To
The Secretary to Government,

Fort St. George,

Through
The Director of Public Instruction,
Madras.
The Commissioner,
Tirupur Municipality.
The Chairman,
Tirupur Municipal Council.
The Head Master,
Nanjappa High School,
Tirupur.

Sir,

Appeal against the appointment of
Head Master, Nanjappa High School, Tirupur.

I beg leave to submit this appeal for sympathetic
consideration and favourable orders of the Government.

1. I was appointed as an L.T. Assistant in the Tirupur
Municipal service in March 1922, and I have been working as
first Assistant in Nanjappa High School from 1942 and in that
capacity have given satisfaction to all concerned.

2. In 1942 applications were invited for inclusion in the
panel for the post of Headmaster of the Nanjappa High School.
I was summoned by the District Educational Officer to interview
him in January, 1943. I sincerely believe that my name is
included in the panel. Applications were again invited early in
1944 and though I believe that my name was still in the panel,
I applied again by way of abundant caution.

3. In December 1943 when the permanent Headmaster was
granted leave on half average salary for about two years from
3-1-44, I was given additional charge as Headmaster. I was
relieved of this post on 1-6-44 when the present incumbent
was appointed as Headmaster.

4. I am aggrieved by the order appointing another as
Headmaster for the following reasons:-

(i) The panel formed in 1942 would last till May, 1943
and this 1943 May list will last till May, 1944 in which month
only fresh names could be added or deleted from the list by the
District Educational Officer.

(ii) It would not be in order to add fresh names or remove
existing names at any part of the year or when vacancy arises
and yet this was what I believe would have been done when vacancy
arose in the Nanjappa High School in 1944. Because the present
incumbant was Headmaster before his appointment here it does not
appear to be in order to include an existing Headmaster's name
in a panel for such appointment.

(iii) The vacancy is now a leave vacancy and in filling
up the same by a permanent hand on the basis of absolute transfer
is not correct.

(iv) I believe that sanction of the Municipal Council
has not been obtained for transfer of the present incumbent from
the Coimbatore District Board. I understand that when Mrs. Namagiri
an assistant of the Nanjappa High School, was transferred to
Udumalpet, sanction of the Tirupur and Udumalpet Municipal Councils
was obtained before the Director of Public Instruction approved the
transfer.

P.T.O.

- (v) I have put in considerable service and done good work in the high school practically ever since its inception. Since my record of work throughout was good, there was no reason to overlook my legitimate claims.
- (vi) I was in additional charge as Headmaster for the short term of 1944 and in spite of domestic calamity, dutifully attended to work. The S.S.L.C. results of 1944 were 41% against lower percentages of previous years.

I, therefore, humbly pray that Government may be pleased to consider my claims favourably and I may be appointed as Headmaster, allowed to function as such during the remaining period of about one year of service and retire with the privilege of a Headmaster as a recognition of my long and unblemished record of service of over 22½ years.

I beg to remain,
Sir,
Your most obedient servant,

Copy submitted direct to Commissioner,
Tiruppur Municipality, Tiruppur.

No. 1087/44
Submitted to the Commissioner, Tiruppur Municipality
S. V. S. Canakk
Headmaster

NANJAPPA HIGH SCHOOL, TIRUPPUR
2.11.44.

Submitted through the Director of Public Instruction, Madras & Chairman, Municipal Council, Tiruppur.

1. The appellant's name finds a place in the list of candidates suitable for appointment as Headmaster forwarded by the District Educational Officer in accordance with G.O.No. 953-Edn. dated 30-6-1942. The panel was repeated for 1943-44. When the post of the Headmaster, Nanjappa High School fell vacant in December 1943 consequent upon the grant of leave preparatory to retirement to the permanent incumbent, the Appointment Committee of the Council felt that the panel was not exhaustive as all candidates belonged to one community and requested the Divisional Inspector and the District Educational Officer to add two more names to the panel. Accordingly two more names were added in February 1944. One of these Sri S.Vairavanathan, Headmaster, Board High School, was appointed as Headmaster here.

2. The appointment order was issued only after the Director of Public Instruction approved of the transfer in his Proceedings L.Dis. No. 490-G/1944 dated 15-4-1944. The appointment is attacked because

(a) Fresh names could be added to the panel in the month of May only.

(b) The inclusion of the name of an existing Headmaster in the panel is not in order.

(c) The vacancy is not a permanent one, but only a leave vacancy.

(d) Sanction of the Tiruppur Council has not been obtained for the transfer of services of the present Headmaster.

(e) Personal merits of the appellant. The above points are answered seriatim in the next paragraph.

3.(a) Under rule 2 of rules appended to G.O.No.953-Edn. dated 30-6-1942, the list has to be revised every year before 1st May. Addition of names in any part of the year is not prohibited. In fact in the District Board rules appended to the same Government Order addition of names is contemplated.

(b) The name of a Headmaster would not have been included by the District Educational Officer if it were not in order.

(c) The vacancy though not permanent is a vacancy which has arisen because the permanent incumbent is granted leave preparatory to retirement.

(d) The sanction of Tiruppur Council does not appear to be necessary under Government Order No. 1027-Education dated 5-9-1939. Sanction obtained in similar cases appear superfluous.

(e) I have nothing to say against what the appellant has stated about his work. The post is a selection one and no one is entitled to the post as of right.

I submit copies of the Proceedings L.Dis.490-G/44 dated 15-4-1944 of the Director of Public Instruction, Madras and the appointment order B-2- 9214/1943 dated 24-4-1944.

SUB:- Appeal - Sri P.K.Rama Subba Ayyar - Assistant - Municipal High School, Tirupur - against the appointment of Sri S.Vairavathian as Headmaster.
READ:- Endorsement of the Commission, Tirupur Municipality dated 15-11-1944.

2) No appeal lies to Government against the appointment of a person as Headmaster of a Municipal High School, as it is a selection post, but the following remarks are offered.

3) None of the allegations made in the petition, except the one relating to the addition of fresh names in the panel in the course of a year, requires examination. It may be observed from the copies of the District Educational Officer's letters enclosed with the Commissioner's D.O. dated 20-12-44 (copy submitted) that the District Educational Officer informed the Commissioner of the Municipality in June 1943 that the panel furnished to him in March 1943 might be repeated for the year 1943-44. This panel consisted of three names only and if the appointment committee differed from the District Educational Officer regarding the names included in the list, it should have made a reference to the Director of Public Instruction in the matter under Rule 5 of Section II of G.O.No.953, Edn., dated 30-6-42. The Committee was apparently satisfied with the list at that time.

4) The Endorsement of the Commissioner dated 15-11-44 however indicates that the appointment Committee felt in December 1943 that the panel was not exhaustive as all the candidates belonged to one community and requested the Divisional Inspector and the District Educational Officer to add two more names to the panel. Applications were invited in 1944 and with reference to the Endorsement of the Commissioner dated 15-2-44, the District Educational Officer suggested on 16-2-44 the addition of two more names to the list. This was thus an addition to the list already furnished for 1943-44.

5) It may be pointed out that while in the case of High Schools under the management of District Boards there is provision in the rules for inclusion of fresh names in the list in the course of the year, there is no similar provision in the rules relating to High Schools under municipalities. It is therefore doubtful if the action of the appointment committee and of the District Educational Officer may be considered to be in order.

It is not clear from the file of papers whether an advertisement was issued in 1944 after obtaining the D.E.O.'s opinion that a sufficient number of suitable candidates in the service of the Municipal Council was not available for inclusion in the list, as required by rule 4 of the rules in Notification II printed with G.O. No. 953-Edn., dated 30-6-1942. If an advertisement of this kind had actually been issued in 1944, the D.P.I. is requested to ascertain and report what reason the D.E.O. had for

giving the opinion referred to above and, in case there was no such advertisement, why the D.E.O. suggested the addition of two supplementary names after having first said that the panel of 1942-43 might be repeated for 1943-44 also.

Order No. 676 Edn., dated 30.4.48
Ms.

Sri K. P. Rama Subba Ayyar, 1st Assistant teacher of the Municipal High School, Tiruppur, has appealed to the Government against the appointment of Sri S. Vairavanathan as Headmaster of the School.

2. The appellant's name ^{had been} ~~was~~ included in the list of candidates ~~considered~~ suitable for appointment as Headmaster in 1943-44, forwarded by the D.E.O. Subsequently, on the requisition of the appointment committee of the council, two more names were added to the panel on the ground that the panel as first made consisted of persons belonging to a single community. ~~If the panel received from the D.E.O. was considered unsuitable,~~ the Appointment Committee should have referred the matter to the D.P.I., immediately as required

by rule 5 of the rules relating to the appointment of headmasters in Section II to the appendix to G.O.No.953, Edn., dated 30.6.1942. ~~The action taken after the lapse of several months to add fresh names to the panel was irregular.~~

~~of further names as recommended by the council.~~ Further the procedure laid down in rule 4 of the said rules in January 1944, ~~while some appeal~~ after the panel should have been followed before the panel for 1943-44 was prepared and not after it had been in force. The appoint

ment of Sri S. Vairavanathan as Headmaster was ~~thus~~ ^{irregular}

ENCLOSURE:

Copy of D.O. reply from the District Educational Officer, Coimbatore and the Nilgiris, dated 20-3-1945.

Sub: Tiruppur Municipality - Appointment of a Headmaster for the Nanjappa High School, Tiruppur - addition of names to the panel of L.T. assistants.

Ref: Your D.O.No.2346 G/44, dated 8-3-45.

The Commissioner of the Tiruppur Municipality in his letter dated 26th November 1943 represented to me that the panel for Headmaster's post already sent from this office was not suitable and requested me to include some more names in the panel. I was satisfied with the reasons advanced by him therefor. I therefore informed him in my letter dated 18-1-1944 to readvertise calling for applications for the headmaster's post after consulting the Divisional Inspector of Schools, Coimbatore Division. The Commissioner Tiruppur Municipality accordingly advertised again and sent the applications received, to me for the addition of names and two fresh names were added by me.

Apart from the tenability of an objection on that ground, a difference of opinion between the D.E.O. and the council referred the matter to the D.P.I., immediately as required

1943-44 was not in accord with rule 4 of the regulations above

Schools - Municipal High School, Tiruppur -
Appointment of Headmaster - Irregularities.

C.F.1-2 is an appeal from Sri K.P. Ramasubba Ayyar,
1st Asst. teacher of the Municipal High School, Tiruppur, against
the appointment of a Headmaster for that school which was ordered
in April 1944 and which took effect from the 1st June 1944 - C.F.7.
The facts are briefly *set out* explained at C.F.3. As noted by the D.P.I.
in para 5) of his endtt., the addition of a fresh name to the
annual panel while the panel was still in force was not in order;
nor was the appointment committee's requisition to the Divisional
Inspector and the D.E.O. to add two more names to the panel, on
the ground that the panel as first made consisted of persons
belonging to a single community, one authorized by the rules.
The rules which should have been followed in this case are those
in G.O.No.953-Edn., dated 30-6-1942. For orders whether the
appointment may be set aside.

More or less a similar point has arisen in connection
with an appointment made by the Salem Municipal Council. That
matter is however under reference to the Commissioner, and no
decision has yet been taken.

What exactly is the point of the statement "Applications
were invited in 1944"? I suppose there was an advertisement
under rule 4 of the rules. Such an advertisement is to be
issued only if the D.E.O. or Inspectress thinks there is not a
sufficient number available already. Did the D.E.O. give any
such opinion before advertisement was made? Who issued the
advertisement and when? What is the D.E.O.'s explanation
on the point of giving such a direction as at 'P' above (if he
did) or for adding the two supplementary names after having
first said the old panel might continue?

The whole point about advertisement is obscure. There
is nothing definite about it in the file. The D.P.I. may be
