European Schools - Grants - B.E. for 1945-46.

Ref:- From the D.P.I., R.O.P.No.A5/44-45, dated 30-9-44.

A provision of not less than Rs.8.05 lakhs should be included in the B.E. for 1945-46 on account of Anglo-Indian and European Education. The D.P.I. has already submitted proposals for Part II of the estimates - Rs.17,700 under non-recurring. The Part I estimates have not been received yet. If the provision in Part I falls short of Rs.8.05 lakhs (the minimum fixed in G.O.No.385-Finance, dated 31-8-1936), the provision for some or all of the items proposed for inclusion in Part II may be included in Part I. The Director is requested to furnish a statment showing the requirements

under each part separately and to report how the excess, if any, over and above the minimum should be treated.

R.O.P.No.A4/44-45 dated 26th October 1944.

SIR,

European Education--Budget Estimate for 1945-46 and provision in Part II.

***

I have the honour to submit herewith an annexure showing the provision included in the Budget estimates for 1945-46 under both part I and part II on account of the Anglo-Indian and European Education. The total requirements under both the parts amount to Rs. 9,56,700 against the minimum of Rs. 8,05,000/- fixed in G.O.No.385 Finance dated 31.8.1936. The additional requirements are mainly under (i) Teaching, (ii) Boarding and (iii) Educational concessions to the children and dependants of soldiers who take part in the present war and who are not in affluent circumstances.

2. The increase under "Teaching" and "Boarding" is due to the increased grant actually earned by the institutions under the rules with reference to the increased net cost due to war conditions and due to the dearness allowance sanctioned to the members of the staff by the managements. The concessions granted to the children and dependants of soldiers are increasing on account of the increased number of soldiers who take part in the present war. They are being granted with reference to the latest Government orders on the subject.

3. As regards part II schemes, only urgent and essential schemes have been admitted to aid.

4. In the circumstances explained, the entire demand of Rs. 9,56,700/- may, therefore, be kindly accepted by the Government and provision included in the Budget Estimate for 1945-46, as detailed below:-

Part I ..	Rs.	9,39,000/-
Part II ..	Rs.	17,700/-
Total	Rs.	9,56,700/-

I have the honour to be,
Sir,
Your most obedient servant,

For Director of public Instruction.

[C. No. 49992] European Schools — B.E. for 1945-46 — Provision in Part II.

Item of Expenditure.	Cost in 1945-46. Non-recurring. Rs.	Ultimate Cost. Non-recurring. Rs.
(1) Secondary schools:		
(a) Building grants ..	8,200	8,200
(b) Equipment grants ..	8,500	8,500
(2) Primary schools:		
(a) Building grants ..	400	400
(b) Equipment grants ..	100	100
(3) Special schools:		
Equipment grants ..	500	500

(1) Secondary schools:

(a) Building grants: The anticipated liability on 1-4-1945 is Rs. 8,200 and it relates to essential and new schemes. The D.P.I. states that Schemes Nos. 3 to 5 (at p. 5 c/f.) are likely to be completed and come for payment during 1945-46. Provision for scheme No 3 was suggested by the D.P.I. in connection with the budget for 1945-46 but it was omitted as the work was considered not 'essential'. The D.P.I. has now reported that all the schemes are 'essential' and suggests that a provision of Rs. 8,200 may be included in Part II of the Budget. The suggestion may be accepted.

(b) Equipment grants: A provision of Rs. 8,500 is suggested by the Director for new schemes. He reports that only urgent and essential schemes have been admitted to aid. His proposal to include necessary provision in Part II of the Budget may be accepted.

(2) Primary schools:

(a) Building grant: The provision of Rs. 400 is for the scheme relating to the improvements to the S.I.Ry. Mixed School, Podanur. The D.P.I. reports that the scheme is likely to come for payment in 1945-46. The D.P.I. has not stated whether the scheme is an urgent and essential one. For orders whether the D.P.I. may be consulted. The provision suggested is however small and no provision was made in the current year's budget.

(b) Equipment grant: The provision of Rs. 100

suggested is for only one scheme, which is Rs 27/- only. May be accepted.

(3) Special schools.—

Equipment grant: The provision of Rs. 500 proposed relates to only one scheme. May be accepted.

2/ An annual provision of not less than Rs. 8.05 lakhs has to be made for Anglo-Indian and European Education. It is not known what provision is being made by the D.P.I. in Part I of the Budget. If the provision required in Part I falls short of Rs. 8.05 lakhs, provision for some or all of the items proposed for inclusion in Part II may be included in Part I. The Director may be consulted on this point. A draft [illegible] is submitted. As this issue to file may be sent to Finance.

Please see his reply at his D.P.I on page 33 ante CF. The scheme for erecting his verandah on his second floor of St. Joseph's School, Parambur was brought forward as a Part II Scheme for 1944-45 but was dropped as it was not considered "essential". The D.P.I now reports that his present proposal to cover his open terrace on his second floor of his school relates to his same scheme and that as his question of accommodation for his school was considered urgent, it has been brought up as a Part II Scheme for 1945-46 He has not explained why his scheme is regarded as essential. It is for orders whether his Finance Secretary's suggestion to omit this item may be accepted. For orders as to circulation
