Establishment - Junior Engineers - Appointment under
emergency rules of apprentices in the Department.

In response to a recent advertisement calling for
applications for 10 posts of Junior Engineers in the department
only ten qualified applications were received and of these applicants
only eight appeared for the interview. It is obvious that there
is shortage of suitable and fully qualified Engineers for appoint-
ment to posts of Junior Engineers in this Department.

In order to meet the present shortage it is proposed
where necessary to make emergency appointments to Junior Engineer's
posts of Electrical Engineering students of the Guindy College
undergoing apprenticeship in this Department.

In G.O.Ms. No. 1058 Edn. dated 15-7-44 passed students
of the Guindy College were permitted to obtain the practical
training prescribed by Rules 17 and 22 of the College rules by
taking up service if available and necessary in the Madras
P.W. Department or the Central P.W. Department or the Military

Engineering

Engineering Department subject to the condition that they should undertake to serve the Departments concerned for the full/period of one year.

I request that ~~he~~ similar recognition may please be extended to service in this department as well.
