Re.No.360 A/44

Office of the
Director of Public Instr.
Madras, dated 2.7.1944.

From

Sir R.M. Statham, M.A., C.I.E., I.E.S.,
Director of Public Instruction, Madras.

To

The Secretary to Government,
Education & Public Health Department.

INSPECTION - Kollegal range - Conversion of the
post of Junior Deputy Inspector into that of a
Senior Deputy Inspector".

In their order No.Ms.890 Education dated 20.4.1938,
Government approved the proposal of the Director that the
Kollegal taluk and the Talavadi Firka of the Gobichettipalayam
taluk should be constituted into a separate Deputy Inspector's
range with Kollegal as Headquarters. They did not however
accept the Director's recommendation that a senior Deputy
Inspector should be put in charge of the range and ordered
that a senior officer in the category of Junior Deputy
Inspectors might be in independent charge of the range.
Attention is invited to the Government N.O.Note No.3621 C-1
Education dated 15.11.37 and the Director's reply thereto
No.122 A/37 dated 4.12.1937.

PP 12-1307 (A)

2. The above arrangement of putting a senior officer
in the category of Junior Deputy Inspectors in charge of the
range is found to be inconvenient and unsatisfactory. Kolle-
gal being a very backward area presents difficult problems
which can be tackled only by an experienced and efficient
officer. As Junior Deputy Inspectors get their promotion
within a short time, only beginners and inexperienced men
will be available for the place. Further Kollegal being a
Kannada area it is difficult to find out every time a senior
officer in the Junior Deputy Inspector's cadre for being
put in charge of the range. Again, Kollegal is a taluk
where travelling is difficult and a Junior Deputy Inspector
with his meagre Travelling allowance finds touring expensive.
If a senior Deputy Inspector can be posted there, the above
difficulties can be avoided.

3. For the reasons explained above, I request that
Government may be pleased to convert the post of Junior
Deputy Inspector in charge of Kollegal range into that of a
Senior Deputy Inspector with headquarters at Kollegal.

4. The extra cost to government involved by the above
proposal will be Rs.681 per annum as indicated below. Avera-
of the scale of pay of Senior Deputy Inspector Rs.119/2/-
per mensem

Average of the scale of pay of Junior Deputy Inspector
Rs.62/7/-
Extra ultimate cost per annum Rs.(119-2-0 - 62.7.0) x 12

5. I am including the proposal in Part II of the
Budget estimate for 1945-1946.

Inspection - Kollegal Range - Conversion
of the post of Junior Deputy Inspector
into that of Senior Deputy Inspector.

Please see the D.P.'s letter in the C.F. In 1937, the Director proposed that a Senior Dy. Inspector should be appointed for the Kollagall Range. But the late Premier was of the view that only a select ~~general~~ Deputy Inspector was necessary for the Range. In the circumstances now explaining the Director the necessity for appointing a Senior Dy. Inspector may be conceded. It will be necessary to refer the matter to the Finance Dept. for consideration.

The D.P. I has now pressed the proposal in the circumstances set out in para of his letter on page 1 C.F. and suggests its inclusion as a Part II scheme for 1945-6. The extra cost involved is Rs 681 per annum.

Submitted that the proposal of the I.R. may be accepted in this Dept. Land P.H. may be requested to obtain orders of A., and to prepare necessary part II scheme note, if the proposal is approved.

NOTE BY THE ADMINISTRATIVE DEPTT.

For a long time, there was a Deputy Inspector of Schools in the Senior Grade in charge of the inspection of elementary schools in the Kollegal Taluk and the Talavadi firka of the Gobichettipalayam Taluk of the Coimbatore District.

In 1933 a general redistribution of Deputy Inspectors' Ranges was made. The arrangement generally followed the principle of placing each revenue taluk in charge of a Deputy Inspector of the Senior Grade assisted by one or more Deputy Inspectors of the Junior Grade. In view, however, of the fact that the Kollegal Taluk and the Talavadi firka referred to above had between them only 63 schools then, that area was attached to the Gobichettipalayam Deputy Inspectors Range. In 1937 the D.P.I. pointed out that the arrangement had not worked satisfactorily and recommended the constitution of the Kollegal Taluk and the Talavadi firka into a separate range under a Deputy Inspector of the Senior Grade. The Government approved the constitution of the separate range, but sanctioned only a Deputy Inspector of the Junior Grade to be in charge of the range and suggested the posting of a Senior officer of that grade to be in charge.

2. The Director now reports that even the modified arrangement referred to above has proved inconvenient and unsatisfactory in many ways and has revived his original proposal

for placing a Deputy Inspector of the Senior Grade in charge of the range. He has explained his case as follows:-

"Kollegal being a very backward area presents difficult problems which can be tackled only by an experienced and efficient officer. As Junior Deputy Inspector, get their promotion within a very short time, only beginners and inexperienced men will be available for the place. Further, Kollegal being a Kannada area, it is difficult to find out every time a senior officer in the Junior Deputy Inspectors' Cadre for being put in charge of the range. Again, Kollegal is a taluk where travelling is difficult and a Junior Deputy Inspector with his meagre travelling allowance finds touring expensive. If a Senior Deputy Inspector can be posted there, the above difficulties can be avoided."

3. This department supports the Director's recommendation and suggests that the necessary provision may be made in the budget estimate for 1945-46.

NOTE BY THE ADMINISTRATIVE DEPARTMENT.

For a long time, there was a Deputy Inspector of Schools in the Senior Grade in charge of the inspection of elementary schools for boys in the Kollegal taluk and the Talavadi firka of the Gobichettipalaiyam taluk of the Coimbatore district. In 1933 a general re-distribution of Deputy Inspectors' ranges was made. The arrangement generally followed the principle of placing each revenue taluk in charge of a Deputy Inspector of the Senior Grade assisted by one or more Deputy Inspectors of the Junior Grade. In view, however, of the fact that the Kollegal taluk and the Talavadi firka referred to above had between them only 63 schools then, that

area was attached to the Gobichettipalayam Deputy Inspector's range. In 19 the Director of Public Instruction pointed out that the arrangement had not worked satisfactorily and recommended the constitution of the Kollegal taluk and the Talavadi firka into a separate range under a Deputy Inspector of the Senior Grade. The Government approved the constitution of the separate range, but sanctioned only a Deputy Inspector of the Junior Grade to be in charge of the range and suggested the posting of a senior officer of that grade to the charge.

2. The Director now reports that even the modified arrangement referred to above has proved inconvenient and unsatisfactory in many ways and has revived his original proposal for placing a Deputy Inspector of the Senior Grade in charge of the range. He has explained his case as follows:—

"Kollegal being a very backward area presents difficult problems which can be tackled only by an experienced and efficient officer. As Junior Deputy Inspectors get their promotion within a very short time, only beginners and inexperienced men will be available for the place. Further, Kollegal being a Kannada area, it is difficult to find out every time a senior officer in the Junior Deputy Inspectors' cadre for being put in charge of the range. Again, Kollegal is a taluk where travelling is difficult and a Junior Deputy Inspector with his meagre travelling allowance finds touring expensive. If a Senior Deputy Inspector can be posted there, the above difficulties can be avoided."

3. This Department supports the Director's recommendation and suggests that the necessary provision may be made in the Budget Estimate for 1945-6.

of page 8 above

(Junior Scale) Kollegal range may be converted into a post of Dy Inspector of Schools (Senior Scale). It does not appear that the permanent retention of the post need be sanctioned straight away.

A further report as to the adequacy of the conversion now proposed may be obtained in the usual course and the post be made permanent, after it has been examined that the proposed conversion has been justified in this view ~~in existence for a period of five years. As a result.~~

The conversion proposed may be sanctioned for one year.

Subject to the above remarks, the draft order below may be accepted.
