2. The Director of Public Instruction says that only urgent and essential schemes have been admitted to aid. Finance may agree to the scheme going forward as a Part II Scheme for 1945-6. Edn. & P.H. may be requested to take orders in circulation including A-1 as to whether the scheme may be regarded as essential.

What is the amount provided under Part II in the last 5 years?

figures are as below:

1940-41 : 56,400

1941-2 : 79,400

1942-3 : 64,500

1943-4 : 61,300

1944-5 : 67,400

The increase in the provision for next year of Rs. 80,000 is suggested by the Director of Public Instruction.

It may be requested to consider whether grant to be disbursed next year may be restricted to Rs. 80,000 on the balance carried forward to 1946-7.

Rs. 80,000

Fin. would suggest that the provision be restricted to Rs. 80,000 for 1945-6.

Fin. Secy. no. 57321-1
9-11-44

Please see Finance Secretary's suggestion on page 2 ante. As the D.P.I. has said that only urgent and essential schemes have been admitted to aid and as the Govt. grant is limited to one-half of the cost of purchase of equipment, it does not appear that any reduction in the provision suggested by the Director of Public Instruction will be possible without detriment to the interests of the institutions. This department may therefore press for the acceptance of the Director's estimates. The file may be circulated to A2 and A1.

Present day prices should also be taken into account. 9-11-44

D.P.I. figures may be accepted - all the equipment is necessary. The amount should not be reduced.
