This rate is high and there is no scope to increase the rate of the education tax. In its present financial condition the Cl. cannot contribute from its Gl. fund to the Ely. Edn. fund more than what is provided in the budget. The Cl. can however pay in 1945-46 an additional contribution of Rs 11190 to cover the deficit anticipated under the Ely. Edn. Acct. at the end of 1945-46 if the proposal to pay Rs 74 lakhs to local bodies in 1945-46 towards the deficiency in the toll compensation for the years previous to 1941-42 is carried through. This DC/M. may therefore agree that the contribution provided in the B.E. for 1945-46 may provisionally be increased from Rs 14500 to Rs 25690, on the understanding that the enhanced Contribn is to be paid only if the Part II scheme referred to at A above is carried through.

LOCAL ADMINISTRATION DEPARTMENT

Memo. No. 1805-1-B-1, 19th January 1940

Accounts—Provident fund—Transfer of credit from one local board to another—Issue of remittance transfer receipts and adjustments through plus and minus memo. in the treasury.

READ—the following papers :—

From the President, District Board, Ramnad, dated 21st October 1939, R.C.O. No. D-7-327/39.

From the Accountant-General, Madras, dated 23rd November 1939, No. T. 11. Genl. 613.

Memorandum—No. 1805-1-B-1, L.A., dated 19th January 1940.

With reference to his letter read above, the President, District Board, Ramnad, is informed that note 1 under Annexure A to article 325 of the Madras Financial and Account Code, Volume I, prohibits the issue of remittance transfer receipts for remitting provident fund amounts of local fund employees on transfer from one local body to another. A transfer of credit of the provident fund amount of an employee from one treasury to another by adjustment through plus and minus memo., is also equally objectionable as it would amount to the affording indirectly of remittance transfer facilities which are inadmissible under the rules.

2. The District Board, Ramnad, is requested to make its own arrangements for the transfer of provident fund amounts of the District Board Engineers referred to in the President's letter read above, preferably by bank drafts obtained on payment of the usual commission from its own funds. Its attention is in this connexion invited to G.O. No. 71, L.A., dated 6th January 1940.

PRESS COMMUNIQUE

No. 49

Dated, Fort St. George, the 21st August 1941.

Subject:- Fee concessions - Grant of to Converts from Scheduled classes.

Under the rules converts to Christianity from the Scheduled Classes are eligible for fee concessions in educational institutions only if they satisfy the following conditions:-

(1) that they themselves or their parents or grand-parents on both the paternal and maternal sides were members of the scheduled classes, and

(2) that they belong to families that continue to live under conditions similar to those of the scheduled class concerned.

Representations have been made to Government that these conditions cause great hardship and should be cancelled.

The Government have carefully considered the matter and have come to the conclusion that there is not sufficient justification for making a distinction between the Scheduled classes and converts from these classes to Christianity or any other religion for purposes of fee concessions since it is generally reported that converts from the Scheduled classes are socially in the same ~~xxx~~ position as that in which they were before conversion. They have therefore sanctioned the grant to the converts and their descendants with effect from the current year, of all fee concessions for which the Scheduled classes are eligible under the existing rules and orders.
