In inviting a kind reference to this office letter No.B. 2277/44, dated 25.4.1944 and the G.O.No. Ms. 1306 Edn., & P.H., dated 5.9.1944, I have the honour to request that sanction may kindly be accorded for opening a training school (Secondary and Higher Ely. To tide over the difficulty it is requested that as already represented in this office letter referred to above, the Board may kindly be permitted to open the training school attached to the Board High School, Hubbathalai from the next school year.

G.O. No. 1417, 28th August 1936

Leave—Special disability under Fundamental Rules 83 and 83 (a)—Medical Board to certify only the period of leave necessary—Nature of leave to be granted to be decided by Government—Instructions issued.

Order—No. 1417, P.H., dated 28th August 1936.

A question has been raised as to whether the Medical Board should have the power to recommend the grant of special disability leave to Government servants. The Surgeon-General considers that the Medical Board should certify as to the period of leave necessary and also recommend whether the leave should be ordinary medical leave or special disability leave. The Government are not prepared to agree with the view of the Surgeon-General. They consider that the Medical Board must necessarily confine its report and opinion to the Medical aspect of the case including an opinion on the period of leave required for recovery and that it is for the Government to decide whether in view of all the circumstances of the case, including those reported by the Medical Board, the grant of special disability leave is justified or not.

Schools - Training - The Nilgiris Dt Bd - Training School
attached to the Board High School, Hoothathalai, 6/11/45

p3cf Cno 8618/45- From the P.D.S. the Nilgiris NO 2277/44 8/7-45

p1cf al para. A From the D.P.S. Re no 2026-3/44 8/28-2-45

p1cf p ① Last year, the Nilgiris Dt Board proposed to
open a training school (Secondary & Higher Elementary
Grade) attached to the Board High School, Hoothathalai,
but it was not approved as it was too late to consider
the proposal and there were sufficient number of
training places in the Training School for Masters
Candidates, in the current year. The Dt Bd has
now renewed the proposal. The D.P.S. recommends
that the proposal may be approved subject to
certain conditions.

2. The scheme involves a non-recurring
2-1-51

expenditure of Rs 500 and a recurring expenditure of Rs 700 roundly per annum (Rs 600 on staff allowances + Rs 100 on stipends) - as detailed in paras 4 to 6 of the Headmaster's letter on p 5 cf.

3. Before approving the proposal, L.A. may be requested to say whether the D.S.D. can afford to incur the extra expenditure from its funds and whether the necessary provision has been made for this purpose in the general funds budget of the D.S.D. for 1945-46.

The stipends will be provided by Govt, I think - see p. 5 c.f. Dy. D. P. S. has considered to submit 24/3

16.3.45 The conditions specified in the proposal by the D.P.S. would suggest that he is not satisfied with the arrangements proposed by P.D.B. The D.S.D. has apparently still in view the possibility of working two Tg: schools with two high school staff - U/2

L.A. may however see with regard to para 3 above. S/L Mr. L.A. 24.3.45

F.O.H. No. 8618-1.B. 27-3-45.

Please see the 20th Sept note on p. 1-2 above. The remarks of this Dept are invited on the following two points:-

- (1) whether the Nilgiri D.S.D. can afford to incur the extra expenditure from its funds necessary for the starting of a training school attached to the B.H.S. Hukkalalan. and (2) whether provision has been made for this purpose in the genl. fund budget of the D.S.D. for 1945-46.

The genl. fund budget for 1945-46 has been observed from the D.S.D. for 1945-46. It is observed from the D.S.D. for 1945-46 that there has been no specific provision for the purpose of the training school. As regards the ability of the D.S.D. to incur a non-recurring expenditure of Rs 500 and a recurring expenditure of Rs 700 in 1945-46 the general financial position of the Board is examined below. The B.S. for 1945-46 of the D.S.D. closes with a deficit of Rs 58629 against the prescribed minimum balance of Rs 7610. The D.S.D. will get about Rs 1.44 lakhs in 1945-46 towards its share of the compensation grant.

The DSD will also get an additional income of about Rs 4000 in 1945-46 by the proposed increase of the rate of land cess by six paise in the rupee in all Ds. With the addl. income referred to above the Board will, ^{after} be able to pay off the cost of survey of roads in the Ds viz Rs 2,232-10-0 due to the Govt and wiping off the deficit under the Genl. Sect. Sect. only, have a small balance left by Rs 32,000 (in round sum) & this ~~small~~ balance will be required to meet the deficit in the Genl. Sect. Fund. On the basis of the R.E. for 1945-46 as approved by the Govt. the total ordinary annual receipts of the Bd. fall short of the total annual ordinary expenditure by Rs 53621 under the Genl. Sect. In the circumstances the Board cannot afford to increase its recurring commitments as proposed. With these remarks the file may be returned to the E.P.H. Dept. etc. This Bd. Dept. may suggest that the proposal may be referred for the present and that the Bd. may be asked to review its proposal in December 1945 if as a result of the several measures now under the consideration of the Govt. to augment the sources of its Bd. the Bd.'s B.E. for 1946-47 shows a surplus in body.
