Sir,
War - Evacuee University Students -
Financial assistance to.

Reference your No.10823/44 dated 5-12-44, to father of Mr.R.Santhanam and Miss.Janaki, Mr.P.C.Raghavachariar, Head Clerk, Religious Endowments Board, Singapore, is stranded in Singapore. He was not in Government Service in Malaya, and a true copy of the order of the Malayan Representative refusing to grant financial assistance is annexed hereto for your information. Mr.R.Santhanam and Miss Janaki were receiving a sum of Rs.25/- each per mensem together with College tuition fees from the Director of Public Instruction, Madras, with effect from the current academic year, and I am informed their application was forwarded to the Collector of Madras for grant of financial assistance under the Government of India financial assistance scheme to evacuee University students. I have examined both Mr.R.Santhanam and Miss Janaki, and I am satisfied that they were receiving financial assistance from their father Mr.P.C.Raghavachariar up to the commencement of hostilities with Japan in 1941. They have a mother and two other sisters. Their uncle Mr.N.R.Swamy is employed in the Military in the Depot Battalion on a salary of Rs.400/- per mensem. He is able to send some help to them monthly. Mr.N.R.Swamy has ~~has~~ besides his family, two of his brother's families to support, and it is not possible for him to pay for the University education and maintenance of Mr.R.Santhanam and Miss Janaki. Mr.R.Santhanam and Miss Janaki applied to the Collector of Madras for an educational concession on the ground that their uncle was employed in the Military and in L.Dis.No.3872/43 dated 20th August'43 to the Collector of Madras they were informed that they were not eligible to any concession, under G.O.Nos. 272 dated 16-2-42 and 695/Education dated 11-5-42. They then applied also to the President, District Soldiers Board, Madras-Chingleput, and they were informed that they were not entitled to any educational concession as their father who is a prisoner of War was only a civilian and not a soldier.

I am informed that their applications for financial assistance for University education were submitted, early in July this year, and it is regrettable that they have not obtained any assistance so far. Their applications are bona-fide and deserve immediate consideration.

I recommend both their applications for financial assistance for University Education, and I request that the Provincial Government may grant them a repayable advance as early as possible and later obtain sanction from the Government of India for converting the same into a non-repayable grant as is mentioned on page 11, para 3, of the Resume of Instructions concerning assistance to be given to evacuees in India (Second & Revised Edition), as they are deserving cases.
