ELEMENTARY EDUCATION -
Revised Budget for 1944-45.

Receipts -

(not found out)
Verified.

To meet the extra expenditure in payment of increased dearness allowance to the staff the Government in their orders No. 692 Edn. & P.H., dated 3-5-1944 and 1502 Edn. & P.H., dated 10-10-1944 sanctioned Rs. 2,750/- and Rs. 2,096/- respectively. These amounts are taken credit under contributions and hence the increase.

2750
2096
4846

An extra amount of Rs. 2000/- will be contributed from General funds for meeting the increased expenditure in repairing the Pitchanoor higher elementary school and constructing its compound walls. Increased credit has accordingly been taken.

Capital -

For the construction of the compound wall to the Pitchanoor higher elementary school a sum of about Rs. 1,700/- has so far been made. To meet this expenditure, a sub committee has been formed to collect contributions from the Public. A sum of about Rs. 480/- was collected last year and Rs. 250/- this year. The balance amount of Rs. 1000/- is contributed from ordinary.

Expenditure - Ordinary.

Expenditure in excess of the Budget allotment had to be incurred in repairing the Pitchanoor higher elementary school and this is due to the payment of provisions over the estimate rates and the revision of schedule of rates during the year.

Capital -

During 1943-44 furniture costing about Rs. 300/- was purchased. This amount was however paid only in April 1944 ie. in 1944-45. Hence the increase.

ELEMENTARY EDUCATION ACCOUNT - Budget Estimate for 1945-46.

Receipts - No remarks.

Expenditure -

Provision has been made for the payment of dearness allowance to the employees at the existing rates. Provision has also been made for opening a Telugu girls' school during the year for the benefit of the Telugu people and a sum of Rs. 900/- has been provided for this school.

Due to the payment of dearness allowance to the teachers in the Elementary schools at the rates admissible to Government servants a sum of about Rs. 8,300/- has been provided in the Budget (included in salaries and allowances) and it is found not possible to finance this ~~amount~~ item of expenditure unless it be with a special grant from Government. ~~During 1944-45 a sum of Rs. 4,750/- was received as grant from Government.~~ During 1944-45 a sum of Rs. 4,750/- was received as grant from Government for payment of Dearness allowance and this has increased to Rs. 8,300/- during 1945-46. The Government may be pleased to contribute this amount as a special grant for Elementary Education.

20

The Budget Estimate under Elementary Education closes with a deficit balance of Rs. 8,780/-. If the special grant of Rs. 8300/- requested for the payment of dearness allowance is received, the deficit will be reduced to Rs. 480/-.

Council Resolution No....510(a).. *dated* 20-12-1944.

Read Budget Estimate for 1945-46 and Revised Budget for 1944-45 of General funds and elementary Education funds of this Municipality.

The Budget Estimate for 1945-46 and the Revised Budget for 1944-45 as presented by the Commissioner are passed. The Schedule of establishment is also sanctioned. An additional Elementary school for girls will be started in ~~Ambapuram,~~ Ambapuram, Gudiyattam from June 1945 for which provision has been made in the Budget.

The Budget as now passed closes with a deficit of Rs. 7,140/- under General Account and Rs. 8,780/- under Elementary Education Account. This deficit is due to the payment of dearness allowance to the employees under the several heads. The Government are requested to pay a special grant equal to the amount of dearness allowance paid to the Municipal employees as per the particulars furnished in the statement attached to the Budget which amounts to about Rs. 36,000-0-0 per year. If this total amount is paid by Government, the council will be able to have the statutory minimum balances under all heads of accounts and will also be able to provide for the proposed Town Planning Staff and for other urgent amenities to the Public which they have been denied so far.

In view of the fact that this Municipality is maintaining an Ayurvedic Dispensary at Gudiyattam and is spending about Rs. 2,800/- on it, and in consideration of the deficit balances, under General Accounts, this council requests the Government to waive the contribution of hospital savings to water supply and drainage account.

8

As regards the proposals of the Commissioner for the enhancement of taxes etc. the council resolves to enhance the water and drainage tax from 3% to 4% per half year with effect from 1-4-1945, and to enhance the Education tax from 1 and 13/24% to 2% with effect from 1-4-1945. A sum of Rs. 2000/- will be provided in the Elementary Education Account under capital to put a compound wall to the - - Pitchanoor higher elementary school on the other two sides.

A sum of Rs. 2000-0-0 was provided in the Elementary Education Budget Estimate for 1945-46 under the head "Expenditure - Capital Lands and Buildings" for constructing compound wall to the Pitchanoor higher elementary school as the Educational authorities are pressing for the construction of compound wall and threatening to with-draw the recognition of the school, if the compound wall is not provided. pp 9-10 cf. The R.E. for 1944-45 and the B.E. for 1945-46 of the E.E. Fund of the Ml. Cl., Gudiyattam, call for the following remarks:-

2. R.E. for 1944-45

(i) The Cl. has taken credit for a contribution

p 9 cf. Ⓥ of Rs. 12,210 from the gl. funds against Rs. 10,210

D p 22 cf. G.O. 421 Edn 16.3.44 in the sanctioned budget. The addl. amount is required for meeting the expr. on certain capital works. The increased contribution ~~may be accepted~~ has been agreed to by L.A. ~~agree~~ in the gl. fund budget file.

NP file

(ii) The Cl. may be asked to obtain the sanction of Govt. for incurring expr. in excess of the ~~budget~~ provision in the sanctioned budget, pointing out the source from which it will be met.

3. B.E. for 1945-46

(i) In view of the very large expr., the Cl. proposes to increase the rate of edn. tax levied in

p 8 cf. the mlty. from 3 1/12% to 4% p.a. with effect from

p 9 cf. 1.4.45. Credit has been taken for the addl. income. The increase may be sanctioned. L.A. may see.

(ii) Credit has been taken for the usual

p 9 cf and Ⓥ / 1 NF contribution of Rs. 10,210 from the gl. funds.

4. The B.E. will close with a deficit of

pp 3 and 7 cf. Rs. 8,780. The Cl. requests that a grant of Rs. 8,300 which is the amount reqd. for the payment of dearness allowance to the staff may be given from Provl. funds.

B. Under the proposal to sanction equivalent Govt. contribution to ml. cls. on the proceeds of edn. tax levied upto 1 1/3% p.a. on property rentals, this Council is eligible for an addl. income of Rs. 700 under Sec. 37 grant. If credit is allowed for this amount the deficit in the budget will come down to Rs. 8,080. ~~This amount will have to be paid as a grant from Provl. funds, if the Contribution from gl. funds cannot be increased.~~

NP file In the gl. fund budget file L.A. have suggested the deletion of the provision of Rs. 2,000 under 'Capital' Capital – Lands and Bldgs.'. This will bring down the deficit to Rs. 6,080. L.A. have further stated that the question whether an addl. contribution can be made from the gl. funds to wipe off this deficit, can be determined only early in 1945-46 after the estimated amount of revenue from certain addl. sources, is ascertained. ~~It does not seem proper that~~ ~~The~~ order on the E. E. Fund budget ~~should be~~ have to be issued before the ~~end of~~ ~~uncertain~~ March 1945; and it does ~~be delayed on the hope that that fund may get an addl. contribution, which~~ not seem proper to pass ~~the~~ a deficit budget on the hope, that the deficit can be wiped off later by an addl. contribution, which is uncertain. In the circumstances, the cl. may have to be given a grant of Rs. 6,080 from Provl. funds (There is no scope for addl. taxation).

PRESS COMMUNIQUE

NO. 49

Dated, Fort St. George, the 21st August 1941.

Subject:- Fee concessions - Grant of to Converts from Scheduled classes.

Under the rules converts to Christianity from the Scheduled Classes are eligible for fee concessions in educational institutions only if they satisfy the following conditions:-

(1) that they themselves or their parents or grand-parents on both the paternal and maternal sides were members of the scheduled classes, and

(2) that they belong to families that continue to live under conditions similar to those of the scheduled class concerned.

Representations have been made to Government that these conditions cause great hardship and should be cancelled.

The Government have carefully considered the matter and have come to the conclusion that there is not sufficient justification for making a distinction between the Scheduled classes and converts from these classes to Christianity or any other religion for purposes of fee concessions since it is generally reported that converts from the Scheduled classes are socially in the same ~~tax~~ position as that in which they were before conversion. They have therefore sanctioned the grant to the converts and their descendants with effect from the current year, of all fee concessions for which the Scheduled classes are eligible under the existing rules and orders.

There is no scope to increase the rate of the property tax or Edn tax further. The arrear toll compensation instalment which this Cl will get in 1945-46 will be just sufficient to wipe off the deficit in the Cl's General fund budget for 1945-46 and to provide the statutory minimum closing balance. It cannot be said now whether the council will secure sufficient funds in 1945-46 from other proposed new sources of revenue to enable it to pay an addl contribution towards wiping off the deficit of Rs 6,080 in the E.E Fund.

enable it to pay an additional contribution towards wiping off the deficit of Rs. 6,080.

It seems sufficient for the present to inform the

A Council that certain measures for augmenting the sources of revenue of local bodies are under consideration of Government and that the question of giving a grant/in 1945-46 to cover any portion of the deficit caused in the E.E. Fund Account on account of payment of dearness allowance at Government rates will be considered in the course of next year.

It does not seem desirable that Government should commit themselves at this stage to give a grant of Rs.6,080 especially in view of ~~'A' above~~.

The B.E of the Gudiyattam M.Cl for 1945-46 as approved by the Govt, closes with a deficit of Rs 6250 under the Genl a/c only against the prescribed minimum closing balance of Rs 5650. In view of the unsatisfactory financial position of this Council ~~under the Genl acct~~ the Council will not be well-advised to increase at present its commitments under any head under the Genl. account.

However the financial position of the Council is likely to improve in the course of the current year as a result of the several measures under consideration of the Govt to augment the resources of mpl. cls.
