Sub: Stationery for 1943-'44 - Supply of - Gestetner  
Impression Paper.

Gestetner Impression Paper was indented for this Office but was not supplied by the Superintendent of Stationery who remarked as "Not Authorised". Paper had to be obtained on loan from the adjoining offices, which has to be returned. As there is no separate Gestetner machine for this Office, hence, work is being done in the University and other offices. Only Gestetner Paper had to be used on these machines. The Public (War) Department may be requested to instruct the Superintendent of Stationery to supply 5 (five) reams of Gestetner Paper to this Office.
