Sir,

Audit - Board High School, Manjoor - irregular -
 remittance of school fee collection - condonation-requested.
 Ref:- Audit objection item No. 2 of 1943-44.

In enclosing herewith an extract of item No. 2 of the audit objection for 1943-44 I have the honour to state that the newly opened Board High School, Manjoor is situated at a distance of about 23 miles from the nearest sub treasury, Coonoor and Ootacamund being equidistant. There is a branch post office at Kundah bridge which is about 2 miles away from the school. It is reported that the hours of working in the branch post office are 8 to 10 A.M. and 3 to 5 P.M. and that only between 3 to 5 P.M. the branch Postmaster accepts money orders. Consequently the school fee collections of the day could be sent by money order to the Head office only the next day and as such the Headmaster has to retain the entire fee collection at least for one day.

The District Inspector of L.F. Accounts has taken objection under Rule 12 of the rules governing the receipts and expenditure of District Boards that the Headmaster should not keep the school fee collections on hand exceeding Rs. 50/- and that sanction of Government is necessary for exceeding the limit prescribed.

In as much as the school is located in an out of the way place and as both the sub and Huzur Treasuries are far away from the school, I request that the Government may be pleased to condone the irregularity and waive the objection. I also request that Government may be pleased to permit the Headmaster to retain the fee collection for three days on hand irrespective of the amount of the collection as a special case.

for President.

Copy of audit objection.

Item 2. Remittance of school fee collections.

The Headmaster is remitting the school fee collections to the District Board Office by money order at intervals of 2, 3 or 4 days. It is stated by the Headmaster that the school is located in an out of the way place and that the subtreasuries are located far away and not easily accessible. Under rule 12 of the rules and the proviso thereunder of the rules relating to receipts and expenditure of Dist. Boards, the Headmaster can retain an amount up to Rs.50 only and they should remit all collection before the last working day of the month. A few examples are given below:

Examiner's Office.

There is no objection to Government condoning the irregularity

4
gularity in respect of the remittances already made.
As the distance from the nearest post office is stated
to be only two miles, it is not impossible to conform
to the limits prescribed in the proviso to Rule 12 by
making remittances sufficiently early and at suitable
intervals, and the concession in the proviso to Rule 12
seems accordingly sufficient and the President may be
directed to see that the time and money limits prescribed
in the proviso are observed.
