided for the Non-Muslim Girls' School is unsuitable for school purposes. Steps should be taken to house this school in a suitable building.

11. It is reported that there were only 5 Lower Elementary Grade teachers on 1-10-43 but now the number has increased to 9. This is quite unsatisfactory. The council should replace the Lower Grade teachers by Higher Grade teachers as early as possible, practicable.

12. The girls' schools are in need of some additional equipment.
13. It is reported that the progress of the Muslim Girls' School is very much affected because the existing conveyance arrangement is not satisfactory.

14. Time scales of pay are adopted. Leave salary and dearness allowance are paid.

Copy of the Proceedings of the Taxation and Finance Committee
dated 27-1-1945.

No.1.

Sub:- Draft revised budget for 1944-45 and budget estimate for 1945-46.

Recommendation:- This ~~Council~~ Committee recommends to the Council that the revised budget estimate for the year 1944-45 and budget estimate for the year 1945-46 as presented by the Commissioner be approved with the following remarks.

(1) The anticipated receipt under property tax may be raised by Rs.2000/- for the year 1945-46.

(2) Provision for Rs.2000/- to be made under remunerative enterprise for the bus stand since the Collector and the District Superintendent of Police have refused to recognise the present bus stand unless the Council provides a regular bus stand.

In spite of all efforts it has not been possible to balance the budget and the committee feels that repayment of loan on the Great Southern Trunk Road which is not useful to the rate-payers of this Council and this road has been taken over by the Government for which no grant also is received and secondly the payment of dearness allowance of about Rs.41,000/- take away a substantial portion of the Council's normal income. On account of this heavy drain on its slender resources the Council has to deny the public some of the essential amenities which are obligatory to provide. It cannot at the same time think of enhancing the percentage of taxation since the present rate itself is higher than that of the Corporation of Madras. This Committee therefore requests the Government to wipe off the out-standing loan on the Great Southern Trunk Road and to make a free grant of Rs.41,000/- for meeting the dearness allowance as a special case to help the Council to run the day to-day administration.

Read:- Draft revised budget for 1944-45 and Budget Estimate for 1945-46.

Resolution:- The revised budget for 1944-45 and Budget Estimate for the year 1945-46 as recommended by the Taxation and Finance Committee is approved with the following amendment.

(2) In view of District Health Officer's inspection note dated 4-9-44, the Government review on the Administration Report of this Council for the year 1943-44 in G.O.No.2526 L.A. dated 21-11-44 suggesting that the effective control over anti-mosquito campaign should receive the attention of Council, the Health Officer's suggestion that a full time sanitary Inspector is necessary for attending exclusively to the anti-mosquito work and huge complaints of the rate-payers that the mosquito nuisance is becoming intolerable this Council sanctions the appointment of an additional Sanitary Inspector for the purpose in the budget for 1945-46.

Budget Estimate 1945-46- E. E. Fund - Mch - Saidapet
no 10173/45- From the S.P.D. R.O.P no 56133/44-45
93-45

The R.E for 1944-45 and the B.E for 1945-46 of the E.E. Fund under the control of the Mch, Saidapet, are examined below. The sanctioned budget for 1944-45

(A) is on pp 22-24 of G.O. no 451 Son S 22-3-44

2. R.E for 1944-45 - Receipts (i) The credit taken for Govt grant under Sec. 37 of the E.E. Act should be reduced from Rs 5,200 to 5003 allowing for the refund

of Rs 197 ordered in G.O. no 354 Son S 2-3-45

(ii) The credit taken for compensation for loss of income under Son tax on profession tax should be raised from Rs 2314 to Rs 2317

with ref. to G.O. no 1266 L.A dated 7.6.44

(iii) The credit taken for the Govt subsidy of Rs 2934 towards the payment of dearness allowance may be allowed to stand. If this

amount is found to be in excess of the actual requirement after the actual closing balance for the year is known, the question of recovering the excess subsidy may be

considered during the next year

(iv) Credit has been taken for a contribution of Rs 6,000 from the general account against Rs 5000 in the sanctioned Budget - This needs

to be altered now.

Expenditure (v) - The Council

may be asked to obtain the sanction of the competent authority for reappropriation of funds to meet the excess expenditure under the heads 'Contribution to Provident Fund' 'Furniture & Apparatus' & 'Repairs to Buildings' with ref to G.O. no 139 Son dated 29.1.45

3 B.E for 1945-46 Receipts (i) The credit taken for Govt grant under Sec. 37 of the E.E. Act should be reduced with ref to the credit allowed in the RE (para 2(ii) above)

pending revision with ref to the actual amount of education tax realised and adjusted to the fund during 1944-45

(ii) The credit taken for a Govt subsidy of Rs 2934 towards the payment of dearness allowance should be omitted

(iii) credit has been taken for a contribution of Rs 4000 from the general account against Rs 5000 in the B.E. for 1944-45 and Rs 7000 in 1943-43. The reason adduced for the reduction is that the general account is expected to close with a deficit.

Expenditure (iv). The provision of Rs 19,400 made under "Salaries of masters" may be reduced to Rs 17,790 as pointed out by the D.P. as even allowing for the increased rate of dearness allowance of Rs 10 for all the teachers, the provision required works out to Rs 17,790 only.

4. The budget as revised with reference to paras 2 & 3 above will close with a deficit of Rs 363.

The Council will not get any increased contribution immediately under the scheme for the payment of equivalent contribution in respect of education tax levied up to

1 1/2 % - It is not also possible to increase the rate of son tax as the total rate of property tax inclusive of son tax levied in the city is 21 7/10 % against the maximum 20 % up to which

it has been considered that the rate may be raised in municipalities of this type. To avoid the anticipated deficit the Council may be directed to increase the contribution from general funds from Rs 4000 to

Rs 4400 roundly.
