There is such a lot of waste paper accumulations in the city of-
fices that we have not been able to clear them during the month of February
and we have a lot of calls pending. It is evident from the large stocks
that the Hand made paper Industry is not able to cope with the demands
of the office collections and keep them cleared.

We would therefore be pleased if you could agree for us to col-
lect during the month of March 1945, so that as much as possible can be
cleared during the 1944/45 period.

We also suggest that for the coming year 1945/46, that the exist-
ing arrangements be renewed for the Districts North and South of Madras,
and that the City collections be allotted to us; we will be pleased to see
that the requirements of the Hand-made Paper Industry is met from our
stocks. The Director of Industry and Commerce to indent each month the
waste paper to be returned, and the place of despatch, which we would see
to, only asking for the refund of the cost of waste paper at the flat rate
of Rs. 230/- per Ton, plus the incidental expenses of carting etc., actually
incurred by us, and the cost of sacks for packing etc.

This would mean that the City offices are regularly cleared, and
the balance of waste paper each month could then be utilised for the Mills.
I trust that our suggestion will receive your favourable considera-

Sir,
Subject: Stationery—Waste paper in Govt Offices—
Disposal during 1945-46.

I am directed to state that the Govt are
considering the question of ^{continuing during 1945-46} ~~renewal~~ the arrangements for
the collection & removal of waste paper in Govt Offices laid
down in G.O. No 1066 Edn d. 17.7.44 ~~for 1945-46~~ ^{now in force}
and to enquire whether your mill is agreeable to take
the sorted waste paper from the Salvation Army at the

~~Prices fixed in the above G.O. or whether it has any suggestion to make in regard to prices to be fixed by Govt. as hitherto. The price at which sorted waste paper should be sold to the Mills by the Salvation Army during 1944-45 have been fixed by G.O. No. 1066 Edn. d. 17-7-44 in consultation with the Mills and with a view to allow the Mills to sell the finished product at prices fixed by the Govt. There has been no indication that these prices have altered. I enquire whether the sale price of waste paper to the Mills may continue to be the same as fixed to the above G.O. or whether any alterations are required to the rates. An early reply will be appreciated is requested.~~

Dear Sir,

1 We are in receipt of your letter No. 5548-B/45-1 Edn. dated 13th March 1945. We are agreeable to the continuance of the present arrangement for the collection and removal of waste paper in Government Offices laid down in G.O. No. 1066 dated 17-7-1944.

2 We would like, however, to bring to the notice of the Government that the rates for waste paper as laid down in the G.O. are rather high in view of the Central Government contemplating a reduction in the price of finished paper. Besides they have been insisting on our reducing the cost of production.

3 Under the circumstances, we are of opinion that the rates for waste paper need to be brought down considerably. And unless this is done the interests of the Paper Industry are bound to suffer.

Yours faithfully,
 For The Andhra Paper Mills Co. Ltd.

Subject:- Stationery - Waste paper in Government Offices - Collection and removal for 1945-46.

The agreement entered into by the Superintendent of Stationery with the Salvation Army for the collection and removal of waste paper in Government Offices will expire on 1.4.1945 vide G.O. No.1066, Edn., dated 17.7.1944. The Superintendent of Stationery and the Registrar, High Court request orders for the disposal of waste paper collections during 1945-46.

2. It was decided last year that ~~in Government Offices~~ ^{in specified areas} the tender system should be relinquished, that the waste paper collections ^{in Govt offices in certain areas} should be earmarked for the Punalur and Andhra Mills and ^{that} they should be sold to the Salvation Army which will be the Agency for its supply to the two mills. ^{The same arrangement may be adopted in 1945-46.}

3. The Salvation Army requests that:-

- (1) the arrangements approved in G.O. No.1066, Edn., dated 17.7.1944 may be renewed for 1945-46; and
- (2) that the waste paper collections in Government Offices (excluding A.R.P. Offices) in the Madras city may also be allotted to them and that they will meet the requirements of the Hand-made Paper Industry from their stocks.

Edn., dated 17.7.1944, manufacture of paper in certain jails was sanctioned as an experimental measure for a period of one year from 14.8.1944. In G.O. No.1919, Edn., dated 29.12.1944, the

Government have directed that the waste paper collections in certain

Government Offices in selected places should be supplied to the jails and the surplus should be made over to the Salvation Army.

Presumably the manufacture of paper in the jails will be continued for a further period, if so the arrangement for the supply of paper to jails will have ~~also~~ to be continued during 1945-46 also.

Subject to this modification the contract entered into with the Salvation Army under the orders in G.O. No.1066, Edn., dated 17.7.1944 may be continued for 1945-46.

Request (2) on page 1 ante:- Attention is solicited to para 3 of G.O. No.294, Edn., dated 2.3.1945. The remarks of the D.I. & C. have been called for on the request of the Salvation Army and they may be awaited. Orders on this request may be issued separately.

4. The cost of waste paper has been fixed at a flat rate of Rs.230/- per ton for the period from 1.4.1944 to 31.3.1945, and there is a provision for the revision of this rate during the period of agreement. The rate for waste paper for 1945-46 may also be Rs.230/- per ton with the proviso for revision of the rate. The question of revising the rate may be taken up separately with the Mills and the Salvation Army.
