Nagercoil, dated the 30th of Oct. '44.

Sir,

I beg to submit the following to your kind consideration and favourable disposal.

Having been instructed by Prof. Beasley of the University of Rangoon, I, an evacuee from Burma, am submitting this petition for financial assistance to my son D.D.W. Daniels, aged 29 who is studying in the B.Sc. class or Third Year University class in the Madras Christian College, Tambaram.

My son was learning in the St. Mary's European School at Mandalay for about four years, then he was learning in the Pakokku Wesley High School for his High School Education. For his College Education he was sent to Tambaram Christian College. During his school career he was given double promotions in one or two classes for his exceptional abilities in English and other subjects. I have been educating him in Tambaram for three years at a high cost and now my financial ~~resources~~ resources are completely exhausted. I thought that the War would be over soon, that I would be able to go back to Burma and get my old job which would help me to support my son very easily and that no financial assistance would be needed at all. But now the prolongation of the war and the increased cost of living was brought my financial position to a very critical stage in which I am quite unable to support my son in College. The provident Fund money I got from the Burma Govt. is all gone and I have to live on a very small pay.

I worked in Burma as Headmaster and teacher from 22 1923-1942 in A.B.M. High Schools Mandalay and Myingyan and in Wesley High School, Pakokku. I am a Registered Evacuee holding testimonials from Mr. Eva (former Inspector of Scheince, Burma and now Evacuee Officer, Bombay), Rev Varney of Pakokku, Rev Hinton of Mandalay and others.

The salary I was drawing in Burma in Mandalay and Pakokku was Rs. 140/- per mensem. Since coming over to India in April 1942 by the Overland Assam Manipur Route, I have been irregularly employed due to illness and inability to get suitable jobs. For nearly a year I was un-employed. Now for about a year I am doing the work of a teacher in a small school in Vadasery on a salary of Rs. 59/- per mensem which is not enough even for my family for food and the bare necessities of life in these terribly hard days. I have an old father to support also. Excepting this small pay I have no other source of income and no help from any one.

I have to send my son every term more than Rs. 250/- Up till now I have not received any financial assistance which is being given to other evacuees and my son has not secured any assistance so far. So I request you very humbly to grant him financial assistance for this college year and the next when his course will be completed. It costs me on an average of Rs. 65/- a month.

Herewith I submit a statement from the Asst. Peishkar regarding my financial position and another from the Bursar of the College regarding my son's expenses in College.

I beg to remain,

Sir,

Your most obedient servant,

Sir,

Ref:- Endorsement No. 56965-1 B dated 8-12-44

Mr. David M.R. Daniels, an evacuee from Burma now residing in Nagercoil has applied for financial assistance on behalf of his son David D.M. Daniels, a student of the III year B.Sc. class of the Madras Christian College, Tambaram. He has estimated the expenses for the academic year 1944-45 to be Rs. 657-12-0

Inquiries show that the student completed III year in Burma and then came to India and completed the high school course in Scott. Christian High School, Nagercoil and then joined the Madras Christian College in June 40 for the Intermediate course.

P.T.O.

6
-2-
He joined the B.Sc. Class in June 43 and as he was detained for one year, he is studying in the same class during this academic year 1944-45.

The student states that his parents have got a house in Nagarecoil and that they have no other immovable property and that he has been getting on till now with the provident fund money brought by his father. He adds that neither he nor his family received any financial assistance from any source and that there are no relatives in a position to render any help.

Mr. David M.R. Daniels, states that he is a domiciled Indian from Burma and that he has no connection with the Travancore State though he has settled there for the present. An extract from his letter dated 18-12-44 to the Bursar, Madras Christian College is enclosed. The student states that his parents are natives of Nagarecoil and that his father was born in Nagarecoil, South Travancore. The instructions issued in Government of India letter F.20/44 E(II) dated 7-8-44 communicated in G.O.No. 1330 Education and Public Health dated 11-9-44 contemplate that the scheme of financial assistance will not be applicable to Indian state subjects. In as much as the student's father was born in a state (Travancore) it is doubtful whether the applicant is eligible for financial assistance.

Government Endorsement No. 56965-1B dated 8-12-44 together with the enclosures mentioned therein are resubmitted.

Sir,

In continuation of this Department endorsement No.D.3985-E(ii)/44 dated the 29th November 1944, on the subject mentioned above, I am directed to say that as you are a subject of an Indian state your son is not eligible for assistance under the Government of India scheme of financial assistance to evacuee University students. As a subject of the Travancore state you should apply to the Travancore state authorities for an allowance to your son.
