Elementary Education--Special Schools--The Cordite Factory
Anglo-Vernacular Higher Elementary School, Aruvankadu--Grant.

I have the honour to invite kind attention of the Government to G.O.No.Ms.491 Education dated 1.4.1941. In this G.O. Government accepted my proposal to raise the maximum grant payable towards the cost of the maintenance of the Cordite Factory Anglo-Vernacular Higher Elementary School, Aruvankadu (Nilgiris District) from Rs. 3,725/- to Rs. 4,412/- so as to cover one half of the additional expenditure on the opening of additional sections in the Higher Elementary Standards and the consequent appointment of three additional secondary grade teachers. The three-year period of force of the above sanction of the Government has lapsed on 1.4.1944.

2. The Superintendent of the Cordite Factory, who is the correspondent of the school, has now written to me to say that the three additional posts of secondary grade teachers towards whose cost the maximum grant payable to the school was raised in G.O.No.Ms.491, Education dated 1.4.1941, are no longer required for the school as additional sections in the higher elementary standards are not likely to be opened at present. Instead, he requests for sanction for the creation of a permanent post of a Music Mistress on the same scale as is allowed in the school for a secondary grade teacher, viz. Rs. 40 - 2 - 60.

P.T.O.

: 2 :

3. I have examined the proposal of the Superintendent of the Cordite Factory and consider that the post of a music mistress is necessary for the school. I therefore support the proposal and recommend that the maximum limit of the grant payable to the school may be permanently raised from Rs. 3,725/- to Rs. 4,085/- a year with effect from 1.4.1944. The grant payable to the school each year may, however, be paid with reference to the actual expenditure incurred on the school in the respective year, as ordered in G.O.No.Ms.491 Education dated 1.4.1941.

From Sir R.M. Statham, M.A., C.I.E., I.E.S., Director of Public Instruction, Madras
 To THE SECRETARY TO THE GOVERNMENT OF MADRAS
 EDUCATION AND PUBLIC HEALTH DEPARTMENT
 FORT ST. GEORGE, MADRAS.
 R.C. No. 1806-B/44 dated 11th July, 1944.

Sir, Elementary Education-Special Schools-The Cordite Factory Anglo-Vernacular Higher Elementary School, Aruvankadu-Creation of the post of a music teacher-Fixation of maximum grant. Reference:-Government Memorandum No. 32075-A-1 Edn., dated 1.7.1944.

With reference to the Government Memorandum referred to above, I have the honour to report as follows:-
 2. It is difficult to get qualified music teachers even on the plains and it will not be possible to get one on the hills on the scale of salary given to higher grade teachers. The grant of pay to the music teacher in the Cordite Factory School in the scale allowed to secondary grade teachers in the school, has been considered reasonable and has therefore been recommended. If, however, this is not acceptable to Government, it is recommended that the music teacher in the school may be granted at least the Government scale of pay for secondary grade teachers, i.e. Rs. 30-3/2-45-2/2-55.
 3. Regarding the other query, it is submitted that inasmuch as Government are fixing the maximum limit of the grant payable to the school and not the actual amount of grant, I consider that the maximum pay of the post may be taken into calculation. The actual amount of grant payable to the school in a year will be one half of the net expenditure incurred on the school in the previous year and subject to the maximum limit fixed by the Government. The maximum grant then admissible to the school with reference to the Government scale recommended in para 2 above, will be Rs. 4,055/- per annum. If, however, average cost only is taken into calculation, the maximum grant will be Rs. 3,989/- or Rs. 3,990/- per annum.

The rate was raised to 12 pice from 1.7.44 in order to provide fund for the grant of dearness allowance to teachers in accordance with the general policy of the Govt. The Dist. Board protest against the enhancement of tax & desire to wait in a deputation on the subject. It is suggested with the President of the District League to levy the tax at 9 pice. If the rate is reduced from 12 pice to 9 pice, there will be a deficit of about Rs. 65,000/- in the budget. This should be avoided by the grant of an additional subsidy from Govt. fund. Mr. Stenay also noted that the Govt. have kindly ordered local bodies to raise the rate of dearness allowance from 1.6.44 and a subsidy of about Rs. 74,000 may have to be given to the Dist. Board towards the increased cost of dearness allowance in 1944-45.
