No. SBC./MIS. dated 24th March 1945.

Sir,

Sub:- Seniority of persons transferred from one service to another.

I have the honour to state that one Sri N. Venkatarama Iyer, a Secondary Grade teacher borne on the Educational Subordinate Service from 3-9-31 to 10-2-42 on a scale of Rs.35-35-15-50-1-60/58 was appointed by transfer as a Lower Division clerk in this office on 11-2-1942 in the interests of public service at a time when no Service Commission candidates were available and great difficulty was experienced to get on with the important clerical and accounts work. His pay was fixed in the new scale with a personal pay of Rs.3/- plus Presidency Allowance 6-8-0 per mensem to protect him from the loss of emoluments by the transfer in G.O.No.Ms.1327 Edn., dated 19-9-42 as modified by G.O. Ms.No.618 Edn., dated 29-4-43. The clerk has put in a petition to fix his seniority among the lower division clerks in this office with reference to his entry in the Madras Educational Subordinate Service on the ground that both

the

29(a)
the posts are on identical scale of pay. On a reference made on the procedure followed in his office, the Director of Public Instruction has stated that the seniority in his department in respect of persons transferred from the Madras Educational Subordinate Service to the Ministerial Service is determined with reference to the date of joining duty in the latter service.

2. As the employee is after all continuously employed by Government in posts of equal status, I am of the opinion that his service should be determined with reference to his entry in an identical scale of pay. I request therefore that Government may be pleased to issue instructions as to how his seniority in this office should be determined.
