My dear Subramanian,

G.O.No.347, Edn. dated 9-3-45.

I have just received orders post-
ing me as Commissioner of Civil Supplies
and I am likely to take over charge
about the middle of the month. In view
of this I suggest that, if it is not
inconvenient, some other officer may
be appointed as Chairman.

Yours sincerely,

Handwritten notes:

Technical Education - Students to be sent overseas
for training - Govt. of India scheme.

The Selection Committee to nominate students for the quota which may be allotted to the Madras Province under the scheme cited above consists of Mr. A.F.W. Dixon (Chairman), Khan Bahadur Javad Hussain Khan ^{Sahib Bahadur} and Dr. B.B. Dey (Members). Development Secretary had at first suggested Member of the Board of Revenue in charge of Post-War Reconstruction for the Chairmanship - W/N.E.4. In circulation, A.1 thought that Mr. Masterman (in charge of Post-War Reconstruction) was very busy with motor transport and soldiers' problems and suggested that Mr. Dixon might be appointed Chairman: the suggestion was approved by H.E. - "W"/N.F.7 & 10. In the arrangement consequent on the grant of three weeks' leave to the Chief Secretary, there is to be a reshuffling of work as among the Members of the Board of Revenue and Mr. Dixon just reports that he is taking charge as Commissioner of Civil Supplies from the middle of this month and *Suggests that some other officer not be appointed as Chairman, if it will not be inconvenient.*

2. The draft advertisement inviting applications for nomination of candidates to the Govt. of India is almost ready and can be published any time ~~in~~ next week. If about three weeks' time is allowed for the receipt of applications, a meeting of the Committee may have to be held probably about the 10th May to make a preliminary selection of ^{the} candidates to be called for interview. ^{interview may be held in the third or fourth week of May; the} ~~The actual selection may probably take~~ ^{be completed by} place before the end of May. According to this rough programme, the Committee is not likely to have any serious work before the 10th May. If by that time Mr. Dixon is likely to give up charge as Commissioner of Civil Supplies, it may not be necessary to disturb the present arrangement on that account. The remarks of Public may first be invited before the case is circulated.

For orders.
