Read the following papers:-

From the Commissioner, Karur Municipality, Rc.No.6412-B-44., dated 30th November 1944.

From the Collector of Trichinopoly, L.Dis.No.12763/44., dated 10th January 1945.

Order:

The following orders are passed on the Revised Estimate for 1944-45 and the Budget Estimate for 1945-46 of the Karur Municipal Council.

2. Toll compensation: The credit taken in the Revised Estimate for 1944-45 and in the Budget Estimate for 1945-46 should be altered as shown below:-

	Revised Estimate for 1944-45.	Budget Estimate for 1945 46.
Statutory toll compensation	Rs.13,685	Rs.16,090
Additional toll compensation	16,545	9,945
Grant from the Provincial Road Fund.	12,910	nil.

The Commissioner is informed that credit for the additional toll compensation and the grant from the Provincial Road Fund should be shown separately under 'contribution from the Government under Section 10(i)(a)(V) of the Madras Motor Vehicle Taxation Act' and not against Government grant under 'Engineering Establishment' as now shown in the Budget.

4. Public Health - Government grant for Maternity and Child Welfare Work: The credit taken in the Budget Estimate for 1945-46 may provisionally be raised from Rs.140 to Rs.160 being one fourth of the expenditure provided in the Revised Estimate for 1944-45 for the work connected with maternity and child welfare.

5. Contribution from the General Account to the Lighting Account: The contribution of Rs.4,990 provided in the Budget Estimate for 1945-46 is approved.

The sum of Rs.6840 taken credit against Co. 2 is subject to the approval and sanction by Government as it is not clearly understood whether this Council levying education tax at 1½% per annum with effect from 1-4-1944 is entitled to equivalent contribution calculated at 1-1/3% contemplated in G.O.No.530 Education and Public Health dated 6-4-1945. If Government are to hold that this Council is not entitled, there will be a further deficit in the closing balance to the tune of Rs.6,840/-

I enclose an extract of para 3 of the audit report on the elementary education fund accounts of the municipal council for 1945-46. The excess expenditure of Rs. 643-11-7 pointed out in the audit report was mainly under "repairs to buildings" and under "stationary and printing" which could not be anticipated at the time of the preparation of the revised estimate for 1945-46. I request that the excess expenditure pointed out in audit may kindly be ratified by the Government

Para 3. Excess expenditure over budget allotment: Government in their order No.445 Education dated 4-3-1946 sanctioning the revised estimate for 1945-46 and budget estimate for 1946-47 permitted the increase of the provision under the head "Expenditure-Ordinary" from Rs.37,945 to Rs.43,250. But the actual expenditure during the year under ordinary amounted to Rs.43,693-11-7 and thus exceeded even the increased allotment by Rs.643-11-7. The sanction of Government for this excess expenditure was not pointed out.

The contributions from the general account taken credit for in the Ely. Edn. budget ~~for~~ in the R.E for 1944-45 and in the B.E for 1945-46 are the same as those provided for ~~those~~ ~~two years~~ in the general budget of the cl. ~~for 1945-46~~

In the next year the cl. is likely to get about an addl. grant of Rs 5,700 as equivalent to the proceeds of edn. tax levied by the cl upto 1 1/3 % per annum as noted by E&PH on p1 ante.

In view of this and in view of the unsatisfactory financial position of the cl under its genl. account it is proposed in the file relating to the general budget ~~suggested in the general B.E~~ of the cl. for 1945-46 to reduce the contribution provided for in 1945-46 from the genl. funds to the Ely Edn. The L.A. deptt doubt whether the Cl. will be able to make any additional contribution from its general funds to meet the deficit of Rs 4525 in the E.E. fund.

Education tax is levied at $1\frac{1}{2}$ p.c. p.a on property rentals. The total rate of taxation in the Mpty is $18\frac{1}{10}$ p.c and the maximum possible rate of taxation for municipalities of this type is 20 p.c. So there is scope for increasing the tax by $1\frac{9}{10}$ p.c. ~~As the tax~~ Tax can be increased only from 1.10.45; ~~education~~ if education tax is increased by $1\frac{3}{4}$ p.c, the Council will get an additional income of Rs 4,567 per half year and the deficit in the E.E. fund budget in the current year can be avoided. But, it is not known whether the L.A. deptt propose to increase the rate of general property tax to ~~increase~~ provide funds for the general account. If the rate of education tax cannot be increased, a subsidy from provincial funds will have to be sanctioned to meet the deficit.

With refce to the portion marked X on p. 3 ante, it may be pointed out that the question whether Govt. can direct an enhancement (A) of the rate of education tax from the second half year of a year was considered recently in the file of the L & P.H. Dept relating to the Hospet Mnlty. It is not known what decision was arrived at in that file. The decision in that case will govern this case as well. The file may be passed on to Finance.

The E.E. Fund Account of the Karur Ml. Cl. is expected to close with a deficit of Rs. 4,585/- in the current year. This includes a sum of Rs. 148/- refundable to Govt. on account of excess dearness allowance sanctioned last year. The net deficit is thus only Rs. ~~4437~~ 4,437/-. The ~~Sec~~ ~~general account~~ L.A. Dept. have stated that (it is doubtful whether) the general account will be able to make an addl. contribution to cover this deficit in the E.E. Fund account. E&P.H. suggest that if the education tax is increased by 1 9/10 %, the Ml. Cl. will get an addl. income of Rs. 4,567/- for the half year which would be sufficient to meet the deficit. If this is done, no subsidy from Govt. will be necessary.

2. The L.A. dept. ~~have stated~~ state that the question of enhancement of education tax was considered recently in a file relating to

the Hospet Municipality and that ~~a~~ the decision in that case will govern the present case also. The question of giving a subsidy from Provl. funds to cover the deficit in the E.E. Fund Account will arise only if it is decided not to enhance the present rates of education tax in this case.

3. With the above remarks, the case may be returned to E&P.H. who may send the case again to Finance if necessary after a decision is reached on the question of enhancement of the education tax.

It has since been decided α that for the purpose of drawing the arrears of toll compensation sanctioned in G.O. 1048 L.A., d/ 11.5.45, the additional expenditure involved in payment of dearness allowance at enhanced rates may also be taken into account. The M.Cl, Karur will be able to meet the deficit of Rs. 4,585 referred to at 'x' on p. 1 ante from the arrears of toll compensation (Rs 27,086-6-0) sanctioned to the Cl. In that case, the question of ~~raising~~ enhancing the rate of education tax or of giving a subsidy from Prov. funds towards the cost of dearness allowance does not arise.

From the Commissioner, Karur Mpty, L.D. No. 5527-45, d/1.10.45. p5 e.f

The Commissioner, Karur Mpty, reports that the correct balance in the E.E. fund at the end of 44-45 is Rs 1,169-15-3. As a subsidy of Rs. 2,095 was paid to the C. in 44-45 towards the payment of dearness allowance, the C. may be asked to refund to Govt the excess grant of Rs 1,170. Revised with reference to the latest figures, the E.E. fund is expected to close with a deficit of Rs 4,585. L.A. have agreed that this deficit can be met from the arrears of toll compensation sanctioned to the C.

It has since been decided that the extra cost of dearness allowance under G.O. 1173 L.A., d/28.5.45 may also be taken into account in drawing grants from the arrears of toll compensation sanctioned to local bodies. It does not therefore appear that the irregularity referred to at 'M' on p 2 ante should be pointed out to the C.
