In the G.O. quoted above the Government have sanctioned one waterproof cape with head cover for one cycle peon of the Stanley Hospital, Madras. The Superintendent, Stanley Hospital now reports that the peons returning on rainy days after delivering the letters sent through them return completely drenched and as a consequence they frequently fall ill and the work of the hospital gets often dislocated. He also states that two of the five peons (4 gate peons and 1 night watchman) are by turn on night duty to go round the hospital at intervals operating the bell-tale time-piece boxes fixed in the several places in the hospital in view of the frequent thefts that were occurring in

- 2 -

in the hospital and that during the rainy seasons they find it very difficult to make the rounds without any protection. Hence he requests that three rainproof capes with head cover will be required (one with the existing sanction plus 2 additional) by keeping them in office and supplying them to the cycle peons and night watchmen according to their requirements. The two cycle peons of the Medical College, Madras are each provided with a waterproof cape and turban cover in G.O.No.71 Education dated 16-1-1941. The cycle peon in the Stanley Medical College, Madras is also provided with a waterproof cape and turban cover in G.O. Ms.No.136 Education dated 1-2-1944.

In the circumstances it is recommended that the Government may be pleased to accord sanction to the free supply of additional waterproof capes with head cover to the cycle peons and the gate peons of the Stanley Hospital, Madras once in every three years.

Mr 13/12

for Surgeon-General with the Government of Madras, Madras.

Sub clothing - Waterproof - Supply to the cycle peons and gate peons in the Stanley Hospital, Madras

The Surgeon-General has proposed

1204 the supply of two additional sets of waterproof capes

with turban covers for the use of the cycle peons and the

Gate peons of the Stanley Hospital, Madras. The proposal

1204 has been supported by the Supt. of Stationery. One of

the cycle peons in the Stanley Hospital is now being

supplied with waterproof capes + turban cover with reference

to the orders in G.O. No 281 Fin. d 24.9.1931. The supply

A of an additional set of waterproof clothing for the use of the peons doing messengerwork in the
