To His Excellency the Governor of Madras.
 through The Head Master, Municipal High School,
 Mayavaram.

The humble memorial of 230785 Lance Naick, Guard 2nd Grade, N. Krishnamurthi 310 A Indian Railway Operating Company No. Indian Engineers, No. 2 T T C. Jellendar. now on leave prior to discharge residing at 5 South Madavilagam, Mayavaram. ---

Most Respectfully sheweth:

That your humble memorialist is a good sportsman possessing cups and medals besides being a qualified Secondary Grade teacher, Physical Training Instructor, Scout Master, Rover Leader and Discharged Non Commissioned Officer of the Indian Territorial Force 11 3rd Madras Regiment Bangalore with good credentials from eminent men like the Under Secretary Political Department India, Simla, Deputy Chief Accounts Officer, Northwestern railways Commissioners of Municipalities, Head Masters of High Schools and King's Commissioned Officer, with the highest academic qualifications in His Majesty's forces, the latest copy of which with the extract of the discharge certificate about my conduct is submitted with this to convince your Excellency about the work and conduct of your humble memorialist.

In brief the commissioner of the Mayavaram Municipality about July 1942 overlooking the legitimate claims of your humble memorialist known well to the commissioner without giving even an opportunity to apply for the place has appointed two physical training instructors. Thereupon your humble memorialist submitted a grievous representation to redress his grievances to a superior authority namely the Inspector of Local Boards sending an advance copy as per rules. It seems on the advance copy submitted by your humble memorialist the commissioner Mayavaram municipality has been ordered to advertise for the vacancy in the papers to have an open competition and room for the management to have

28u

a better selection
an open competition for the place. Suffice it to say that I was given an opportunity to apply for the place and though my grievance was redressed I am sorry to say that your humble memorialist was not given the appointment even though he applied for the same.

Enraged at being ordered by the Inspector of Local Boards to advertise for the vacancy the commissioner viewed the grievous representation of redress of your humble memorialist to Inspector of Local Boards as a complaint on him by a subordinate to a higher superior when there can be no grievous representation without involving a complaint directly or indirectly upon a higher authority as this also may be taken to be and punished your humble memorialist by reducing his salary by Rs.2 for six months. The worst feature is that a ban not to submit any advance copy to the higher authorities was ordered by the commissioner the only privilege given to subordinates by the Government apprehending grave danger in the hands of punishing authorities. (as per ~~Vide~~ orders B.C.4549/42 B2 dated 19-11-42 and and R.C.No.4549/42 B 2 dated 19-11-42 of the Commissioner Mayavaram Municipality respectively).

My appeal to the Director of Public Instructions also proved to be a failure as per Dis.No.3615/43 dated 10th September 1943 of the Director of Public Instructions Madras.

To conclude your humble memorialist who has good credentials from eminent men and who has unsullied service in the same municipality for about a decade and a half (i.e. up the advent of the commissioner in question) believing that truth though bound to suffer at the outset is sure to win at the very end, most humbly and earnestly craves Your Excellency's mercy as a last resort to set aside the orders

of the commissioner, Mayavaram Municipality and do justice to your humble memorialist, condoning, if there were to be any time limit for the submission of this memorial because your humble memorialist has been all along on active service.

Your Excellency's humble memorialist,

Dated 16-9-44.

No.230785 L/ Nk.N.Krishna Murthy 2nd Grade Guard who is drawing a salary of Rs. 105 a month and who is to be discharged shortly from Military Service, since his services will no longer be required, is known to me in his Military career for the last one year and seven months.

He has studied up to the Intermediate of the Madras University and possesses various other qualifications besides being a good sportsman possessing cups and medals.

I am glad to say that I was immensely pleased with his character, and work both sedentary and executive, while he was in 307 I.R.C.C.I.E., where I was also the General Service Officer.

In short, while possessing a good character he is an intelligent all rounder, possessing a knowledge of English to a commendable degree and is capable of discharging any work given to him to the entire satisfaction of his superiors.

I wish him success in life.

I submit herewith in original the petition of Sri
N. Krishnamurthy Iyer one of the Secondary grade assistants
employed in the Municipal High School and who is in
Military service. This is a petition against the order
of the Commissioner in his R.C.No. 4549/42, dated 19-11-42.
He has already appealed against the order and the Director
of Public Instruction in his Dis. No. 3615-43 dated 20-9-43
has rejected his appeal. He again submits the petition
to cancel the order and I submit the petition as per

children this year and bring them up to date for the next report. The total number of boys under instruction is 4196 as against 4212 of last year. But the total number of pupils of school age under instruction is 3994 and this shows that there are still 350 pupils of school age who remained outside the educational fold. Though the position is not encouraging enough when compared with that of last year, the fact that the municipality is making earnest attempts to bring the census registers up to date, and to bring all the pupils of school age under instruction, gives us an assurance that more substantial results will be achieved during the ensuing year. schools with a view to put in some service required for admission to training courses is not leniently enforced or abolished altogether the growth of untrained teachers cannot be checked. Increased facilities for training would also help to obviate the need for the manager to go in for untrained teachers. The tendency on the part of the management to recruit more and more trained teachers of higher qualifications and the abolition of the Lower Elementary grade training course in this district, are hopeful signs for the future in guaranteeing a better type of elementary education. Out of 524 trained teachers in girls schools as many as 379 are men teachers. The need for appointing qualified women teachers in their place can hardly be over emphasised. The 2 Government training schools in this district are not adequate to meet the full demand for the supply of trained teachers.

Please see the memorial on pp. 1-2 c.f. The facts of the case are briefly as follows:-

The memorialist is a permanent secondary grade teacher in the Municipal High School, Mayavaram. He was employed in the military department for about one and half years as Lance Naik, 2nd Grade Guard and was discharged. In his proceedings Re.No. 4549/42-B.2., dated 19-11-1942 the Commissioner, Mayavaram Municipality reduced the pay of the memorialist from Rs 50/- (the maximum of his scale of pay) to Rs 48/- from 20-11-1942 for a period of six months for his misconduct in having complained to the Inspector of Municipal Councils and Local Boards against the Executive Authority in connection with recruitment to the post of physical training Instructor, after inviting applications by advertisement. He appealed to the D.P.I. against the order of punishment and it was rejected by the Director in his proceedings N.Dis.

to H.E. to set aside the order of the Commissioner, Mayavaram Municipality, ~~the order of the Commissioner, Mayavaram Municipality~~ reducing his pay for six months.

2. Servants of local bodies have no right of memorial to H.E. the Governor. The memorialist has not approached the Government previously; no appeal lies to the Government in the matter and any petition to the Government would be liable to summary rejection on that ground. *Case no 101-105 is self-contained.*

3 The case may be sent to the Governor's Secretariat for obtaining H.E.'s. orders on the memorial. Before doing so, the confidential sheets of the memorialist ~~and the original of the D.P.I's proceedings~~ ~~concerning the appeal~~ may perhaps be called for.

The case of the petitioner is fully retained in the proceedings of the Commissioner, Mayavaram Mby on H. 101-105 of the municipal office file at (X). As pointed out in para 5 therein, the petitioner should have applied for the post of physical training instructor or represented to the

Commissioner to consider his claims for appointment
to the post instead of preferring a complaint to the
Inspector against the Commissioner. He has already
appealed to the Director of Public Instruction against
the punishment inflicted by the Commissioner & it has been
rejected. If the teacher had preferred to govt, his petition
would have been liable to rejection under Instr. 14 of the
Instructions for the submission of petitions to govt. - For order
whether the petition may be rejected.
