Offg. Director of Public Instruction, Madras.

Sir,

The Secretary to Govt. Edn. & Public Health Department, Madras.

Sub: Govt. Training School for Masters - Madras - articles damaged in floods - write off - orders requested

I have the honour to state that the Government Training School for Masters, Madras was one of the institutions very badly affected in the floods of October, 1943. The school articles were completely drenched and soaked in water with the result that many books and other articles have been rendered useless. A list of such articles with their cost is given below:

1. Books (Total 736 in number)	Rs. 802 15 9
2. Maps and Charts (33 in number)	202 10 0
3. Physiology models and apparatus (31 items)	72 8 0
4. Stationery articles (13 items)	5 3 6
5. Manual Training articles (2 items)	7 14 0
6. Museum articles (9 items)	10 8 0

Total Rs. 1101-11-3

2 Books and articles that could be saved after drying and cleaning have already been saved. As the loss was due to the floods I request that Government may be pleased to write off the loss. After receipt of the orders of Government the damaged articles except maps and charts will be sold in Public auction and the proceeds credited to Government. The damaged maps and charts will be destroyed so as to avoid their circulation among the public.

order MS. NO. 547 Edn. dated 9.4.45

The government sanction the writing
off of the value, Rs. 1101-11-3, of certain articles
and books of the Govt. Training school for
Masters, Madras, damaged by the floods of
October, 1943.

Note:- The draft order may be sent to Finance
for acceptance. The auction proposed in para 2
to 28/3/45.

✓ of the Director's letter will probably secure some small amount and strictly speaking the auction should first be authorized and then be conducted. The auction receipts should be deducted from the gross amount of the loss as estimated in D's letter & the balance written off. It is a small matter but Finance may advise.

The point raised by the Asst. Secretary, Ed P.H., in his note on pp 1-2 above is whether the sale proceeds of the ^{books} maps etc the value of which is proposed to be written off should be deducted from the amount mentioned in para 1 on p 1 CF. and the amount of written off should be the net amount so arrived at.
