GOVERNMENT MUHAMMADAN COLLEGE, MADRAS - Payment of
Special grant for the replacement of books materials
damaged in floods-proposals - submitted.

The Principal, Government Muhammadan college, Madras, states that the games materials of the college remained submerged in water for over 36 hours in the floods of 1943 and a lot of them became quite useless. He could not replace them from the games fund of the college so far as the closing balance in the fund is very small, viz. Rs.70/-. This fund consists of the games fee collected from the pupils and the Government grant not exceeding one third of the fees collected with reference to item 24 of appendix 7 of Madras Financial Code, Volume II. The total estimated cost of replacing the articles is Rs.300/-. As the Accountant-General is of opinion that I cannot make a grant for the purchase of games materials to the college with reference to ~~the~~ item in the Madras Financial Code, Volume II-quoted above, I request you to be good enough to obtain the orders of Government for the payment of a grant of Rs.300/- to the games club of the college in the circumstances stated above towards the replacement of games materials. The expenditure will be met from the provision under 37(b)- Education - University - Government Arts colleges-(b) A. Arts colleges - Men - (b) A.6. Other contingencies - Authorised - Games in the Civil budget estimate for 1944-1945.

I have the honour to be,

Your most obedient servant,

Director of Public Instruction. 15-2-45

C6874 from the D.P.S. R.C. No. 1055A/44 of 14.2.45

Govt. Muhammedan College, Madras -
Grant for replacement of games materials

of.

The D.P.S. requests sanction for the
payment of a grant of Rs. 300 to the
Games Club of the Govt. Muhammedan College
towards the replacement of certain games
materials damaged in the floods of 1943.
Under item 24 of Appendix 7 of the Madras
Financial Code, Vol II, the D.P.S. can sanction
an annual grant-in-aid not exceeding
one-third of the amount of the subscription
raised by the members of a games
club attached to a Govt. College. The
Director says that the sum of Rs. 30-

P71 of Finl
Code, Vol II

required cannot be met for the games fund of the Muhammadan College as the closing balance in the fund is only Rs. 70. In the circumstances, a grant of Rs. 300 may be sanctioned. A draft order is submitted. It may be sent to Finance for acceptance.

wa 1.3.45/My 8/3/45-

Floods caused damage to school & college property in various cases. E.g. Govt. found it necessary to make good the loss in the case of the Y.M.C.A. College of Physical Training, Saidapet. This may be accepted.

Finance (Exp)

The proposal is to sanction a special grant of Rs. 300/- to the Madras Muhammadan College Games Club, towards replacement of games materials damaged by the flood.

Edn and P.H. No: 6874C-1 8.3.45

in 1943. It is reported that the Games Fund of the College has a balance of Rs. 70 only, which would be insufficient for the purpose. The E.P.H. Dept. recommend that a grant of Rs 300 may be made on the analogy of the grant to the Y.M.C.A. Physical Training Class for Women, Saidapet. In the circumstances, this Dept. may agree to the grant and suggest a sum of Rs 230 for the purpose.

Please see below 13.3.45

2. Special grants of this kind which fall outside the scope of the Grants-in-aid Code should be treated as on a 'New Service' - cf. section B(d)(4) on page 6 of the 'New Service' pamphlet. E.P.H. may therefore be requested to obtain orders in full circulation and to obtain the authorisation of H.E. the Governor to a supplementary estimate of expenditure. The supplementary estimate may be prepared next year as it is too late to prepare it in the current year. The expenditure can be incurred only next year.

Through B.G. 12.3.45

The floods occurred in October 1943 and the application for a special grant-in-aid was received by the Government only in February 1945.

The case of the Y.M.C.A. Physical Training Class referred to in E and P.H. note is not quite analogous to the present case. That case related to the loss of personal belongings including valuable cattle, sheep and fowls and the Government gave a special grant to enable the College to replace the lost cattle etc. with a view to production of food. No such consideration exists in this case. The members of the Games Club of the College ought to be able to raise sufficient subscriptions for replacing the games materials lost in the floods of 1943. The Government have not given grants for similar purposes in the past and it will be setting an inconvenient precedent if an exception is made in this case.

10426

Finance may accordingly advise that the D.P.I.'s proposal need not be accepted.

Fin no 11968EB1 14.3.45

For orders whether the Director's proposal may be negatived as suggested by Finance. The Finance Dept. is P.H. Dept.

raise the subscriptions necessary
for replacing the lost materials.
