War - Evacuees students - Financial assistance - Sunil
Kumaran - Student - Junior Intermediate Class - Presi-
dency College, Madras - Allowance for 1944-45 - Sanction
Requested.

Sunil Kumaran who is a student in the Junior Intermediate
class Presidency College, Madras has applied to me for financial
assistance for his Junior Intermediate course during the year 1944-45.
His father was a medical practitioner in Mandalay getting a decent
professional income. Besides, he owned bungalows there fetching a
monthly rent of not less than Rs.500/-.

The student's family is not in a position to meet his education-
al expenses. His grand mother is getting an evacuee allowance of
Rs.100/- p.m. which is only sufficient for the maintenance of the family
The student's sister Miss.Padma Kumari was granted a non-recoverable
advance of Rs.853-14-0 in G.O.Ms.1740 Education dated 20-11-44.

The probable expenditure required for the student's education
during the year 1944-45, as intimated by the Principal, Presidency
College, Madras, is Rs.723-6-0.

The details of it are given below.

is eligible to be appointed, whether the work is in the Intermediate classes or in B.A. classes (vide rule quoted in Appendix D) I beg to submit that when a vacancy arose in which I am in every respect eligible to be appointed, even before I had to be reverted, I should have been appointed in that vacancy, the only disability of mine which could be adduced for the cancellation of my appointment and reversion having ceased to exist in the new vacancy in the same unit, namely that of lecturers in the English department.

7. If it is contended that my appointment was for the B.A. class and that the post of Sri. S. Krishna Iyer is for the Intermediate classes, I have to submit that firstly Sri. S. Krishna Iyer with about 22 years' experience of teaching in the College cannot be described as a teacher for the Intermediate classes only when other lecturers like him are having work with B.A. class, and secondly there is only a single unit in a college regarding 'lecturers in English' and not two separate units for the B.A. and the Intermediate

8. If it is contended that I have not had any work in the B.A. class in the period 3-7-44 to 30-7-44, I have to submit that it was because (i) ~~between~~ the B.A. class was not opened till 17-7-44 and (ii) between 17-7-44 and 30-7-44, though I orally requested the Principal to allow me to teach the B.A. class, he did not do so, but directed me to go on with the work in the Intermediate classes. Secondly Sri. A. Sankaranaryananadar, who has been appointed Lecturer in Mathematics (by the same order C3 10627-44 dated 29-6-44 that appointed me) has done work in the Intermediate classes only, from 3-7-44 to 17-7-44, and yet his service as lecturer for that period is approved.

9. The acquittance roll for the month of July, 1944 clearly divides my service for the month under two heads (i) as lecturer from 3-7-44 to 30-7-44 and (ii) as assistant lecturer for 1-7-44, 2-7-44 and 31-7-44.

Dear sir:

One Sunil Kumar has been a member of the Y.M.C.A. for the past nine months. He is an evacuee from Burma. I understand that he ~~is~~ has not received his allowance from the Government for many months. Pending receipt of his allowance we have allowed him to stay on in the Hostel though he has not paid his rent for the past three months; but we are unable to allow him any longer. His monthly expenses in the Y.M.C.A. are as follows:-

Room Rent	..	Rs.	10	4	0
Mess charges	..	"	50	0	0
Extras	..	"	10	0	0
Total monthly expenses "			70	4	0

I wish to know if the Government would assure us that the allowance is going to be paid to him. Then we shall give him more time.

Thanking you for an early reply,

Yours faithfully,
