The question for consideration is whether in the case of a Govt servant sent to foreign service, war allowance should be allowed on his pay in foreign service or on the pay he would have drawn had he continued in ~~Govt service~~ ^{home service}. Secretary to P.H. ~~com~~ agrees with the view stated at P on p 2 above, namely, that in such cases, only the pay in Govt service should be taken into account in granting him 10% war allowance.

Under G.O. No. 531 Fin of 6.10.44 Shree has been made applicable to municipal and local board officers. The term 'pay' will include personal pay & dearness pay. The ~~spec~~ extra pay given to a Govt servant like Mr. W. D. Singh of schools aff as a W.D. Educational Officer, is of the

Even after a Uniform Code has been formulated in accordance both with the principles and the methods which have been already outlined, the Committee felt that a Central Board of Reference would be required, to whom problems of general application could be submitted. Probably the expert committee entrusted with the framing of the Code would form a suitable nucleus for this purpose. The scope and personnel of such a body might alternatively be enlarged so that it could advise the Central Advisory Board on all questions affecting the education and training of blind persons.

7. The Committee next considered the steps which should be taken to ensure an adequate supply of suitable literature for institutions for the training of the blind in India. It was considered desirable that there should be a Central Press for embossing literature and a workshop for manufacturing special equipment for all the schools for the blind in India. Since, however, the Committee realised that owing to war conditions it may not be possible for the Government of India to undertake this liability in the near future, it was suggested that the possibility of utilizing one of the existing presses and workshops for the purpose should be explored. In addition to the central press and workshop there should also be a Central Library like those already existing in most western countries.

8. The Committee appreciated the fact that the adoption of a Uniform Braille Code by all the schools for the blind in India would throw a substantial financial liability on the managements of these schools, since they would be involved in the eventual replacement of their entire library of books embossed on old lines. With a view to enabling the authorities concerned to effect the necessary change within a reasonable period the Central

Handwritten notes: Please see below WS

The question whether the war allowance should be calculated on the pay drawn in foreign service or with reference to the pay a Govt. servant would draw had he remained in Govt. service was not specifically considered so far. As the officer in foreign service draws his own pay in Govt. service plus an additional pay not exceeding 25% from the foreign employer, it seems that for calculating war allowance the total pay drawn in foreign service should be taken into account. It would seem to be not in order if the additional pay which is in the nature of a special pay is excluded for purposes of calculating war allowance in the case of Govt. servants in foreign service. E.P.H. may however consult the A.G. on the existing practice before issue of orders.

16/3/45 The point raised is one to be settled at the time of the deputation of the Govt servant to foreign service. No general orders have been passed on the question, since the terms of foreign service vary in each case. I think the case at 'P' on page 2 ante is to be preferred. (Govt. finances are involved.)

Education and P.H. Department.

The question for consideration in this file is how the grant of war allowance in the case of D.B.E.O.'s should be regulated. D.B.E.O.'s are generally Govt. servants of the rank of Deputy Inspectors of Schools whose services are

lent to District Boards for a specific period at a time (three years). Persons appointed as D.B.E.Os. are paid, in addition to their pay in the Govt. service, a 'special pay' of Rs.25 p.m., in accordance with the orders in para 2 of G.O.No.2998-L.&M. dated 26-6-1934. The whole expenditure is borne by the District Board concerned. L.A. department consider that war allowance should be calculated on the total emoluments of the officers concerned, i.e., their pay plus the special pay of Rs.25. This suggestion is analogous to the practice obtained in the case of Govt. servants. In the case of Govt. servants, war allowance is calculated on the total emoluments - i.e., pay plus special pay, overtime allowances and fees. In the order granting war allowance to local board employees it is stated that the terms and conditions in force for payment of war allowance to Government servants shall apply to the officers and servants of municipal councils and local boards as well. ~~It seems that both~~ in the case of Govt. servants and of local board employees 'special pay', etc. ~~should~~ be taken into account for purposes of calculating war allowance.

2. Finance, however, hold the view that the point is one to be settled at the time of deputation of the Govt. servant to foreign service. As most of the D.B.E.O.'s were deputed long before the concession ~~regarding~~ war allowance was granted the point could not be ~~thought of~~ ^{provided for} at an earlier stage. Finance ~~agree with~~ ^{in Govt. service} hold the view that war allowance in the case of D.B.E.O.'s may be calculated on the pay of the officers and not on the total emoluments drawn by them from the District Board.

3. In the circumstances stated in para 1 above, it is for orders whether ~~war~~ ^{or not} allowance in the case of the D.B.E.O.'s should be ordered to be calculated on their special pay also as in the case of Govt. servants and local board employees. As stated by Finance, Government finances are not involved.

Sub:- Dr. B. L. E. Dub. Officer - Grant of leave

The Govt. have recently sanctioned the grant of dearness allowance to their servants with retrospective effect from 1-7-1944. The P. D. B., Kurnool, raises the question whether the Dt. Bd. Edul. Officers Shd. be granted the arrears dearness allowance (for six months). The Dt. Bd. Edul. Officers are Deputy Inspectors of Schools ^{level} but to the Dt. Bds. The view has ^{been} recorded that these officers should be allowed d.a. at Govt. rates while on foreign service irrespective of the fact whether the Dt. Bds. grant d.a. to their employees or not. (The question whether local bodies Shd. not be asked to grant arrears d.a. to their employees is under consideration in L.A.) Following the principle enunciated above, the P. D. B., Kurnool, may be asked to disburse the arrears d.a. to Sri. N. Simhadri Rao while he was employed as Dt. Bd. Edul. Officer, Kurnool. A draft memo is submitted for approval L.A. may see the draft before issue. ^{and} I. Amal
