Sir,

Sub: Inspection - Men's Branch - Muhammadan Deputy
Inspectors' Ranges - Employment of two additional
Junior Deputy Inspectors.

I have the honour to submit for the sanction of Govern-
ment the following proposal for the employment of two additional
Muhammadan Junior Deputy Inspectors of Schools to assist the
Senior Deputy Inspectors in the inspection of Muhammadan Elementary
schools.

2. In G.O.No.Ms.711 Education dated 12-5-1942 the
Government sanctioned the employment of four Junior Deputy
Inspectors though I had asked for five officers in my letters
Roc.451 A/39 dated 23-9-40 and Roc.753 A/41 dated 11-8-41.
I submit as an annexure to this letter a statement showing the
distribution of work among the existing officers. It may be
seen from that statement that the total number of Muhammadan
Elementary Schools including Urdu sections in High Schools is
1634 and the average number of schools for each officer
is 86. It may be further seen from the distribution of work
that the two muhammadan Senior Deputy Inspectors of the Guntur
and Chingleput ranges require the assistance of a Junior
Deputy Inspector each. I have examined every possible means
of redistribution of work and I find that it is not practi-
cable to redistribute the ranges so as to afford relief to the
two Deputy Inspectors mentioned above. The number of schools
in the Guntur Range is far too many for a single officer.
The Deputy Inspector Chingleput Muhammadan Range has to do
work in three districts and the number of schools in the
range is large viz. 132. I am convinced that the two Deputy
Inspectors require urgently the assistance of Junior Deputy
Inspectors.

3. I request therefore that the Government may
be pleased to sanction the employment of two additional
Junior Deputy Inspectors of Muhammadan Schools from the
1st June 1945 with a peon for each.

4. The financial effect of the proposal will be
as follows.---

Inspection. Meris Branch. Muhammadan
By Impri Range. Employment of two
additional Junior by Impri.

The D. O. I. has submitted a proposal
for the employment of two additional
Junior Deputy Inspectors of Muhammadan
Schools from 1.6.1945 with a peon for each.

In connection with the budget for 1941-4
he had asked for five Junior Deputy Inspectors
and five peons, but it was considered that
four Junior by Impri and four peons would be
sufficient as there were only 1588 elementary
schools for Muhammadans. ~~No ideas were~~
~~human interest~~ As it was ^{then} too late to consider
the scheme in connection with the budget.

for that year, the Dir. was asked to renew the
proposal for 1942-43. In August 1941, the S.O.I. revised

his proposal for the appointment of five
J. D. Is. The number of schools
had increased by that time to 1673;
all the same only four officers were sanctioned
with a peon for each.

3. It is now reported that the
number of schools is 1634, but the
Guntur and Chingleput ranges are
heavy with 163 and 132 schools
respectively. The Director states that
it is not possible to redistribute the
work and that the assistance of a J. D. I.
is necessary for each of the two senior
Inspectors. The proposal may be self

in this Dept and the case sent to Finance
no further remarks.

8.44
The staff of 15 Senior Dy. Inspectors & Junior
Deputies was considered sufficient for 1588 (later
1673) schools. The number of schools now is
only 1634. Any addl. staff can be considered
only with refer. to the D.P.I.'s recommendation at P
w. p. i. c. 7. There is no standard ^{based on} the ~~ratio~~
ratio of inspecting officers to schools in the
case of Muhammadan schools.

Finance (E-I).

The D.P.I. has proposed the appointment of 2 addl.
Junior Dy. Inspectors for Muhammadan Schools with a peon for each,
as a Part II scheme for 1945-6. The ultimate cost will be about
3,500 per annum. E. & P.H. support the proposal.

2. In September 1940 the D.P.I. proposed the employment
of 5 ~~more~~ Junior Dy. Inspectors of Schools with a peon each, on
the ground that there were 1719 Muhammadan Elementary Schools in
the Presidency excluding the Mappilla schools with its separate
Inspectorate in the Malabar District. In October 1940, however,
he stated that according to the latest figures there were 1588
Muhammadan schools. E & P.H. Secretary stated that the D.P.I. asked
for 5 extra Junior Dy. Inspectors, when he thought that there were
1719 schools, and suggested that as the ^{exact} ~~correct~~ number of schools
was 1588 it would be enough to provide 4 Junior Dy. Inspectors.
Finance Dept. agreed to the suggestion of E & P.H. Secretary, but
the proposal was deferred for that year and the D.P.I. was asked
to renew it as a Part II scheme for consideration in connection
with the budget for 1942-3. When the D.P.I. renewed the proposal
in August 1941, the number of schools was 1673. E & P.H. recommended
employment of 4 Junior Dy. Inspectors against 5 proposed by
D.P.I. as they considered that the number of schools that year

continued to be practically the same as it was in the previous
year. This department agreed to the proposal for 4 Junior Dy.
Inspectors being brought forward as a Part II scheme for 1942-3.
Orders were accordingly issued in the G.O. 711 Edn. dated 12-5-42
sanctioning 4 Junior Dy. Inspectors with a peon ^{for} each for a period
of 2 years.

3. This year the D.P.I. has proposed 2 addl. Junior Dy.
Inspectors ~~more~~ on a different basis altogether. He has picked
up Chingleput and Guntur for special consideration as the number
of schools in these ranges is too many for a single officer. The
average number of schools for each ^{(Muhammadan) Dy. Inspector} officer is as follows:-

	No. of schools & Urdu sections.	No. of Inspecting Officers.	Average per Inspecting Officer.
1940	1588	15	106
1941	1673	15	111
1944	1634	15 + 4 = 19	86
Accg. to present proposals	1634	15 + 4 + 2 = 21	78

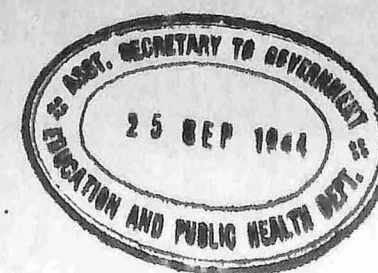

As remarked by Asst. Secretary (E & P.H.) there is no standard
the ratio of Inspecting Officers to schools in the case of
Muhammadan Elementary Schools.

In view, however, of the fact that the Cocanada and
Rannad Muhammadan Ranges with a total number of 113 and 119
Muhammadan Elementary Schools & Urdu sections respectively, have
each a Senior Dy. Inspector and a Junior Dy. Inspector and in
view of the statement of the D.P.I. that it is not possible to
redistribute the ^{work} ~~2~~ ranges so as to afford relief to the 2 Dy.
Inspectors, this department may agree to the employment of two
addl. Junior Dy. Inspectors and 2 peons for a period of one year
and to the proposal being brought forward as a Part II scheme for
1945-6.
