SRI A.G. NARASIMHAM.

Assistant
Lecturer in
Physics,
Government
College,
Kumbakonam.

May be ap-
pointed to
officiate
as Lecturer
in Physics
in the same
College in
the Madras
Educational
Service.

Consequent on the posting of Sri P. Narayana Gowd, Lecturer in Chemistry, Ceded Districts College, Anantapur, as Principal, Government Training College, Rajahmundry, ordered in G.O. No. Ms. 327 Edn., dated 7th March 1945, the post of Lecturer in Chemistry, Ceded Districts College, Anantapur has fallen vacant. I propose to transfer Sri D. Namasivayam from the Teachers' College, Saidapet and post him as Lecturer in Chemistry, Ceded Districts College, Anantapur. Sri T.M. Margasahayam Chettiar will be posted as Lecturer in Physical Science, Teachers' College, Saidapet, vice Sri D. Namasivayam. The resultant vacancy in the post of Lecturer in Physics, Government College, Kumbakonam, has to be filled. Although the College closes for the summer vacation on 2nd April 1945, I may state that a lot of work has to be done in the laboratories during the vacation and it is essential

P.T.O.

essential that a Lecturer should be appointed. I recommend that Sri A.G. Narasimham, Assistant Lecturer in Physics, who is now serving in the same College may be appointed to act as Lecturer in Physics in the Madras Educational Service vice Sri T.M. Margasahayam Chettiar. In G.O. No. Ms. 691 Edn., dated 15th May 1943, Sri A.G. Narasimham was considered suitable for appointment to the Madras Educational Service in the category of Lecturers in Physics.

(R)

2. With reference to paragraph 2 of G.O. No. Ms. 111 Edn., dated 25th January 1945 I have to report that I propose to post Dr. S. Gopalakrishnamurti who will be relieved from the Government Training College, Rajahmundry, as Professor of Physics, Presidency College, Madras. Dr. S. Gopalakrishnamurti is the senior-most officer next to Sri T.M. Margasahayam Chettiar in the Physics Branch of the Madras Educational Service. He may, therefore, be posted as Professor of Physics, Presidency College, Madras. Sri V.N. Viswanatha Ayyar, now officiating as Professor will be posted as Additional Professor of Physics in the same College reverting Sri T.N. Seshadri to his permanent post in the Madras Educational Subordinate Service.

3. I solicit the favour of early orders regarding the appointment of Sri A.G. Narasimham.

MEMORANDUM No. 10552A-1 dated 10.3.45

M.E.S. - Filling the post of Lecturer in Chemistry in the C.D. College, Anantapur.

(N)
2567 According to the list of candidates approved as fit for appointment to the M.E.S., in G.O.No.691-Edn., dated 15-5-1943, the Assistant Lecturer in the Chemistry unit next to be promoted as Lecturer is Sri P.A. Parthasarathy Ayyangar. It is not clear why he should not be appointed direct as Lecturer in Chemistry, C.D. College, Anantapur, and why a series of transfers should be made leading, in the process, to the promotion of an Assistant Lecturer from the Physics unit.

2. Again, Dr. S. Gopalakrishnamurti was appointed to the M.E.S. only in September 1940 and is far junior to Sri T.M. Margasahayam Chettiar. The

4
former's suitability to lecture in an Honours college
~~is not seen~~ discussed in the recommendation roll.

3. The D.P.I. is requested to make a further report on the points raised above and to submit the personal files of the two officers referred to in para 2 above.

From (Name) Dr. B.B.Dey D.Sc(Lond.) F.R.I.C.

(Designation) Offg. Director of Public Instruction

To The Secretary to the Government of Madras,

EDUCATION AND PUBLIC HEALTH Department.

Sir,

Ref: Government Education & Public Health Department
confidential Memorandum No.10552-A-1 dated
20.3.1945.

In regard to the point raised in paragraph one of the Government Memorandum referred to above, as to why Sri P.A. Parthasarathy Ayyangar, Assistant Lecturer in Chemistry should not be appointed direct as Lecturer in Chemistry, Ceded Districts college, Anantapur, I have the honour to submit that consequent on Sri P. Narayana Gowd joining duty as Principal and Lecturer in Science at the Government Training college, Rajahmundry, Dr. S. Gopalakrishnamurti, the present Lecturer in Science in that college becomes superfluous and has to be transferred. As Dr. S. Gopalakrishnamurti is a Lecturer qualified in Physics he cannot be posted to the Ceded Districts College, Anantapur in the place vacated by Sri P. Narayana Gowd. He has, therefore, to be transferred either to the Teachers' college, Saidapet or to the Presidency college, Madras. Sri D. Namasivayam who is now the Lecturer in Physical Science and who is qualified in Chemistry has been proposed to be transferred to Anantapur,

That was not
suggested in
Memo dated

and his place in the Teachers' college to be filled by a Physics Lecturer. Moreover, I may submit that no Chemistry Lecturer has retired from service or has applied for leave and there is no direct vacancy in the Chemistry Unit of the Madras Educational Service. The promotion of Sri A.G. Narasimham, Assistant Lecturer in Physics was proposed as a direct result of the grant of leave to Dr. S. Kalyanaraman, a Physics Professor.

2 For the reasons explained in the following paragraph Dr. S. Gopalakrishnamurti has been proposed to be posted to the Presidency college and Sri T.M. Margasahayam Chettiar to the Teachers' College, Saidapet: --

3 Sri T.M. Margasahayam Chettiar is, no doubt, by far senior to Dr. S. Gopalakrishnamurti. But it is over 20 years since he had any touch with lecturing to Honours classes. He is already past 51 years of age. Moreover Sri T.M. Margasahayam Chettiar is having domestic worries on account of the serious illness of his son who is stated to be suffering from tuberculosis. In view of the above, I consider that he cannot be expected to handle Honours classes in Physics successfully at present. However, as he wishes to have a transfer to Madras or Saidapet, I propose to post him to the Teachers' college, Saidapet. As regards Dr. S. Gopalakrishnamurti's suitability for the post of Professor of Physics I may state that he is the holder of a D.Sc. degree of the Madras University besides being an M.A. (Madras) and B.Ed. (Andhra). He is comparatively young, only 36 years old, and energetic and has much enthusiasm for research work. He has been requesting to be posted to the Presidency college where his keenness for research work can have free scope. In these circumstances I feel that Dr. S. Gopalakrishnamurti is more competent to be posted as Professor of Physics, Presidency college, Madras than Sri T.M. Margasahayam Chettiar.

4 As Dr. Gopalakrishnamurti has already been relieved from the Government Training college Rajahmundry, and is awaiting orders of posting, I solicit the favour of urgent orders.

5 The personal files of the two officers are enclosed for perusal and return.

I have the honour to be,

Sir,

Your most obedient servant,

M. K. M. M.
for Director of Public Instruction

The following notification will be published in the Fort St. George Gazette:-

Notification

(With effect from the date of taking charge)

Sri A. G. Narasimham, Assistant

Lecturer in Physics, Govt. College, Kumbakonam
[is appointed] to officiate as Lecturer in the same College in the M. E. S.

2/ - The D. P. S. may

proceed to make the postings proposed by him

28.3.45

C.No.10552. From the D.P.I., CL.No.15/45, dated 13-3-1945.

M.E.S. - Filling the post of Lecturer in Chemistry in the C.D. College, Anantapur.

At first sight, it appears that the vacancy caused by the transfer of Sri P.Narayana Gowd as Principal of the Govt. Training College, Rajahmundry, should be filled by posting direct to the C.D. College a candidate qualified to teach Chemistry. According to the approved list of candidates fit for appointment to the M.E.S., Sri P.A. Parthasarathy Ayyangar is the seniormost Assistant Lecturer in the Chemistry unit awaiting appointment. It is not clear why the D.P.I. has proposed a series of transfers which result in the promotion of an Assistant Lecturer from the Physics unit. It is true that when the turn for the promotion of the Physics Assistant Lecturer in question came recently, administrative exigencies required an emergency appointment being given to another Assistant Lecturer in Physics (Sri T.N.Seshadri) who was not in the approved list at all - pp.3-4 of notes to G.O.No.111-Edn., dated 25-1-1945. But that cannot be sufficient justification for the Director's present proposals. May this be

put to the D.P.I. and he be asked whether he sees any objection to "P" above? It is also for consideration whether the

Don. Mr. he asked to state the reasons for proposing Sri. Gopalakrishnamurti for the Presidency College. He was recruited direct to the M.E.S. in Sep. 40 & is fast junior to Sri. Mangarajaram - pl. But in this connection Dr. Dey's D.O. at R/C. 7-5.

17.3.45 S 47/45

Draft Memo for appl. It also asks the D.P.I. to send the personal files of the two officers at Q above

17.3.45 S 47/45

(Issued as Genl. No. 10552-A-1, dated 13-3-1945.)
C.No.15/45. From the D.P.I., CL.No.15/45, dated 24-3-1945.

Para 1 of the Memo.: The D.P.I. states that consequent on Sri P. Narayana Gowd joining duty as Principal, Govt. Training College, Rajahmundry, the post of Lecturer in Science (in the M.E.S.) in that college becomes superfluous. He therefore suggests that Dr. S. Gopalakrishnamurti may be transferred from the Training College, Rajahmundry. It may be noted that Sri Narayana Gowd was Lecturer in Chemistry in the C.D. College, Anantapur, and on his promotion, the post of Lecturer in Chemistry in the C.D. College has fallen vacant. It is not clear how the Director says that no direct vacancy in the Chemistry unit of the M.E.S. has arisen - ^{his} statement at "A" on p.1 C.F. It is true that the post of Lecturer in Science in the Govt. Training College has become superfluous, but it does not do away with the vacancy in Chemistry in the C.D. College. In the circumstances, it is for consideration whether the vacancy in the post of Chemistry may be filled directly by the appointment of a candidate in the approved list or by giving effect to a series of transfers as suggested by the Director.

Para 2 of the Memo.: The next point to be considered is in regard to the posting of Dr. S. Gopalakrishnamurti. Dr. Gopalakrishnamurti is a direct recruit to the M.E.S. and joined duty on 18-9-1940. He was granted extraordinary leave from 7-7-1941 to 2-4-1942, as he had to take the L.T. degree within the period of his probation. From 3-4-1942 onwards he has been continuously working in the Govt. Training College, Rajahmundry. If it is proposed to negative the proposal of the D.P.I. in para 1 of the ^{recommends} roll on pp.1-2 C.F., Dr. Gopalakrishnamurti can be posted only to the Presidency College as there is no other vacancy in which he can be appointed. ^{This will avoid all other transfers.} If, on the other hand, the proposal of the D.P.I. is approved, the

point for consideration is whether Sri T.M. Margasahayam Chettiar or Dr. Gopalakrishnamurti should be appointed to the Presidency College. The Director's ~~remarks~~ ^{present} remarks on this point are contained in para 3 at p.3 C.F. The personal files of the two officers are kept below. It may be noted that late Sir Meverel originally recommended the posting of Margasahayam Chettiar as Professor of the Presidency College. But subsequently on ~~that~~ a representation of Dr. Dey, the temporary appointment of a Lecturer ~~was~~ ^{was made} in the Presidency College. For orders.

He hedges in the staff: by referring out to vacancies caused by retirement or appointment of leaves. a vacancy caused by transfer, or promotion, or it has happened here.

Mr. P.A. Parthasarathi Ayyangar may fill the Chemistry vacancy in the C.D. College and Dr. Gopalakrishnamurti, the Physics Professorship in the Presidency College; unless Mr. Margasahayam Chettiar is to be preferred for the Presidency College, in which case Dr. Gopalakrishnamurti may go to Kumbakonam. No other transfers appear called for.

Spec'd in office - in view of B's at f.b. of 27/3/45.

D.P.I.'s proposal may be approved - we want the best man in the Presidency College. 28/3/45

A draft order is subd. for approval. Better to ~~ask~~ ^{ask} tell D.P.I. that he may make the postings - in view of the later correspondence. House para 2 of draft.

P 3 C 2 of 250 11/2 25/1/45 R 90
