Sub: Audit report on the accounts of the Workshop of the Engineering College, Guindy for the year 1942-43 - Recovery of centage charges from Government Departments Orders requested.

The Accountant-General, Madras in his report on the audit of the accounts of the Engineering College Workshop from October 1942 to June 1943 has suggested that centage charges to cover value of materials and labour may be recovered from Government Departments as is done in the case of private jobs undertaken by the workshop. The College Workshop is not intended to serve the needs of Government Departments and its main work is instruction for students. At present, centage at 33 1/3% is charged for works of private parties and no centage charge is recovered for works undertaken on behalf of Government Departments. The Accountant-General states that as the workshop is not intended to serve the needs of Government Departments centage charge may also be recovered from the Departments concerned at fixed rates with the sanction of Government.

2. The Principal, College of Engineering, Guindy who has been consulted in the matter reports that the Public Works Department Workshops charge centage for works of all Government Departments except the Public Works Department at 33 1/3%. He suggests that the same practice may be followed at the College and that all Government Departments except the Education Department may be charged a centage of 33 1/3%.

3. I support the proposal of the Principal and request that orders of Government may be obtained for charging centage at the rate of 33-1/3% for jobs undertaken on behalf of other Government Departments except the Education Department in the workshop of the College of Engineering, Guindy.

I have the honour to be,
Sir,
Your most obedient servant,

ASST. SECRETARY TO GOVERNMENT
 GOVERNMENT

PUBLIC WORKS DEPARTMENT
No. 2143-Ac/44-CR dated 6th September 1944

From
E.H. CHAVAN ESQ., C.I.E., B.Sc.,
Chief Engineer, P.W.D. (Gl. Bldgs. & A.C., Chepauk, Madras.

To
The Secretary to Government,
Education and Public Health Department.

Sir,
Sub: Workshops-Engineering College, Quindry - works executed on
behalf of Govt. Department - centages levy of proposals
to levy on the analogy of the rates adopted in P.W. Workshops
Madras.
For Re. 186/T-43 dated 2-8-1944 of the Director of
Public Instruction and Govt. Endt. thereon in No. 40118-C/44-2
dated 11th August 1944.

In returning herewith the above reference, I offer the following remarks:

So far as works carried out in P.W.D. Workshops are concerned, the percentages charged are those fixed from time to time separately by Government in consultation with the Accountant-General vide item 6(v) under Appendix 3 of the Madras Account Code, Volume III. Two kinds of centages are levied viz. one for "Indirect charges" and the other for "General charges". The Indirect charges are further divided into two kinds:

- 1) Departmental supervision and Tools and Plant charges (Ordinary tools)
- 2) Machine Hire (for Machines other than ordinary fitters tools).

The rates now in force in the Public Works Workshops at Madras for

for works carried out on behalf of other Provincial Departments are given below:-

- 1) General charges - 46% on labour (Authority P.W.D.G.O.Nos. 1173 dated 15-6-1937 and 2601 dated 26-11-1943) *taken by P.W.D.*
- 2) Indirect charges: (a) Departmental supervision: 15% for works costing over one lakh and 15% for other works (authority PWD G.O.No.2175 dated 16th Sept.1941. *W/80.81*)
(b) Machine Hire: at rates varying from Rs.1-4-0 to Rs.3-0-0 per machine per hour as given in the Annexure to P.W.D. G.O.No.2175 dated 6-9-1941 *W/80.81*

The above detailed method of levy of charges prescribed for large workshops such as the P.W.Workshops at Madras doing works of various nature seems unnecessary for the workshops in the Engineering College, Guindy.

M. S. S. S.

Office of the Director of Public
Instruction, Madras 14-9-1944 ⑤

From

Sir R.M. Statham M.A., C.I.E.,
Director of Public Instruction, MADRAS.

To

The Secretary to Government,
Education and Public Health Dept.,

Sir,

Sub: Audit Report on the accounts of the workshop of the Engineering
Guindy for the year 1942-43 - Recovery of centage charges from
Government Departments proposed.

45680

Ref: This office letter R.C.No. 188.H/43, dated 2-8-1944. *p/1*

Due to misapprehension arising from the wording of the letter from the Principal, College of Engineering, Guindy on the subject, it was -- stated in para 2 of my letter cited above that the P.W.D. workshops charge centage for works of all Government Departments except the P.W.D. at 33%. It is now understood that it is not correct and that the P.W.D. charge a different rate. The levy of 33.1/3% centage for works undertaken by the college is the rate recommended by the Principal for approval. I therefore request that orders of Government may be obtained for the proposal as early as possible.

Sub: Engineering College Workshop - Works done for other
departments - Recovery of centage charges - Fixation of.

With reference to Govt. Memorandum No.40118-04, Edn., dated
25-10-1944, I have the honour to submit herewith two lists of
statistics showing the nature and value of works undertaken by
the Engineering College Workshop for other Government Departments
during the years from 19-38-39 to 1940-41 and from 1941-42 to
1943-44. It will be seen from the statement that the College
Workshop receives very few orders from other departments. The
works done for Technician Training Scheme have been omitted
in the lists as they are not treated as orders from outside
departments.

I have the honour to be,
Sir,
Your most obedient servant,

T. Arun Nanyan
for Director of Public Instruction.

Sir,

Sub: College-Engineering workshop-Centage charges-recoverable from Central Government departments, for work done in the College workshops.

I invite a kind reference to G.O. No. Mis. 525 Education and Public Health Department dated 5th April 1945 ordering the levy of centage charges for certain works done in the workshop of the College of Engineering, Guindy. It is presumed that the orders would take effect from 5th April 1945. (i.e.) would apply to works of the Central Government departments, executed from 5th May 1945. I request to be informed whether this presumption

College - Engineering - Works undertaken on behalf of Govt departments - Centage Charges - Levy.

In connection with the audit of the accounts of the Workshop attached to the College of Engineering, Madras, the A.G. has suggested that Centage charges may be recovered from Govt departments in respect of works executed for them as is done in the case of private jobs undertaken by the workshop. The Principal, Engineering College and the D.P.D. have proposed that Centage at the rate of 33 1/3% may be charged for Govt departments except the Education Dept for jobs executed for them.

2. The remarks of the C.E. on the proposal are at pp 5-bcf. The C.E. states that the rates of Centage now in force in the P.W. Workshops, Madras, for works carried out for other Govt depts are as follows:-

- 1) General charges - 46% on labour.
- 2) Indirect charges:
 - (a) Departmental supervision - 15 1/2% for works costing over 1 lakh & 15% for other works.
 - (b) Machine hire - at varying rates.

The case may be sent to P.W.D. and Finance for remarks.

$$\begin{array}{r} \text{wa} \\ 30.9.44 \\ \hline 50 \\ \hline 30.9.44 \end{array}$$

In support of that view, may be adduced the fact that tests such as those relating to producer gas plants, if conducted on behalf of Government, are done free of cost while fees are levied only for tests made on behalf of private parties. If, however, the Director's proposal should be proceeded with, a detailed report may be obtained as ^{to} the nature ^{and value} of the work which the Engineering College workshop ^{has been doing} ~~did~~ for other Government Depts.
