[Despatch Abstract.]

Education - Science student - Miss. Angelina Kumala
Chelliah - American College, Madurai - Financial assistance
for 1944-45 - Government of India's sanction - Com-
municated.

2.
her fees, she has represented to me that she was obliged to pay the fees out of the financial assistance granted to her mother. A sum of Rs.50/- is paid to her mother every month for the maintenance of herself and her five children. It would be extremely hard for an evacuee to pay College fees out of the small maintenance allowance that is paid to her. I am informed that Miss. Florence Moses would be required to pay the fees this month, and it will be hard again to pay this money out of the maintenance allowance that is paid to her mother. It is requested that the Government of Madras may issue instructions to the Collectors in the districts to grant evacuee students repayable advances and later obtain sanction from the Government for converting them into non-repayable grants, if necessary.

I regret that the instructions issued by the Government of India for evacuee students who joined the University in 1944 are eligible for financial assistance if the circumstances warrant the grant of the same, are not known to the Collectors in the districts. I request that the Collectors in the districts may be informed of these orders at an early date to prevent them from rejecting the applications filed by evacuee students who joined the University this year.

An extract from the copy of the letter written to me by the Collector of Madura in connection with an evacuee student is reproduced below for your kind information.

"I invite your attention to the instructions in the first para in Sec. XIII in the Resumé of Instructions (Second & Revised Edition) about the grant of financial assistance to evacuee students in Indian Universities. As Miss. Angelyna Kamalam Chelliah has become eligible for admission to the University only in 1944, she is not eligible for the receipt of the assistance applied for".

Dated Madura, the 4th July 1944.

Sir,

I am an Evacuee student from Rangoon, Burma. My father was employed in Messrs. Steel Brothers and Company Limited, Rangoon, and was in receipt of a salary of Rs. 180/- per month. He remained on duty until orders were given by the Company to evacuate to India and he started trekking about the middle of April 1942 via Kalewa - Tamu-Manipur route. He took ill on the way and was admitted into the Emergency Hospital at Pandu where he died on the 18th May 1942, leaving behind wife and four daughters.

2. I am the second daughter and am 15 years of age now. I was studying in the A.B.M. High School, Rangoon. All the members of our family, excepting father evacuated from Rangoon on the 26th of December 1941 and have since been living in Madura. I have now passed my High School Final Examination and have been declared as eligible for college course.

3. I have now joined the Junior I.A. class in the American Mission College, Madura. The details of the expenditure I have to incur during the academic year 1944-45 are as follows:-

	R.	as.	ps.
(a) Tuition fees at Rs. 30/- per term for three terms.	90	0	0
(b) Special fees at Rs. 8/- per term	24	0	0
(c) Laboratory fees	18	0	0
(d) Cost of books	20	0	0
(e) Clothes for one year	100	0	0
	R.	312	0 - 0

4. My mother has not so far received any maintenance allowance under the Government of India scheme; but she has been drawing Rs. 120/- per month as advance payment from my father's Provident Fund account with Messrs. Steel Brothers and Company, Rangoon (now at Calcutta) from July 1942. The amount to my father's credit in the Provident Fund account at the time of his death was approximately Rs. 2000. My mother has to support besides myself, my three sisters studying in the Junior B.A. class, fifth form and third form respectively. Owing to the increased cost of living it has not been possible for my mother to maintain and educate us with the advance she is drawing from my father's Provident Fund account and she has had to incur debts. If I do not receive any financial assistance from Government towards my education my mother will be obliged to incur further debts or in the alternative I may be compelled to leave the college.

5. In view of the facts stated above, I beg to request that I may be given the necessary financial assistance for my education under the Government of India Scheme.

G.O. No. 40770-13.Edn. dated 23-8-44.

I enclose the application of Miss. Angelyne Kamalam Chelliah
for the grant of financial assistance for her University education
during 1944-45 and offer the following remarks.

2. The student is studying in the Junior Intermediate class in the
American College, Madura. She is the sister of Miss. Enaline Chelliah
for whom I have recommended the grant of allowance in my letter Ref.
No. 6660-G-44-B-10 dated 5-9-44. Just like her sister she has also
been granted tuition fees and books allowance by the Director of
Public Instruction, Madras. But in addition to this allowance the

12 student has to pay Rs.38-14-0 as special fees for 1944-45 as the concession granted by the Director of Public Instruction, Madras is limited to the tuition fees and the cost of books.

I therefore request that orders of the Government of India may be obtained to Miss. Angelyna Kamalam Chelliah the sum of Rs.38-14-0.

the student gets exemption from college

by two letters for the brothers & sisters of 'soldiers' serving in the present war. The D. P. I., Madras, who was asked to confirm the information has ~~not~~ reported that Angelyna Kamalam Chelliah, in her application, her college Principal, stated that she was dependent on a brother of hers who had been enrolled under the Indian Army Act with liability to serve overseas in a theatre of war. This relationship has secured for her the ~~State's~~ assistance ~~refd~~ to above which ~~covers~~ from the beginning of the current year, exemption from school as well as tuition fees. Education - Evacuee student - College and University study - Miss Angelyna Kamala Chelliah - Assistance for 1944-45.

At C.F. 11-12, the Collector of Madras has recommended in view of the exemption from the tuition fees and the grant for books, etc. received by the student, an allowance of Rs.38-14-0 towards the special fees payable to the college. But, in G.O. No.1305-Edn., dated 4-9-1944, the levy of special fees has also been waived, as part of the educational concessions for "soldiers' children and dependants." The Collector's attention may be drawn to this G.O. It should also be explained to the Government of India that, in view of the concessions in question, it is not necessary to grant any help to the student under the Govt. of India scheme of assistance for evacuee children. Before doing so, it is perhaps better to send the papers u.o. to the D.P.I. and find out the circumstances in which the Provincial Government's educational concessions in connection with war service were extended to the student, particularly as there is no reference in the student's application to any of her brothers serving in a Defence service, which would make his sisters eligible for these concessions.

U.O. reply No. 1680/4 dated 26-10-44.

The application from Miss Angelyna Kamala Chelliah submitted through the Principal of the American College, Madras, states that she is dependent on her brother who has been enrolled under the Indian Army Act with liability to serve overseas in any theatre of war. It would therefore appear that she is eligible for the concessions sanctioned in G.O. No. 695, E. & P.H., dated the 11th May 1942.
