* EMIGRATION - War - Evacuees - Financial assistance
Annamalai University - Three students - Grant of College allowance.

ENCLOSURES

SPARE COPIES

Sri K. Ganapathi, Sri S. Selvathurai and A. Yacob, students of the Annamalai University, Chidambaram, have applied for the grant of college allowances for the academic year 1944-45 under the scheme of financial assistance to evacuee students. The Registrar, Annamalai University, has recommended the grant of lump sum allowances in all the three cases. Sri K. Ganapathi took his B.Sc. degree in April 1944 and joined the Post Graduate course of the University in July 1944. His father, a retired Postmaster, is stranded in Malaya. His brother, an employee of the Education Department and an Officer in the Penang Volunteer Corps, is detained in the Straits Settlements. The student has filed sufficient evidence to show that he was receiving remittances from his father. The Director of Public Instruction Madras, granted him a sum of Rs. 75/- in June 1942. The student has been awarded a scholarship of Rs. 40/- per term by the University.

According to rule (ix) at page 14 of the "Resume of Instructions concerning assistance to be given to evacuees in India," evacuee graduates who embark on new and expensive post-graduate courses are not eligible for financial assistance under the scheme. The grant of financial assistance in this case does not seem essential. The student need not be paid any allowance.

Sri S. Selvathurai passed the school final and Intermediate examinations and took up the music course of the University. He is now in the final year class of his course. His father is now dead. His elder brother, a clerk in the Police Department at Kaulalumpur, is stranded in the F.M.S. The student says that he has filed the letters written to him by his brother along with his application to the Director of Public Instruction. The Director granted him a sum of Rs. 436/- on the aggregate in his proceedings dated 22-6-42, 25-11-42 and 11-11-43. The student's course of study is free of tuition fee. He can ordinarily be granted Rs. 247/- as per details given below:-

Boarding etc., charges for nine months @ Rs. 25/- a month.	Rs. 225/-
Special Fee.	10/-
Examination Fee.	12/-
Total	247/-

But according to rule (x) at page 15 of the "Resume of Instructions" evacuee students who apply for assistance

14 of the Pamphlet not put up

15 of the Pamphlet not put up

for fresh medical, engineering or other professional courses in India cannot ordinarily be considered eligible for financial assistance. A course of music seems to be a professional course within the meaning of the above rule.

The student says that he was getting a remittance of Rs. 40/- a month from his brother a clerk in the Police Department at Kaula Lumpur. But as the documents connected with his case have been filed in the office of the Director of Public Instruction, I am unable to offer my remarks (with reference to the latter part of rule x) whether the course of education could have been undertaken with the pre-evacuation resources of the student's guardian. If, however, this is considered to be a deserving case, the applicant may be granted a sum of Rs. 247/- for the year 1944-45.

4. Mr. A. Yacob is a student of the final year B.A. (Hons.) class with physics as his main subject. His father, a merchant by profession, is stranded in Penang. The applicant says that he was getting Rs. 50/- a month from his father during the pre-war days and adds that he has filed the relevant documents along with his application to the Director of Public Instruction. The Director granted him Rs. 371-8-0 on the aggregate in his proceedings dated 22-6-42, 25-11-42 and 11-11-43. The applicant is eligible for the grant of allowance under the Rules as B.A. (Hons.) Course of study is not a post-graduate course. Sanction, may, therefore, be obtained for the payment of Rs. 335/- (Three hundred and thirty-five) only to the student for the year 1944-45 as per details furnished below:-

Boarding etc., charges for ten months @ Rs. 25/-	Rs. 250/-
a month.	25/-
Special fees.	60/-
Examination fees.	60/-
Total.	335/-

The Central Refugee Officer, Madras, has recommended the application of this student. The documents filed by the applicant in the office of the Director of Public Instruction, Madras, may be called for and perused if necessary.

5. The three applications are enclosed.

To,
The Collector,

Dear Sir,

I wish to inform you sir that I K. Kanapathy of K. Kandasamy came to India from the Federated Malay St. to get University education as I had already passed my Senior Cambridge examination in Malaya. My father retired post-master on whom I depended is stranded in Malaya. My brother who was in the education department of the Straits Settlements and who was an Officer in Penang Volunteer Corps has not been heard of after outbreak of hostilities.

Sir, when the Anglo-Jap war broke out in I was in the Senior Intermediate class. I passed my examination with a 1st class and joined the B.Sc. Course. The Malayan Representative advanced me monthly Rs. 30/- for tuition fees to cover the expenses which I incurred during the course. I have passed my B.Sc. degree examination with 1st class in Physics and I am the only student to get a 1st class in Chem. in the April 1944 examination. As a result the Hon. Raja Set Annamalai Chettiar has been pleased to grant me full scholarship (for fees) to take up the post-graduate course in Chemistry. B. the Malayan Representative has declined to help me further. Sir I request you therefore to help me to continue my studies.

Sir, the Malayan Representative stopped advancing money from May 1944 and I had to get up till now on loans from my friends. I applied to the Director of public instruction and he has directed evanee students to apply to you. My requirements from June 1944 till the completion of my course are:-

Monthly Rs. 30/- for 23 months from June 44 to April 46 inclusive.	Rs. 690/-
Examination fees (to be paid before Jan. 46)	Rs. 60/-
Hostel & Laboratory deposits	Rs. 45/-
