Sub: Elementary Education Fund - Budget Estimate for 1945-46 - Municipal Council, Vaniyambadi.

Submitted.

2. Marked variations are explained by the Commissioner in his covering letter (copy enclosed).

3. REVISED ESTIMATE FOR 1944-45: The credit taken under Elementary Education subsidy includes the subsidy paid to the council for the payment of Dearness Allowance in G.O.No.1502, Edn., dated 10-10-1944.

4. The expenditure under "ordinary" is in excess of the sanctioned budget. The Revised Estimate for 1944-45 therefore closes with a minus balance. Sanction of Govt. is necessary for the excess expenditure.

5. BUDGET ESTIMATE FOR 1945-'46: The expenditure is in excess of the receipts and as such the budget closes with a minus balance. The request of the council to sanction the payment of entire amount for payment of dearness allowance to teachers from the Provincial Funds is commended for the consideration of Govt.

6. The accommodation provided for 2 schools (one for boys and the other for girls) needs improvement.

7. The Fort Muslim Girls' School is in need of an additional teacher. The Municipal Mahan. Girls' School, Periapet, is in need of some additional equipment.

8. Time scales of pay are adopted. Leave salary and dearness allowance are paid.

1945-46 - Forwarded. (3)

Ref: Your letter C.No.3634 B/44, dated 9-10-44.

I forward herewith the Elementary Education Fund Budget
Estimate of this Municipality for 1945-46 together with the necessary
enclosures, in duplicate. Copies of the recommendations dated
25-11-44 of the Budget Committee and the Resolution of the Council
No.281, dated 30-11-44 approving the Budget Estimate are also
enclosed.

The appointment of a third mistress for the Khaderpet Muslim
Girls' School and a conductress for the Portland Town Hindu Girls'
School and also the erection of a compound wall and provision of
additional accommodation for the Portland Town Hindu and Muslim
Boys' School building were suggested by me for the consideration
of the Budget Committee and the Council. These suggestions were
duly considered by the Committee and the Council, but no provision
could be made in the budget for want of funds.

The marked variations in the budget are noted below:-

Salaries and allowances of masters. The increase in expenditure
is due to the payment of dearness allowance to staff at the Govt.
rates.

Contingencies - Other items. The increase in expenditure for
1945-46 is due to the payment of dearness allowance to the
conductress at the Govt. rates and also due to the enhanced
hire charges for a conveyance for the Fort Muslim Girls' School.

The Elementary Education Budget for 1945-46 is expected to open and close with a deficit balance of Rs.1,300/- and Rs.2,840/- respectively and there is no possibility of avoiding this deficit even though the Council has sanctioned the levy of Education Tax for the first time from 1-4-44 at 1% per annum. The deficit is mainly due to the payment of dearness allowance to staff at the Govt. rates which alone comes to Rs.3,960/-. The Budget Committee in its proceedings cited above has recommended to the Council to request the Govt. to sanction the payment of the entire amount of dearness allowance to staff from the Provincial Funds as grant with reference to G.O.No.1822, L.A., dated 17-8-44 as the Council has no means of meeting this expenditure especially when the General Account of this Council is working at a huge deficit of Rs.15,100/- and the Council has also approved the recommendations of the Committee in toto. I therefore request you to kindly recommend to Government to sanction grants for the payment of the entire amount of dearness allowance to the elementary education staff, as a special case."

3. About 21 per cent of the boys of school-age and 29 per cent of the girls of school-age were to be brought under instruction during the year 1931-32—the corresponding figures of the previous year being 27 and 33. The Madras Corporation which has launched the scheme of compulsory education should adopt more effective measures for bringing all the children of school-going age under instruction.

4. The distribution of pupils among the several standards which was as shown below shows some improvement over that of the previous year. But wastage between standards I and II continued to be high.

5. About 77.8 per cent of the teachers employed in boys schools and 88.8 per cent of the teachers in girls schools were trained as against 78 and 87 of the previous year.

6. The number of elementary schools specially intended for Adi-Dravidas decreased by 11 schools during the year. But there were still 88 schools specially intended for them of which the declared policy of Government that pupils of the Adi-Dravida community should be freely admitted in all schools, the District Educational Council should take steps to see that the number of schools intended for these pupils is reduced to an absolute minimum.

7. There were 25 boys schools and 13 girls schools for Muslims during the year under report. The previous year's figures being 23 and 12 respectively. Three thousand and one

Read also the note of the Commissioner dated 27-11-44 on the Budget Estimate. RECOMMENDATIONS. Having regard to the fact that the Council in its resolution No. 236 dated 14-10-44 has sanctioned an increase of 1½ per half year in the rate of property tax with effect from 1-4-45, no further increase is justified at present especially when this Municipality has not provided water supply facilities to the public.

This Committee recommends to the Council to request the Government to defer the question of compost making till the close of the war and to adopt a sum of Rs. 1300/- as the credit under Sale of Rubbish for 1945-46.

The question of levy of lighting tax suggested by the Commissioner be deferred for the duration of the war.

In the existing state of finances of the Council, no provision could be made for the several items listed out in the Commissioner's note as not provided for for the consideration of the Committee and the Council.

As the deficit in the General and the Elementary Education fund accounts is mainly due to the payment of salaries to the staff at Government rates and as the Council has already raised the rate of tax in this Municipality and as further increase in the rate of tax is not possible at present and as the indebtedness of this Council will be partially over by 1946 and 1949 and completely by 1953 a sum of Rs. 6389/- will be available for expenditure this

this Committee recommends to the Council to request the Government to sanction grants from Provincial funds for the payment of entire dearness allowance to the staff with reference to G.O.No.1822, L.A., dated 17-8-44 as the Council has no other means of meeting this expenditure and thus wiping out the deficit in both the General and the Elementary Education Fund Accounts.

With the above suggestions this Committee recommends to the Council to adopt the Revised Budget Estimate for 1944-45 and the Budget Estimate for 1945-46 in respect of both the General and the Elementary Education Funds presented by the Commissioner.

The reappropriations made from time to time and included in the revised Budget Estimate for 1944-45 be also sanctioned.

Sub:- Budget- Municipal- Elementary Education Fund- 1946-47- Vaniyambadi Municipality- Excess expenditure- Sanction requested. Ref:- G. O. No. Ms. 395, Edn., dated 25-2-46.

In their order quoted above, the Government have permitted the incurring of expenditure under the Elementary Education Fund of this Municipality during 1946-47 to the extent of Rs. 19,420/-. The actuals for 1946-47 amounted to Rs. 19,491-5-8. The excess of Rs. 71-5-8 mainly represents the increase in the salaries and allowances of masters.

In para 4 of the Audit Report on the Elementary Education Fund Accounts of this Municipality for 1945-46 (copy submitted) it has been pointed out that the sanction of Government is necessary for the above excess. The matter was placed before the council and the council in its resolution No. 253 dated 30-9-46 (copy submitted) sanctioned the excess and resolved to request the Government to approve the same.

I request that the Government may be pleased to accord necessary sanction for the excess expenditure of Rs. 71-5-8 over and above the total budget allotment for 1946-47.

B. E. - 1945-46. E. S. Fund - M. L. cl., Vaniyambadi

The R. E. for 1944-45 and the B. E. for 1945-46 of the E. S. Fund of the M. L. cl., Vaniyambadi, are examined below:-

R. E. for 1944-45

The Council was granted a subsidy of Rs. 828 to enable it to meet the expre. on the payment of dearness allowance to the staff at Govt. rates. In spite of this, the budget R. E. is expected to close with a deficit of Rs. 1,300. The Council may be asked to obtain necessary sanction for incurring expre. in excess of the provision in the sanctioned budget, pointing out the source from which it is to be met.

(i) ~~Credit~~ ^{credit} has been taken for the usual contribution of Rs. 6,240 from the gl. funds.

(ii) The cl. has been made provision for the payment of dearness allowance to the staff at Govt. rates.

(iii) The budget closes with a deficit of Rs. 2,840. In order to avoid a deficit, the cl. requests that it may be paid a grant of Rs. 3,960 from Prov. funds to meet the expre. on the payment of dearness allowance.

4. It is understood that there is a proposal to grant arrear toll compensations to local bodies. L. A. may be requested to say whether they contribute from their own funds or from the Govt. funds. If it will not be sufficient to meet the deficit, the balance will have to be from Prov. funds or by enhancement of tax. L. A. may also say whether, in the latter case, it is possible to increase the tax any further.
