BUDGET ESTIMATE - Elementary Education Dund - Tanjore District Board - 1945-46.

REF: Letter R.C.No.B.5-30884/44 dated 29-11-1944 of the President, District Board, Tanjore.

Submitted.

2. Variations between the sanctioned budget and the revised estimate and the need for the provisions made in the Budget Estimate for 1945-46 have been explained by the President.

3. Revised Estimate - 1944-45.

(i) The credit taken for Rs.1,10,220/- as Government grant under Section 37 of the Act should be raised to Rs.1,10,223/- ,With reference to Government Order No.Ms.1246 Edn., dated 23-8-1944.

This has been [illegible]

(ii) The credit taken for Rs.2,52,830/- as Government grant under the proviso to Section 37 of the Act should be reduced to Rs.2,52,824/- with reference to Government Order No.616 Edn., dated 21-4-1944 and No.674 Edn., dated 1-5-1944.

Now [illegible]

(iii) The proposed expenditure under 'Staff' and the total ordinary expenditure exceed the sanctioned budget and therefore the orders of Government should be obtained for the excess.

The increase is due to the grant of dearness allowance which has been permitted by Govt.

4. Budget Estimate - 1945-46:

(i) The credit taken for Rs.1,10,220/- as Government grant under Section 37 of the Act is liable to revision with reference to the amount of education tax that may be adjusted to the credit of the fund at the old rate during 1944-45.

(ii) The credit taken for Rs.2,52,830/- as Government grant under the proviso to section 37 of the Act should be reduced to Rs.2,52,824/- with reference to para 3(ii) above.

(iii) The total receipts under "capital" is Rs.23,760/- for a total expenditure of Rs.30,000/-. The additional amount required should be transferred from "Receipts - Ordinary".

5. There are 148 schools (126 for boys and 22 for girls) held in unsuitable or inadequate buildings. The board may prepare schemes for the construction or extension of buildings in consultation with the Inspecting Officers and execute them in the order of urgency, after obtaining the approval of the Director.

This may not be possible in view of the scarcity of building materials

6. The provision made for the appointment of 15 additional teachers may be utilised in part towards the appointment of Secondary Grade teachers reported to be needed in large girls' Schools, in consultation with the Inspectress.

7. About 300

7. About 300 schools for boys and some for girls are reported to be not equipped adequately or satisfactorily. The provisions in the budget may be utilised in full, in consultation with the Inspecting Officers.

8. The recurring expenditure exceeds the recurring receipts and the opening balance of Rs.42,990/- has been proposed to be drawn upon and reduced to Rs.490/-. It is, therefore, desirable to increase the contribution from the general account or to raise the education tax, so that the resources of the fund may be improved.

The Bd will give an addl. contribution for 1945 & the position will then be well off

9. Time scales of pay are in force and leave salaries and Travelling Allowances are paid to the teachers. Dearness allowance also is paid.

10. The suggestions of the Inspecting Officers are not accepted and attended to promptly by the Board and this involves avoidable delay and expenditure.

Enc. Budget.

R.C.B.5.No.30884-44 dated 29th November, 1944.

Sir,

Budget Estimate- Elementary Education Funds- Tanjore District Board- 1945-46- forwarded.

Ref: ~~Xmmx~~ Letter C.No.3634-B-44 dated 9-10-1944 of the Director of Public Instruction, Madras.

I am forwarding herewith the budget estimate of the Tanjore District Board for 1945-46 relating to the Elementary Education Fund, together with the prescribed summary and statement, with details in regard to each item of expenditure and copies of the district board resolution approving the same. No provision has been made in the budget for repairs to rent-free buildings.

In respect of buildings- "Capital" the instructions issued in para 2(d) of the letter of the Director of Public Instruction, have been adhered to. The variations between the actuals for 1943-44, the revised estimate for 1944-45 and the budget estimate for 1945-46 under "Salaries of Masters" are due to the provision made for the payment of dearness allowance to the elementary education establishment at the rates admissible to Government servants and the usual increments due to them in the respective time scales of pay.

I hereby certify that the provision made in the budget in regard to staff, equipment, accommodation etc., is based on the actual ~~xaqxie~~ requirements of each school and with reference to the recommendations of the Inspecting Officers.

The schedules of establishment in respect of the several taluks are being forwarded to you by separate post.

President.

The Government while passing orders on the Budget Estimate for 1945-46 in G. O. No.Ms.529. Education dated 6th April 1945, reduced - the contribution from the General Account to the Elementary Education Account from Rs.2,90,000/- to Rs.1,95,000/- thus making a cut of Rs.95,000/-. The additional income of Rs.96,785-7-0 realized as per G.O. No.1024.Education dated 11-7-'45 under section 37 of the Elementary Education Act has therefore to be utilized in making good the reduction of contribution from the General Account ordered by Government ~~in the~~ with the result that the net additional income available by this transaction comes to Rs.1785-7-0. The total net additional amount available under receipts for 1945-46 over the amount budgetted is therefore Rs.18,822-14-2 plus Rs.1785-7-0 or ~~on~~ Rs.20,608-5-2. xxx An additional expenditure of Rs.1,75,602-12-0 has to be incurred in 1945-46, to meet the excess amount of dearness allowance to be paid to the Elementary Education Establishment.

xxx as against this sum of Rs. 20608-5-2,

4. The anticipated closing balance for 1945-46 will therefore be a deficit figure as detailed below:-

Closing balance as per Budget for 1945-46, approved by Government.	Rs. 1,490- 0- 0
Add surplus under opening balance and receipts.	Rs.20,608- 5- 2 +95000
Total.	Rs.22,098- 5- 2 117 098
Additional expenditure on account of dearness allowance.	Rs.1,75,602-12- 0
Net deficit.	Rs.1,53,504- 6-10

(4)

In addition to the deficit mentioned above, provision has to be made to an extent of Rs.25,861-3-0 in the year 1945-46, for the payment of Engineer's liabilities, including items covered by incomplete and un-commenced works (ordinary & capital) in respect of Elementary school buildings, as provision was made in the original budget for 1945-46, only for fresh items of works intended to be sanctioned and executed in the year. Thus the sum total of the deficit for 1945-46, would work out to Rs.1,79,365-9-10. or Rs.1,80,000/- in round sum.

5. As regards the proposals for aviding the deficit, I have to state that the Elementary Education Funds, with a heavy commitment on its resources consequent on the payment of Dearness Allowance to the Elementary Education Establishment, at the rates admissible to Government servants, will not admit of any adjustment within its own resources and the Board has no other means to find out the where-with-all to meet such a huge deficit, except relying on the generous help of Government. I therefore request that Government may be pleased to sanction a subsidy to this Board equivalent to the amount of the anticipated deficit, with a view to solve the problem, and place the Elementary Education Fund in a stable and satisfactory condition.

Subject: Budget Estimate - Tanjore District Board - Elementary Education Funds - 1946-47 - Orders solicited for balancing the budget.

***

Government, in their memoranda Nos.22762-A-45-1-Edn. dated 10th July 1945 and No.33669-A3-Edn., dated 17th October 1945, have ordered that the anticipated deficit of Rs.1,80,000/- in the Elementary Education Account at the end of the year 1945-46, should be made good by utilizing a portion of the arrear toll compensation of Rs.3,31,537-5-0 sanctioned in G.O.No.1048-L.A., dated 11th May 1945. I have accordingly claimed the amount and applied to the Accountant-General, Madras to issue necessary authorization to the Treasury Officer, Tanjore, for the payment of the amount to this Board.

As regards the financial position for 1946-47, a preparation of the skeleton budget for the year, reveals a deficit of Rs.1,42,000/- at the end of the year 1946-47. A contribution of Rs.1,95,000/- was taken credit from the General Account as was done for the budget for 1945-46. An expenditure of about Rs.70,000/- has to be provided in the revised estimate for 1945-46, and the budget estimate for 1946-47, under buildings - Ordinary and Capital, as recommended by the District Board Engineering department over and above the amounts normally provided in the budget of every year previously. Provision has been made in the budget for the payment of Dearness Allowance to teachers at the rate of Rs.16-18 and for the usual increments. Provision has also been made for expenditure in connection with the compulsory education scheme taking corresponding credit therefore under Government grants - in the receipts side - Ordinary and Capital.

I solicit the instructions of Government for balancing the budget for 1946-47. As a meeting of the Budget Committee of the District Board will be held in the last week of this month to consider the combined budget proposals of the General and Elementary Education Funds, the receipt of the orders of Government on this letter, on or before 25-11-45, would help the Committee to arrive at ~~their~~ its decisions.

President.

p.7-14 cf

The D.P.I. has forwarded with his remarks the revised estimate for 1944-45 and the budget estimate for 1945-46 of the E.E. Fund under the control of the Dt. Board, Tanjore. The estimates are examined below.

2. Revised Estimate - 1944-45

p.13 cf

⊗ p.48 cf Ⓕ

The ~~several~~ items under "Receipts" do not call for remarks. The increase× in the expenditure provided× for under "Ordinary" ~~exceeds~~ over ⊗ the allotment in the sanctioned budget is due to the grant of dearness allowance to teachers at ~~[illegible]~~ enhanced rates from 1.6.44 under the orders of Govt. The excess expenditure proposed under "Capital" requires the sanction of the Govt. It may be presumed that the President will apply for ~~the~~ sanction if necessary with reference to the actual expenditure.

p.48 cf Ⓕ

3. Budget Estimate - 1945-46

(1) There is a proposal to sanction contributions under section 37 of the E.E. Act in respect of Edn. tax levied at the average level of taxation worked out for the Presidency viz 3 3/16 pies in the rupee of land revenue in rural areas. The Dt. Bd. Tanjore is receiving a contribution for Edn. tax

tax at two pies rate. If the scheme of enhanced ~~additional~~ contribution goes through, the Dt. Bd. will get an additional subsidy of Rs 96,000 from Provl. funds. 'A'

5500×1 3/4

(2) Provision for the payment of a contribution of Rs 2,90,000 has been made from the general funds to the E E fund in the budget against the minimum of Rs 1,15,901 fixed by Govt. Without this increased contribution the budget will close with a deficit balance.

p 11 c/

(3) The necessity ~~[illegible]~~ for the provision× proposed under the several heads on the expenditure side has been explained by ~~the~~ the President.

2. On the basis of the B.E. for 1945-46, the General Fund of the District Board works at a deficit of Rs.44,730 after providing for a contribution of Rs.2,90,000 to the Elementary Education Fund. If credit is taken for the additional grant of Rs.96,000 which the District Board is very likely to get in 1945-46 as grant equivalent to the proceeds of education tax levied up to the rate of 3¾ pies, the contribution necessary from the General Fund to balance the Elementary Education Budget for 1945-46 even after providing for a capital expenditure of Rs.30,000 under the Elementary Education Account is Rs.1,93,510. In view of this and the deficit in ~~reve~~ revenue in the General Fund and in view of the fact that the standard contribution to the Elementary Education Fund based on the contribution approved for 1942-43 is only Rs.1,79,900 in this case, this Department can agree to a contribution of only Rs.1,95,000 (in round figures) from the District Board's General Fund to its Elementary Education Fund for 1945-46. With this contribution, the Elementary Education Fund for 1945-46 will close with a balance of Rs.1,490. The contribution from the General Fund provided in the B.E. for 1945-46 may be reduced accordingly.

3. The additional grant of Rs.96,000 referred to in paragraph 2 above cannot of course be announced at present. It can be announced only after the Provincial Budget for 1945-46 is finally approved by about the last week of March 1945. Meanwhile, E.& P.H.Department may follow one of the two following courses in this case:-

(1) Orders may be passed now on the Elementary Education Budget leaving a deficit of Rs.94,510 without taking credit for the grant of Rs.96,000 and informing the ~~Council~~ dt bd that separate orders will be issued early in 1945-46 as to how the deficit can be avoided; or

(2) orders may be passed on the Elementary Education Budget in the last week of March 1945 when ~~with~~ the Provincial Budget for 1945-46 would have been finally

approved and when the credit for the grant of Rs.96,000 can be taken in the Budget.

Subsidy for dearness allowance to teachers

The P.D.B. Tanjore reports that there will be a deficit alone of Rs 1,80,000 at the end of 1945-46 in the E.E. fund account of the Dt. Board on account of the grant of dearness allowance to teachers at enhanced rates from 1.1.45. He requests that a subsidy of may be sanctioned from Provl. funds for meeting the deficit. The general funds of the Dt. Board have been ~~any~~ improved as a result of the various measures ~~under~~taken to augment the resources of local bodies. The L.A. Dept. may be requested to say what portion of the deficit can be met by an additional contribution from the general funds. If any deficit is left over it can be wiped out by an enhancement of the rate of Edn. tax which is now levied at 6 pies in the rupee of land revenue.

opening balance) the General Account-ordinary of the Tanjore Dt. Bd. is expected to close with a balance of Rs 9,04,509 (according to the BE for 1945-46). The P. DB. has separately reported that the unpaid bills outstanding on 31-3-1945 together with the liabilities in respect of certain incomplete works for which no provision is made in the Bd's BE for the current year amount to Rs 14,68,008. The extra expenditure involved in the payment of war and dearness allowances to staff ~~with~~ (debitable to the General Account) at revised rates with effect from 1-4-45 is reported to be Rs 86,230. If provision is made for these items there will be a deficit of Rs 6,49,729 in the General Account. This will be reduced by Rs 2,50,000 when the additional income from addl. land cess of 6 pies is realised by the Bd. The amount of additional revenue that the Bd. will get during the current year from Stamp duty and the proceeds of the Entertainments Tax is not known at present. An arrear toll compensation grant of Rs 3,31,537 has been sanctioned to the Dt. Bd. The question whether the grant can be drawn for the purpose of wiping off deficit, resulting from the payment of dearness and war allowances at revised rates, is separately under consideration. It is therefore not possible at present to state whether and to what extent the General ~~funds~~ Account ordy of the Dt. Bd. will be in a position to contribute to the Elementary Education Account to cover the anticipated deficit in that account.

With these remarks the file may be returned to E&PH.

The case is dealt with in the notes on pp 4-5 of the top file. It may be seen from that file that the B.E. of the E.E. Account of the Tanjore Dt. Bd for the current year closes with a deficit of Rs 84,366 only instead of Rs 1,80,000 reported by the P.DB. The Dt. Bd can draw a sum of Rs 84,366 from the arrear toll compensation grant (sanctioned to it during the current year) to wipe off the deficit in the E.E. Account.

With these remarks the file may be retd. to E&P.H.
