EDUCATION - Dststitute children - Boarding grants etc.
certificate - issue - orders - solicited

According to rule 63 of the Grant-in-aid Code a certificate in the form prescribed in Appendix X (i) or (ii) as the case may be testifying to the destitution of a pupil should be produced from the Tahsildar or the Deputy Tahsildar in independent charge according as the pupil belongs to a ryotwari or a zamindari taluk to entitle the pupil to the special grant in aid of boarding charges. In the case of pupils belonging to the Madras City a certificate should be given by the Collector of Madras or the Chief Presidency Magistrate. A large number of applications are usually received in my office for the issue of these certificates and it is doubtful whether any is received by the Chief Presidency Magistrate.

Usually enquiries regarding the circumstances of the pupil and his or her parents are made by the Tahsildars of Madras to whom the applications are sent for the purpose and the necessary certificates are issued in this office on the recommendations of the Tahsildars. As this procedure causes delay and inconvenience to the applicants I suggest that the Tahsildars of Madras may be authorised to issue the above certificate in respect of the pupils residing in the City in the same way as Tahsildars and Deputy Tahsildars in in-

Sir,

Sub: Grant Boarding - Indian Boarding Homes and
Orphanages - Authority for the issue of Desti-
tution certificates in the Madras City.

In resubmitting herewith the letter No. B.6.9481/44 dated 25-8-1944 from the Collector of Madras referred to me for remarks in Government Endorsement No. 42887-1-B Edn., dated 31-8-44, I have the honour to state that rule 63 of the Grant-in-aid Code empowering the Collector of Madras or the Chief Presidency Magistrate as the authority competent to issue certificates to the destitutes in the City of Madras was framed in G.O.No. 1542, Law (Education) dated 4-9-1925. I am not in favour of empowering the Tahsildar in the City to issue such certificates in the city as suggested by the Collector. Although the Collector's certificate may be based on the Tahsildar's recommendation the fact that ~~enquiry into the conditions of the applicant~~ ~~refusing for destitution certificate are made under the orders~~ from the Collector would act as a check and ensure care on the part of the Tahsildar in making his recommendation. I do not, however, have any objection to the Personal Assistant to the Collector being authorised by the Collector to issue the certificates on his behalf.

I have the honour to be,
Sir,

Your most obedient servant,

R. Narasimhan

Under para 2 of G. no 1542 Law (Sd.) d 4.9.1925 a destitution certificate should be produced for every child on whose behalf a boarding grant is claimed. In the case of children belonging to the Madras City the certificate has to be signed by the Coll. of Madras on the Chief Presidency Magistrate. The Coll. of Madras suggests that the Tahsildar in Madras may be authorised to issue the certificate in respect of pupils in the City in the same way as the Tahsildar at the by Tahsildar in independent charge in a ryotwari or zamindari taluk is authorised to issue the certificate. If this is not possible, he requests that the P.A. to the Coll. may be authorised to issue the certificate. The D.P.I. has no objection to the latter suggestion of the Coll. The remarks of Rev. may be invited on the

Madras has retained

a larger no. of members of the

P.T.

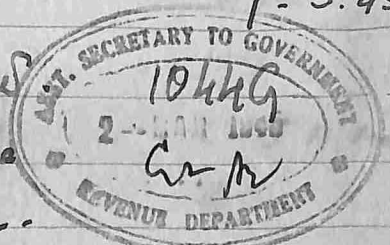

The original idea was that the provision for obtaining distribution certificates in the case of Indian orphanages should follow similar provision in the case of European schools, i.e. to which the D.M. in the municipal & the ^{chief} President Magistrate in the city are the certifying authorities. It was however felt that the D.M. and even the R.D. would not be easily accessible to managers of Indian orphanages and so the certifying power in the municipal was given to the Tahsildar & Deputy Tah. but no such arrangement was made for the city. The coll. now suggests Tah. of Madras & the P.A. D.P. 9. has no objection to the P.A., Rev. and ~~however~~ see the D.P. 9's modified proposal
