Sir,

Sub: Budget - 45-46 - Part II Education - panchyat schools -

I submit below my proposals in respect of Part II of the budget for 1945-46. I also invite attention of Government to their Memo No. 3771-A-1 dated 15th March 1944.

There are 2366 teachers sanctioned for 1512 panchyat schools in the Province. The Present policy is as far as possible to convert single teacher schools into schools with atleast two teachers. Proposals are accordingly sent by the educational authorities and are being sanctioned by me. To give full effect to this policy of Government, there should atleast be 2366 teachers for 1512 schools as against the existing provision of 2366 teachers. Of the 2366 teachers sanction has been accorded for the entertainment of 2365 teachers and there is provision for sanctioning one teacher only. The conversion of single teacher schools into schools with more than one teacher has to be done by slow degrees. The provision now available for the entertainment of 1 teacher is not sufficient for 1945-46. The District Educational Officer's have p.to.

Employment of additional teachers in Panchayat schools. Part II Scheme - 1945-46

Since 1926, Panchayats are used as an agency for the spread of elementary education in rural areas. Grants are given from Provincial funds towards the salaries of teachers in Panchayat schools at fixed rates. The Inspector of Ml.Cls. and L.Bds. or his Deputies disburse these grants. There is a proposal to transfer the control of Panchayats to Collectors and a Bill on the subject has been published for criticism. It is understood from L.A. that the Bill will become law shortly.

2. There are at present 1512 Panchayat schools and the existing sanction 2,366 teachers can be employed in these schools. The Inspector of Ml.Cls. and L.Bds. has reported that sanction has been accorded for the employment of 2,366 teachers and the provision for the remaining one teacher will not be sufficient for 1945-46. He, therefore, suggests that provision for the employment of 150 additional teachers may be made in the budget for 1945-46. The policy of Education department has been to eliminate single-teacher schools as early as possible and to have schools with at least the first five standards. To give effect to this policy, additional teachers have to be employed in Panchayat schools. The cost of the scheme as estimated by the Inspector will be as follows:

Ultimate cost.	Cost in 1945-46 (11 months).
Rs.	Rs.
Grants for 150 teachers at Rs.180 per teacher	27,000
Dearness allowance for 150 teachers at Rs.10 each p.m.	18,000
	45,000
	41,250 (41,300)

3. The file may be sent to the Finance Department for remarks.

(2) Payment to the undermentioned Panchayats of Rs.1500 each towards the grants specified against them towards the construction of buildings estimated for 1937-38.

The need for the employment of additional teachers in the Panchayat schools is explained in the Inspector's letter at pages 1-2 C.F. & PH support the Inspector's proposal.

The bulk of elementary education in the Province is provided for either by the District Boards and Municipal Councils or private managements. To ~~enable~~ ^{encourage} the opening of schools in school-less centres with a population of 500 and above, the Government placed in 1926-7 an allotment at the disposal of the Registrar General of Panchayats for the opening of about 300 schools by the Panchayat Boards, each Board being given an annual grant of Rs 180 per teacher and a non-recurring grant of Rs 80/- ~~xxx~~ towards equipment. The number of schools was subsequently increased and there is provision at present for payment of grants to 1512 schools and 2366 teachers ^(including the C.F. & PH support). The appointment of 150 additional teachers was last sanctioned in 1943-4 - G.O.No.1109 Edn., dated 18-8-1943. Proposals of the

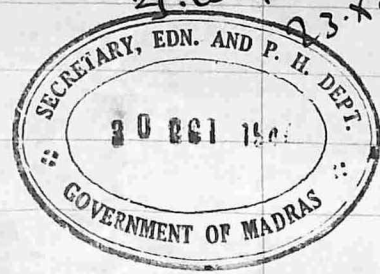

Inspector for the employment of 150 additional teachers in connection with Part II of the Budget for 1944-5 were received too late for consideration ~~xxx~~ as Part II Scheme for 1944-5. Hence they were not proceeded with. In view of the policy of the Government to eliminate single teacher schools as early as possible, and as the closure of these schools would be to deprive the school-less areas of the ~~benefit~~ ^{going forward as a Part II Scheme for 1945-6} of the schools, Finance may perhaps agree to the proposal ^{subject to orders} being taken in circulation including A-1 as to whether the scheme will be considered essential.

PART II SCHEME FOR 1945-46.

[SUBJECT.—Employment of additional teachers in Panchayat Schools.]

Summary.

Head of account.	Item of expenditure.	Ultimate cost (recurring). RS.	Cost in 1945-46 (recurring). RS.
37. Education—1. Primary Grants to local bodies for Primary Education—B. Panchayats—1. Teaching—Authorized.	Grants to panchayats for employment of 150 additional teachers at Rs. 15 per mensem plus dearness allowance at Rs. 10 per mensem for each teacher.	45,000	41,300 (for 11 months.)

Under a scheme initiated in 1926, panchayat boards are utilised as an agency for the spread of elementary education in rural areas. Grants are given from Provincial funds on the following scale in respect of teachers employed in the elementary schools opened by them :—

	RS. Per annum.
Secondary Grade trained teacher	240
Higher Elementary Grade teacher	180
Lower Elementary Grade teacher	144

The Inspector of Municipal Councils and Local Boards disbursed the grants. He has been authorized so far to sanction grants for 2,336 teachers distributed over 1,512 panchayat schools. Some of them are, therefore, of necessity, single teacher schools at present

2. The general policy is to eliminate, as far as possible, single teacher schools and to develop them into complete schools with five standards by appointing additional teachers. The process requires the provision of additional teachers for certain panchayat schools. The Inspector suggests that provision may be made for 150 additional teachers in the Budget Estimates for 1945-46. All of them should be of the Higher Elementary Grade as the Lower Elementary type is now not accepted. The total cost will be Rs. 27,000 a year, to which should be added Rs. 18,000 for dearness allowance. It is proposed to accept the proposal and instruct the Inspector to sanction the additional teachers only where school attendance justifies their employment. The amount required for 1945-46 (11 months) will be Rs. 41,800. That may be provided in the next year's budget.
