The Correspondent, Madras Christian College, Tambaram
reports that it is not possible to resume building operations in

uncertainties produced by the present situation. No provision is,
therefore, necessary in respect of this scheme in the Budget

The scheme in respect of a third storey provided for the
Loyola College Buildings, Madras at a cost of Rs. 1,12,000/- was
included in the approved list as a special case with reference to

asked to produce a valuation statement from the P.W.D. As the
third storey has already been completed, payment has to be made in

for 1945-46.

Scheme No. 4 - Purchase of a site at a cost of Rs. 7,309/- for

Explanatory Remarks.

37(c) Education--University--Grants to Non-Government Professional Colleges--for women--Other Grants--Buildings.

There is only one scheme viz. the construction of a hostel for the St. Christopher's Training College for women, Madras on the approved list. The Correspondent reports that due to war conditions building materials have become scarce and costly and tenders for the execution of the work could not be called for and the work could not be completed in 1945-46. The construction of the hostel building is, therefore, deferred. So no provision is required for this scheme in both Part I and Part II of the Budget Estimate for 1945-46.

2. The Government have laid down that, with a view to conserve
all available funds for elementary education, grants for higher
education should be curtailed as much as possible, an exception
being made only in the case of institutions for girls and that
accordingly no building grant should be given to any college
or school for boys (elementary schools excepted) unless a special
case is made out. The proposals in this case are examined below:-

Non-Govt. Arts Colleges - Grant: Rs 56,000

This represents the grant payable to Loyola College,
Madras. The case for a grant to this college was considered by
Government and it was decided to give a half grant as a special
case, in view of the facts that the work was previously on the
approved list and that the Management's financial position was dif-
ficult due to the stoppage of subscriptions from approved abroad
on account of the war. The proposal to allow a grant of
Rs 56,000 as a Part II item may go forward.

Other grants - Rents Rs 300.

Non-Government Secondary schools - grant. Rs 49,500

The provision proposed is in respect of 6 schools. Items
9 to 14 on p.14 C.F. Of these, 5 are for girls' education and the
grants proposed are not barred by G.O. No. 1915 Edn.,
dated 9-12-1941. The only other item relates to Islamia High
School, Vaniyambadi (grant Rs 6,600). The case of this
school was considered by Govt. and specially sanctioned in G.O. No. 16,
Education, dated 15-1-1944, in view of the dangerous condition of the
building. All the items may go forward as Part II.

Non-Government Special schools - grant. Rs 5,100

This relates to Sri Ramakrishna Mission Vidyalaya Secondary
Training School, Periyarankampalayam. The case for giving a grant
to this institution was considered by Government and was admitted to
a half grant if and when funds are provided for in the budget.
The grant proposed now is towards construction of a class-room, which A.P.I. considers essential.
Edn. & P.H. recommend the proposal.

3 The figures of grant for the last 4 years in this regard are
as below:-

1941-2.	1942-3.	1943-4.	1944-5.	1945-6. (Proposed)
1,32,000	1,63,800	17,200	20,200	1, 10,900

The grant proposed for 1945-6 is in excess of that for the last
two years. The excess is mainly due to the grant of Rs 56,000 proposed for Loyola College.

4 Subject to orders being obtained in circulation including
A-1 as to whether the scheme will be regarded as essential this de-
partment may agree to the proposals going forward as a Part II scheme
for 1945-6.
