No. B-6-5665/44 dated 22-12-1944.

CLOTHING - Ordinary & Warm - Supply to the Watchmen of the Stationery Office and Stores - Sanction - Request of.

There are at present three Gurkha watchmen (temporary) and three Non-Gurkha Watchmen (permanent) in the Stationery Stores. The Gurkha watchmen do night and day duty at Guindy by turns. One of the three Non-Gurkha watchmen does duty at Guindy and the remaining two do night duty only by turns in the Shed attached to Beach Office.

The watchmen request that they may be supplied with uniforms, foot-wear and Cumblies. Their request appears to be reasonable owing to the high prices of the clothing material which they cannot afford to buy.

I request therefore that Government maybe pleased to sanction the following articles of clothing as per scale and period of wear noted below :-

3 Gurkha Watchmen (temporary). 1 One cumblie to each person,
3 Non-Gurkha Watchmen (permanent). 1 once in three years.

3 Gurkha Watchmen (temporary). .. Two khaki drill half-arm shirts and two khaki drill shorts once in a year to each Watchmen.

-do- -do- .. A pair of Chrome sandal to each person to be renewed when rendered unfit for further use but not earlier than 2 years.

The period of the ~~the~~ temporary Gurkha watchmen expires on 10-2-1945 or until the termination of the hostilities whichever is earlier and sanction of Government for their continuance will be applied for separately.

The expenditure involved if the supply is sanctioned will work out to Rs.68/-

The clothing supplied to the temporary Gurkha Watchmen may be ordered to be returned to this department, should the temporary post cease to exist before the expiry of the period of wear fixed.

Sir,
Clothing - ordinary and warm - supply to the watchmen of the Stationery Office and Stores - sanction - requested - My letters B.6.5665/44, dated 22-12-1944 and 2-1-1945, your post of telephonic message dated 5-3-1945.

In paragraph 2 of my letter dated 22-12-1944 I have already stated that the request of the watchmen for free uniforms was reasonable in view of the high prices of the clothing materials which they cannot afford to buy. The reasons justifying the necessity for the grant of free clothing to the watchmen are detailed below:-

The purpose of providing uniforms is to differentiate and identify the particular class of workmen; A watchman in uniform can command more respect than one in mufti. The mere fact that a man in uniform is at duty will inspire fear in those that approach him. Further, the Gurkha watchmen in commercial firms are supplied with free clothing. Hence, I am of opinion, that the watchmen of this office require free uniforms in the best interest of the discharge of their duties.

(Ad) Note: Please see the original and the revised proposals of the Supply Station on pp 1 and 5-6 CF regarding the supply of uniforms to the 3 temporary Lyabicha watchmen employed in his office. In his revised proposal the T.S. has changed the period of wear of the uniforms to 2 years as suggested in the last sentence of the Lm. on pp 3-4 CF. The period of wear of the uniforms supplied to the Lyabicha at the Govt Prison and to the cycle pens in the Sectt. is 2 years. This may be adopted in the present case also. The S.S.'s revised proposal may be accepted with the modification suggested above. A draft order is out for approval. Amara may see before issue.

Finance (Q/A)

In his letter on 11.5.45, the Supt of St. has not exp. raised, with reference to the point at X on p. 3 of, ^{why} the 3 temporary watchmen of the St. Street at Ginning should be allowed free clothing as proposed, while the other watchmen in the City offices do not get the concession. In the absence of adequate reasons justifying the necessity for the grant of free clothing as proposed in the draft order, Finance may advise against the Supt's proposal, which as otherwise, this will form an inconvenient precedent.

Please see the T.M. to the

Supt of Stationery on p. 3 of. Excepting the Chowkidars in the Sect and the Tins & Gate Keeper in the Court Press, the watchmen in the other offices in the Madras city are not supplied with clothing at Govt expense. In his reply on page 5 of the Supt of Stationery has not stated in detail the reasons in support of his recommendation. Presumably he considers that the supply should be made because the Gaurka watchmen have to do both day and night duty as Chowkidars in the Sect & the gate peon in the Court Press. The Supt of Stationery may be asked to specify the reasons justifying the grant of clothing.
