In resubmitting herewith the letter from the Commissioner,
Salem Municipality, I have the honour to state that there seems
to be no objection to the Government permitting the proposed
expenditure.

2) In this connection, I may add that as there are already
two colleges one under Municipal Council Salem and the other under
the Guntur Municipality and as many more colleges are likely to
spring up in the future, Government may perhaps issue orders in
respect of colleges under the control of local bodies permitting
them to incur expenditure scouting without any outside sanction
on the analogy of the orders contained in G.O. No. 1050 Local and
Municipal dated 27-3-1931.
