Sir,

Sub: Mr. M.G. Willaims - Assistant - Municipal Deaf and
Dumb School, Karaikudi - Fixation of pay.

In submitting herewith a copy of the petition from
Mr. M.G. Willaims together with the Widespread of the Commissioner,
Karaikudi Municipality thereon, and the remarks of the Examiner
of Local Fund Accounts, I have the honour to request that Govern-
ment may be pleased to extend the concession of counting service
in the old scale of pay for increment in the new scale to the
petitioner on the analogy of G.O.No.428 Edn., dated 25-3-41.

As similar cases are likely to come up for decision,
I request that the concession referred to in G.O.No.428 Edn., dated
25-3-41 may also be extended to teachers, clerks and servants
in special schools under local bodies.

for Director of Public Instruction,

RVR 24/2/-

Copy of letter petition from Mr. M.G. Willaims, Assistant, Municipal
Deaf and Dumb School, Karaikudi to the Director of Public Instruc-
tion, Madras dated 18-9-1944

I was appointed as assistant in the Municipal Deaf and
Dumb School, Karaikudi on Rs.25/- p.m. Time scale of Rs.25-1/2-30
on 24-1-41. According to this order, I joined duty on 20-2-41. In
the usual course, I ought to have earned my first increment on 20-2-
43 when the increment statement was sent up, it was returned to me,
saying that the increment can be claimed only in 1944, when in the
order it is mentioned that the increment will be bi-annual. I fail
to see how the first increment can be claimed after three years i.e.
in 1944. This increment ought to have been given to me in the
usual course in 1943, irrespective of any other things that have
happened subsequently in December 1942, Government while revising the
pay of the establishment-Education--Deaf and Dumb Schools, issued
in G.O.No.1827 (E) dated 22-12-42 fixing the pay of the Deaf & Dumb
school teachers as 25-2-B-45 to be given effect to from the date of
the G.O.No. i.e. 22-12-42.

In accordance to this G.O. I applied to the Commissioner
on 5-10-43, praying among other things, that the increment and
pay may be sanctioned to me under the new scale as per above G.O.
that was issued for the Deaf and Dumb school teachers i.e. G.O.
1827(E) dated 22-12-42. On 4-6-44 I received a memo from the
Commissioner stating that my request cannot be complied with, as
the concession showing in G.O.No.2482, L.A. dated 22-8-42 has not
been extended to teachers.

Respected Sir,

I submit that under this G.O.No no doubt, the Government
has stated that instructions will be issued separately for the
Education and the Public Health Departments and this only apply to,
General collection and engineering establishments. This G.O. is
dated 22-8-42. But the G.O. under which I claim the new scale

P.T.O.

and increment is dated 22-12-42 i.e. G.O.No.1827 (T) dated 22-12-42. This clearly specifies that this G.O. only contemplates the teachers of the Deaf and Dumb Schools only and not other teachers under the Establishment.

The intention of the Government is ~~clear~~ clear from the wording of the G.O.No.1827(T) dated 22-12-42. It refers to teachers ~~for~~ of the Deaf and Dumb Schools alone.

When by this G.O. Deaf and Dumb School teachers are drawn out separately from the other establishments of teachers, it naturally follows, that the instructions to be issued, by Government separately for the Education and Public Health Department under G.O. 2482 L.A. dated 22-8-42 only contemplates the teachers in the educational departments other than the teachers of the Deaf and Dumb School for whom the specific G.O.No.1827 (T) dated 22-12-42 has been issued. Subsequent to G.O.No.2482 dated 22-8-42, I am the teacher under the Deaf and Dumb School, I submit that the G.O. which has been issued by the Government applies to me.

I request, considering the light that I have thrown about in my appeal you will be pleased to grant the new scale of pay from 20-2-41 and the increment as sanctioned under G.O.No.1827 (T) dated 22-12-42 for which act of kindness, I shall ever feel grateful.

Copy of endorsement of the Commissioner, Municipal Council, Karaikudi dated 14-10-44 N.Dis.7989/44

Forwarded.

2. The teacher was appointed on 20-2-41 on Rs.25/- per mensem in the scale of Rs.25-1/2-30. As per G.O.No.1827-(T) dated 22-12-42 the pay of the teacher was refixed at Rs.25/- per mensem in the scale of Rs.25-2/2-45. The revised pay was given effect to from 22-12-42. The teacher put in a claim for increment on 6-10-43, stating that he is entitled to an increment on 20-2-43. The matter was referred to the District Inspector of Local Fund Accounts who advised that the concession shown in G.O.No.2482 L.A. dated 22-8-42 cannot be applied to teachers (copy submitted).

Copy of Letter No.L.F.188 dated 11-5-44 of District Inspector of Local Fund Accounts.

Your letter Rc.B.2-No.6488/43, dated 15-4-44 regarding grant of increment to M.G.Williams.

The petition of M.G. Williams has not been received along with the reference.

2. No increment can be granted to the teacher from 20-2-43 as the concession shown in G.O.No.2482-L.A. dated 22-8-42 has not been extended to teachers.

3. The Service Register is returned herewith.

Copy of U.O.780-1 dated 10-1-45.

Examiner's Office.

The scale prescribed in G.O.No.1827 Edn dated the 22nd December 1942, does not have retrospective effect and the teachers first increment in that scale can take effect only from the 22nd December 1944. But the concession of counting service in the old scale of pay for increment in the new scale may be extended to him with the special sanction of Government on the analogy of G.O.No.428 Edn dated the 25th March 1941.

Fixation of pay.

C.No.8247/45. From the D.P.I., Rc.No.2061G/44, dated 23--2--1945.

The petitioner Mr. M.G. Williams was appointed in 1941

in the scale of Rs. 25-1/2-30. Subsequently in G.O.No.1827 Edn.

d/ 22-12-42, the Government prescribed a scale of pay of

Rs. 25-2/2-45 for teachers in schools for defective children

maintained by Municipal Councils who possessed the qualifica-

tions prescribed therein. The pay of the petitioner was fixed

at the minimum in the revised scale. He became eligible to

draw the first increment in the revised scale on 22--2--1944.

He requests that his service from the date of his joining duty

in the old scale may be taken into account for increment in the

revised scale and that he may be deemed to have earned the

first increment on 20-2-1943. The D.P.I., recommends compliance

with the petitioner's request. In this connection he suggests

that the concession of counting service from the date of last

increment in the old scale towards first increment in the re-

vised scale allowed to the staff in board and municipal second-

dary schools in G.O.No.428, Edn., d/ 25-3-1941 may be extended

to the staff in special schools under local bodies.

2. All the special schools under the control of local

bodies are not of the status of high schools and it is there-

fore for consideration whether the concession allowed in G.O.

No.428 Edn., d/ 25-3-41 should be extended to the staff in the

special schools. As the number of such schools is limited,

each case may perhaps be considered on its merits as and when

it arises.

-2-

start, will be earned only with effect from 1-4-1945.

2. The pay of Mr. M.G. Williams, Asst.

teacher, Municipal Deaf and Dumb School, Karaikudi,

may be fixed at Rs.29 in the scale of Rs.25-2/2-45 from

~~1-4-45~~, counting his service from ~~20-2-41~~ in the

old scale for purposes of increment in the revised

scale mentioned above.

3. The petitioner was drawing only the minimum pay of

Rs. 25/- in the old scale. As the minimum in the revised scale is also the same, his service from 20-2-1941 ^(the date of his joining duty) may perhaps be allowed

to be reckoned for purposes of increments in the revised

scale and his pay may now be fixed at Rs. 29/- from 1-4-45

without any claim for back pay. For orders. [The Director has

Subject:- Appointment to the post of
Sanitary Inspector- Appeal petition of Sri. Ratnam
pillai- Director Of Public Health endorsement
R.No.38352-1-E.41 dated 28-10-41.

I submit that the facts of the case are briefly
as follows:-

Consequent on the ^{grant}~~ground~~ of one month's leave to
a permanent Sanitary Inspector, Sri. Subramania pillai
in May '40, a short vacancy in the rank of the Sanitary
Inspectors arose. Dr. D. Joseph, the then Health Officer
recommended the appointment of an acting I class vacci-
nator to the post. The Commissioner however differed
from him and referred the matter to Government under
section 14(2b) of the Madras Public Health Act, suggest-
ing, that one, Sri. Sooriam pillai was a better candidate.
The Director of Public Health agreed with the Commissioner's
view and the orders of the Government communicating a
copy of the remarks of the Director of Public Health
were received here early in August '40--vide Government
memorandum No. 22864-1-E dated 2-8-40. The vacancy
however ceased before this date. But as the above
orders of the Government are final under section 14(2b)
of the Madras Public Health Act, they had to be given
effect to, when the next vacancy arose. In the circums-
tances it is not clear, how Dr. Joseph told the --
petitioner, Sri. Ratnam pillai, that he would be given
the next vacancy. There is however nothing on record
to show that any such promise was made. The next
vacancy when it arose was given to Sri. Sooriam pillai
in accordance with the orders of the Government.
